

**ANNOUNCEMENT OF VACANCY
CHEMISTRY TEACHER**

Do you want to join a nationally ranked faculty from higher education and secondary settings to work with some of the most engaged students in the country? The Mississippi School for Mathematics and Science is accepting applications for a faculty position in Chemistry for the 2022-2023 academic year. **The successful candidate will be prepared to teach advanced chemistry courses, including but not limited to dual enrollment chemistry, AP chemistry, analytical chemistry, biochemistry, and/or organic chemistry.** Final teaching assignments will depend upon student needs.

The Mississippi School for Mathematics and Science is a public, residential high school for academically gifted and talented eleventh and twelfth grade students located on the campus of the Mississippi University for Women in Columbus, Mississippi. The mission is "to enhance the future of Mississippi by providing innovative learning experiences in a residential environment to meet individual needs of gifted and talented students and by providing quality educational leadership and aggressive outreach programs." All faculty, staff, and students have the responsibility to assist with accomplishing the mission. For more information about MSMS and the chemistry curriculum, please visit <http://www.themsms.org>.
