

MISSISSIPPI REGIONAL MIDDLE SCHOOL SCIENCE BOWL

February 4, 2023

Each year, the Mississippi Development Authority's Energy and Natural Resources Division partners with the Mississippi School for Mathematics and Science to host the Mississippi Regional Middle School Science Bowl. A challenging academic competition, student teams answer questions about biology, chemistry, physics, earth and space science, mathematics, and energy. This event is a preliminary competition for the National Science Bowl.

- **The 2023 Regional Middle School Science Bowl will take place Saturday, Feb. 4, 2023**, at the Mississippi School for Mathematics and Science, located on the campus of the Mississippi University for Women in Columbus.
- Current Mississippi middle school students in grades 6-8 are eligible to participate. Students must be from public, private or homeschools. Each team consists of four students, one alternate and a coach. Team members must attend the same school.
- The winning team will receive an all-expenses paid trip to compete in the National Science Bowl in Washington, D.C., April 27-May 1, 2023. All regional participants receive a certificate, t-shirt and other fun giveaways. East Central Middle School won the 2022 Mississippi Regional Middle School Science Bowl.
- **PRE-REGISTRATION began Oct. 1, 2022, at the National Science Bowl website (see link below). Upon approval, REGISTER online by visiting the same website by Dec. 1, 2022.** You will receive a confirmation email with additional information after you pre-register online.
- **The cost is \$50 per team.** A school may register three teams. However, to allow more schools an opportunity to participate, additional teams are placed on standby until after the deadline. If the maximum number of schools is not reached, additional teams are then added to the roster.
- Please direct any questions regarding registration or registration payments to Amy Elsmore at the Mississippi School for Mathematics and Science. She may be reached at 662-329-7674 or aelsmore@themsms.org.
