**ANNOUNCEMENT OF VACANCY  
CHEMISTRY TEACHER**

The Mississippi School for Mathematics and Science is accepting applications for a faculty position in Chemistry for the 2025-26 academic year. The successful candidate will be prepared to teach advanced chemistry courses including AP Chemistry, University (dual credit) Chemistry, Organic Chemistry, Biochemistry, and Analytical Chemistry. Final teaching assignments will depend upon student needs. Because of the unique nature of MSMS and its mission, all faculty and staff members are expected to offer evening tutorials one night a week, and to participate in Saturday activities twice a semester.

The Mississippi School for Mathematics and Science is a public, residential high school for academically gifted and talented eleventh and twelfth grade students located on the campus of the Mississippi University for Women in Columbus, Mississippi. The mission is "to enhance the future of Mississippi by providing innovative learning experiences in a residential environment to meet individual needs of gifted and talented students and by providing quality educational leadership and aggressive outreach programs." All faculty, staff, and students have the responsibility to assist with accomplishing the mission. For more information about MSMS and the chemistry curriculum, please view our [course catalog](#).
