

**ANNOUNCEMENT OF VACANCY
MATHEMATICS TEACHER**

Can you envision working alongside a nationally ranked faculty from higher education and secondary settings to teach some of the most engaged students in the country? The Mississippi School for Mathematics and Science is accepting applications for a faculty position in Mathematics for the 2023-2024 academic year. **The successful candidate will be prepared to teach a range of advanced mathematics courses from pre-calculus, dual enrollment calculus, AP calculus, and/or linear algebra.** Final teaching assignments will depend upon student needs.

The Mississippi School for Mathematics and Science is a public, residential high school for academically gifted and talented eleventh and twelfth grade students located on the campus of the Mississippi University for Women in Columbus, Mississippi. The mission is "to enhance the future of Mississippi by providing innovative learning experiences in a residential environment to meet individual needs of gifted and talented students and by providing quality educational leadership and aggressive outreach programs." All faculty, staff, and students have the responsibility to assist with accomplishing the mission. For more information about MSMS and the math curriculum, please visit <http://www.themsms.org>.
