The Mississippi State Board of Education, the Mississippi Department of Education, the Mississippi School of the Arts, the Mississippi School for the Blind, the Mississippi School for the Deaf, and the Mississippi School for Mathematics and Science do not discriminate on the basis of race, sex, color, religion, national origin, age, or disability in the provision of educational programs and services or employment opportunities and benefits. The following office has been designated to handle inquiries and complaints regarding the nondiscrimination policies of the above-mentioned entities: Director, Office of Human Resources, Mississippi Department of Education, 359 North West Street, Jackson, MS 39201, phone (601) 359-3511.

MSMS Pledge

I promise to each member of the
Mississippi School for Mathematics and Science
to do my best to uphold the ideals
of Scholarship, Service, Creativity, and Community.

MSMS Alma Mater

Verse 1:

*Hail to thee, our glorious Alma Mater
And to thee, we'll always be in debt.
The friendships we have made together
Will ne'er allow us to forget*

Verse 2:

*Hail to thee, our glorious Alma Mater
Hail to thee, our dear old blue and white
The fires of knowledge we have gained here
Will lead us into the light.*

Verse 3:

*For some time we've labored long and weary,
But our hearts to you are ever true.
Hail to thee our glorious Alma Mater.
Hail to thee, our spirits dwell in you.*

EMERGENCY INFORMATION

INFORMATION ACCESS

Occasionally MSMS may delay its opening from an extended weekend or vacation period due to campus emergency or poor weather conditions in one or more areas of the state making it unsafe for students to travel. In addition, there may be times when emergency situations occur on campus, and parents, staff, and students need to be notified immediately. In either case, notification will be sent by phone, text, and email. If it is a situation of delaying return to campus, a follow-up message will be sent to include when it is safe to return to campus, the time for residence hall openings, the resumption of classes, and office re-openings. If offices are not open and situations arise that need an immediate response, please call the MUW Police Department at 662-241-7777. The request will be referred to the appropriate MSMS employee.

RELEASE OF STUDENTS DURING EMERGENCIES

During times of inclement weather or campus emergency, MSMS authorities will not release a student to leave school premises until it has been determined that conditions are safe for travel.

Mr. Matt Fondren	Director of Operations

The Mississippi Legislature in creating MSMS vested in the State Board of Education the authority to govern and supervise the school. The Executive Director provides supervision in the following designated areas: (1) administration, (2) personnel management, (3) curriculum development, (4) instruction, (5) short- and long-range planning, (6) budgetary and fiscal management, and (7) residential life.

The Executive Director, with the assistance of administrators, faculty and staff, is authorized and empowered to carry out the mandate of the legislature and the policies of the State Board of Education.

History

The Mississippi School for Mathematics and Science was created by legislative enactment on July 1, 1987 (Miss. Code Ann. § 37-139-3). The Act provided;

1. There is hereby created the Mississippi School for Math and Science which shall be a residential school for eleventh and twelfth grade high school students located on the campus of the Mississippi University for Women.
2. The school shall be governed by the State Board of Education.
3. The Board shall develop a plan relating to the opening, the operation, and the funding of the school. Such plan shall be presented to the Legislature during the 1988 Regular Session and shall include an equitable and reasonable plan for student recruitment without regard to race, creed, or color.
4. The purpose of the school shall be to educate the gifted and talented students of the state, and its curriculum and admissions policies shall reflect such purpose.
5. The board shall prepare the annual budget for the school.

In the development of the curriculum, the legislature gave emphatic direction. The Act declared "this school shall be dedicated to the academic teaching of mathematics and science but shall not preclude some emphasis being placed on the arts and humanities" (Miss. Code Ann. § 37-139-9). During the 1990 legislative session, the name of the school was changed to the Mississippi School for Mathematics and Science.

THE PRIVILEGE OF MSMS

ATTENDANCE AT THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE IS A PRIVILEGE AND NOT A RIGHT. A STUDENT'S RIGHT TO ACCESS A FREE PUBLIC EDUCATION RESIDES AT THE HOME SCHOOL DISTRICT.

Students at MSMS are expected to have a commitment to the pursuit of academic excellence in all disciplines and meet school attendance and behavioral expectations. The goals for each student should be to: gain superior subject matter knowledge; become a stronger critical thinker; use technology as a tool; improve both written and oral communication skills; become a more scholarly person; display a sense of community; and maintain high standards of behavior. Students unwilling or unable to make this commitment will be returned to their home school.

Facilities

The Mississippi School for Mathematics and Science is located on the campus of the Mississippi University for Women. The university includes more than one hundred and four acres lying within the residential area of Columbus. The city of Columbus, with a population of approximately 30,000, is in a rapidly growing area known as the Golden Triangle, which encompasses the cities of Columbus, Starkville, and West Point. Columbus is accessible by air and major highways (U.S. 45 and 82).

The Mississippi School for Mathematics and Science is a campus within a campus. MSMS is housed in the central part of the Mississippi University for Women campus.

PHYSICAL FACILITIES

- Hooper Science Building is the main academic building and also houses the offices for the Director for Academic Affairs and the Academic Counselors.
- The Shackleford Building houses an auditorium, social science classrooms, a black box theater, a visual arts studio, labs for computer science and engineering, and a Maker's Space.
- The Performing Arts Center in Shattuck Hall houses instrumental performance and choral music classes.
- The Old PAC now serves as a staging area and office space for MSMS Operations.
- Hogarth Student Center houses the cafeteria, MUW bookstore, and post office. The MSMS Office of Student Affairs and Office of Admissions and School Advancement are also located in Hogarth.
- The John Clayton Fant Memorial Library has collections of more than 155,000 books and electronic access to over 39,000 periodicals. Other research sources include subscriptions to more than 550 journals and 17 newspapers. The library also provides access to over 30,000 film titles through a streaming service, Kanopy.
- The Health Center is located in Eckford Hall. A nurse practitioner is on duty between 8:00 a.m. and 4:00 p.m. to provide health service for MSMS students.
- Frazer Hall is a five-story, air-conditioned residence hall. Erected in 1964, it is used solely by MSMS male students.
- Goen Hall is a five-story, air-conditioned residence hall. Erected in 1964, it is used solely by MSMS female students.
- The Mary Wilson Home was erected in 1928. It houses the Office of Technology and the Office of the Executive Director.
- Stark Recreation Center opened in 2007, serving MUW, MSMS, and the community. The Recreation Center houses basketball courts, racquetball courts, a walking track, pool, and weight room and is open to MSMS students according to an established schedule and guidelines for use.

Fees

Students selected to attend MSMS do so at little cost to their families. Support is provided by legislative appropriation. Minimal fees are assessed to support student activities, and seniors are assessed a graduation fee. Incidental costs consist of items such as a parking decal (if a student has a vehicle on campus), a laboratory jacket, laundry, and club dues. Students and their families are encouraged to express both written and verbal appreciation to their legislators and state elected officials.

Required Fees

Though MSMS does not charge tuition, certain fees are required to maintain appropriate services for students. B Families unable to pay the required fees will receive assistance. Applications for financial hardship waivers are available from the school. Applications for assistance in paying the required fees are available through the MSMS Foundation. Both forms can be found on the MSMS website and will be available during New Student Orientation. MSMS will maintain strict confidence regarding families who apply for the waivers and assistance.

Room & Board Fee	\$500/semester
(This must be paid in one check or payment to the Executive Director's Office)	
Student Activity Fee	\$200
Residence Hall Copier/Printer Fee	\$50
Technology Fee	<u>\$100</u>
Total	\$350/year

(These fees may be paid in one check or payment to the Department of Student Affairs)

Other Fees

Optional fees are assessed for the following items. An explanation of each is also included.

Graduation Fee (estimated)	\$150
Parking Decal (optional)	\$ 25
Athletic Fee	\$ 75 (per year for athletes)
Refrigerator Fee	\$100
Up to 3.5 cu. ft.	

(These fees of any combination can be paid by check to the Department of Student Affairs)

The fee schedule above was current at the time of printing of this handbook but is subject to change with prior notification. The charges listed do not include fines for loss or damage to school property; the fee to replace a lost or damaged ID; expenses for standardized tests that are optional; club memberships; or school yearbooks, class rings, entertainment, dances, field trips, etc.

Room and Board Fee

Each student is assessed a fee of \$500 per semester to offset the cost of room and board. The amount of the room and board fee may change by act of the State Legislature.

Graduation Fee

This fee covers the cost of the diploma, rental of cap and gown, facility rental, and other costs associated with graduation. The exact amount of the fee is dependent upon the activities of graduation and the number of students who participate in graduation.

Technology Fee

This fee is used for purchases and repairs to the school's instructional computer systems.

Book Fee

Students who take non-dual enrollment courses at Mississippi University for Women should be prepared to pay their Book Fee, which amounts to \$25 per semester hour. Payment will be made to the Mississippi University for Women.

Fees for Field Trips

Students may be asked to contribute toward the cost of special field trips by purchasing tickets, paying for their own meals, etc. Payment of these fees is limited to those students enrolled in the class.

Provisions have been made for consideration of a family's financial situation and ability to pay such costs.

Fees for Special Classes

Some classes carry fees to provide supplies. Payment of these fees is limited to those students enrolled in the class and must be made within the first week of the semester unless other arrangements are made with the teacher. Course fees will be noted on the course syllabus. As with other required fees, these will be waived for students who qualify.

Schedule for payment of fees

Unless otherwise noted, all fees are due according to the schedule provided by the Office of Student Affairs. Checks or money orders for required fees are to be made out to the Mississippi School for Mathematics and Science. Requests for alternate payment schedules and/or fee waivers for optional fees must be made through the Office of Student Affairs in writing. Requests for fee waivers for room and board and required fees must be made in writing through the MSMS Foundation.

Non-refundable nature of fees

All required fees, except for room and board fees, are non-refundable after the first day of classes. Application for a partial refund of the room and board fee may be made provided the student ceases enrollment and moves from the residence hall prior to the end of the first nine-weeks term of each semester.

Fines and Penalties

Textbooks

MSMS issues textbooks and related instructional materials to its students. Failure to return such books and materials to the school at the appointed time and in acceptable condition will result in fines up to and including the cost of replacement of such books and materials. The Office of Academic Affairs will assess all fines dealing with textbooks and related instructional material for students.

Library Books

Students at MSMS are allowed to use MUW's Fant Memorial Library as well as the library at Mississippi State University. Students may check out books and other materials. Failure to return such materials promptly will result in the university levying fines up to and including the cost of replacement of such items. Privileges will be limited until fines are settled.

SCHOLARSHIP

CREATIVITY

COMMUNITY

SERVICE

**MISSION &
PHILOSOPHY**

MISSION

Our mission is to enhance the future of Mississippi in global society by meeting the individual needs of gifted and talented students through providing innovative learning experiences and leadership development in a residential environment. In addition, we will provide quality educational leadership and aggressive outreach programs.

We believe that MSMS

- addresses the extraordinary needs of Mississippi's gifted and talented students through innovative and rigorous research-based courses;
- teaches students how to integrate technology with current content in courses;
- offers a living-learning environment that facilitates students' intellectual growth, encourages their social maturity and self-confidence, and strengthens their citizenship;
- stimulates excellence in all Mississippi schools by providing a model of educational leadership; and,
- courts active participation from all of the community's stakeholders.

PHILOSOPHY

The Mississippi School for Mathematics and Science recognizes the unique values, needs, and talents of the academically able student. MSMS challenges each student based on college requirements, individual capabilities, background, and interests in certain curricular areas.

The curriculum at MSMS provides students with the foundation needed for successful academic pursuits after high school. Each discipline is seen as a part of the whole rather than as a separate entity. The total instructional program is integrated in such a way that students do not perceive content information as isolated and fragmented but understand the interrelatedness of all learning. The instructional climate is conducive to recognizing entry level skills and abilities of each student and then allowing students to progress towards their maximum potential.

The faculty and administration at the Mississippi School for Mathematics and Science bring diverse talents and superior teaching skills to the college preparatory instructional program. Instructors at MSMS are encouraged to draw upon their creative abilities to seek innovative approaches to instruction. Instructional techniques allowing students to develop skills in critical thinking, problem solving, research, independent study, and the use of technology are stressed. Faculty members are encouraged to seek continuing professional development to remain current in their respective fields. Resources are provided for professional and instructional enhancement.

The residential program at the Mississippi School for Mathematics and Science plays an integral role in the development of each student. Through the residential program, students are encouraged to become independent thinkers, to develop the ability to work cooperatively with others, and to use appropriate

decision-making skills. The residential program also provides activities that foster the development of social skills and promote physical and mental health

Each student is expected to assume a cooperative, responsible role in the total MSMS community. Each person within the community will be recognized for the unique talents, skills, and characteristics brought to MSMS.

The development of a strong value system along with a sense of social and community responsibilities will be encouraged.

GOALS

- Work toward providing an educated populace with a strong background in mathematics, science, and technology, thus attracting industry and aiding economic development in Mississippi.
- Provide students with a residential program, which promotes the development of a cooperative spirit, rewarding interpersonal relationships, a sense of responsibility, and healthy self-concepts as they develop appropriate attitudes and values regarding interaction with peers and adults.
- Provide students with a strong college preparatory background which emphasizes innovative and unique learning experiences outside the classroom to enhance the development of the ability to move from the acquisition of facts to the process of comprehension, analysis, synthesis, application, and evaluation.
- Promote the awareness of the MSMS experience to external publics statewide.
- Serve as a resource for public education in Mississippi in many ways, such as providing opportunities for teachers and students from other schools to attend special seminars and workshops during the summer months.

FAMILY INVOLVEMENT

Family involvement is a very significant component in assuring that MSMS is a successful experience for each student. Parents provide security, love, values, and discipline for their child. The MSMS academic and residential programs will give students opportunities, structure, and materials with which to learn and grow, and anticipates that parents will join the process by checking on their student's well-being, monitoring grades, and keeping administrators informed of special needs and circumstances.

Together, the faculty and staff work with parents to help students reach their highest potential. This is achieved by requiring a family commitment as part of the decision to attend and remain at MSMS. This commitment is enhanced by a continuing and good relationship with the home and the family.

Extended weekends maintain the ties with home, and parents are always welcome to visit campus. Opportunities for parents to be involved with a student's success at MSMS are provided through informational and orientation programs, telephone and campus conferences, written communications, and two parent day programs each year. Parents are encouraged to participate in Parents Lending United Support (PLUS), a parent support organization that provides many opportunities for parents to work together in activities beneficial to the school.

**GENERAL
POLICIES**

SPIRIT OF THE HANDBOOK

The policies set forth in this student handbook provide a reasonable guide for acceptable student behavior at the Mississippi School for Mathematics and Science and apply to all MSMS students, regardless of age. In all instances, students are expected to ask questions and exercise reasonable judgment before they take action. Student, faculty, staff, and parent comments or suggestions will be an integral part of the yearly evaluation and revision of the handbook.

In addition to the policies and procedures outlined in the handbook, all MSMS students and employees must abide by all applicable state and federal laws.

COMMUNICATION OF HANDBOOK AMENDMENTS

Periodic amendments may be made to the handbook as deemed appropriate. Parents and students will be notified of amendments by mail, e-mail, and/or website postings prior to the implementation of new standards.

PERMISSIONS & QUESTIONS

MSMS rules and policies are designed to ensure the safety and well-being of students. Parents may not give more permission than MSMS policy allows but may give less, in which case the situation would be understood between parents and student. Parents should contact the Director for Student Affairs if questions arise.

While much thought and discussion has gone into the development of student affairs policies, it is impossible to address every issue that may arise. Rather than assuming that intended actions will be acceptable, students have a responsibility to ask before acting.

ADMISSIONS

Students interested in applying for traditional admission to MSMS must meet the following criteria:

- Submit all required sections of the admissions application to the MSMS Admissions Office on or before the priority application deadline.
- Be a current tenth grader with a minimum of twelve (12) Carnegie units of study upon the completion of the tenth grade, including specified required units.
 - Mathematics: 2 Carnegie units; Algebra 1 and Geometry are required; Algebra 2 is recommended.
 - Science: 2 Carnegie units; Biology 1 is required; Chemistry is recommended.
 - English: 2 Carnegie units
 - Social Sciences: 2 Carnegie units from: Mississippi Studies, World Geography, World History, U.S. History, Government, and Economics. Only one-half Carnegie unit from Mississippi Studies or World Geography may apply toward the required 12 Carnegie units.

Other courses that are strongly recommended before attending MSMS include: ½ Carnegie unit in Comprehensive Health, Family and Individual Health, or Allied Health; and ½ Carnegie unit in Physical Education; 1 Carnegie unit in Computer Discovery, or ½ credit in Keyboarding and ½ credit in Computer Applications; Mississippi Studies; Geography; and World History.

- Have a record of school performance that is above average in all subjects.
- Have a record of school performance that is excellent in mathematics and science courses.
- Demonstrate clear evidence of a strong interest in mathematics, science, and related areas such as electronics, research, technology, engineering, independent projects, etc.
- Have a strong desire to attend MSMS.
- Submit an ACT score. (Score of at least 20 is recommended).

(All applicants must take the ACT no later than the December testing date).

- Show proof of legal residency in Mississippi.
- Complete and sign a Declaration of Legal Residence form.

Upon being selected to attend MSMS, the student and his/her parents must sign and return the *Intent to Enroll Form* to the MSMS Admissions Office by the designated date indicated on the form. This reserves his/her place as a student at MSMS. If for any reason the student should not be able to attend MSMS at the start of the fall semester, he/she must contact the Office of Admissions immediately and state in writing that he/she will not be attending MSMS. Once a student declines the offer to attend, his/her invitation is void and the space is offered to an alternate.

Students are expected to complete both their junior and senior years consecutively at MSMS. Since a student must earn a minimum of 13 units while at MSMS, only rising juniors are eligible to earn admission.

Students are not allowed to withdraw from MSMS, attend another high school, and then return to MSMS to continue their junior year or re-enroll for their senior year.

Admission to MSMS is for one academic school year during which time a student must remain in good standing (in academics, attendance, and behavior). Upon completion of the junior year at MSMS, students in good standing will be extended an invitation to return for the senior year.

For additional information regarding the admissions process, interested individuals may contact the Office of Admissions toll-free at 1-800-553-6459 or visit the website at <http://www.themsms.org>.

AHERA ASSURANCE

The 1988 Asbestos Hazard Emergency Response Act (AHERA) requirements pertaining to asbestos have been reviewed. The records of this review, the results of which show compliance with federal regulations, are on file in the administrative offices.

ANTI-BULLYING POLICY

Prohibitions

No student or school employee shall be subjected to bullying or harassing behavior by school employees or students. The Mississippi School for Mathematics and Science prohibits bullying or harassing behavior of students and school employees. MSMS will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other students or other school employees.

- 1) Bullying or harassing behavior is any pattern of gestures or written, electronic* or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that takes place on school property, at any school-sponsored function, or on a school bus, and that:
 - places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or
 - creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. For the purposes of this section, "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Conduct described in subsection (1) is considered bullying if that conduct interferes with a student's education or substantially disrupts the operation of the school.

*Bullying or harassing behavior includes cyberbullying. Cyberbullying is bullying or harassing behavior that occurs electronically. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, on a school bus, or when it takes place off school property when such conduct materially disrupts classwork or involves substantial disorder or invasion of the rights of others.

No person shall engage in any act of retaliation or reprisal against a victim, witness, or any person with reliable information about an act of bullying or harassing behavior and/or who in good faith provides information concerning an incident of bullying.

Procedures for Reporting, Investigating, and Addressing Bullying or Harassing Behavior

A student who feels he/she has been subject to any act of bullying or harassing behavior and/or a student or volunteer who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior should report the incident to a school employee, who shall immediately report the incident in writing to the Director for Student Affairs, Director for Academic Affairs, and/or Executive Director. Students should report bullying or harassing behavior to a school employee promptly but no later than five (5) working days after the alleged incident(s) occurred.

Reports should include: the name of the reporting person*, the specific nature and date of the misconduct, the name(s) of the victim(s) of the misconduct, the name(s) of any witness(es), the name(s) of the alleged bully, and any other information that would assist in the investigation of the report. *If a student chooses to anonymously report bullying or harassing behavior, the school's ability to take action based solely on an anonymous report may be limited.

A school employee who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior shall immediately report the incident in writing to the Director for Student Affairs, Director for Academic Affairs, or Executive Director. Reports against the Director for Student Affairs or Director for Academic Affairs shall immediately be made in writing to the Executive Director, and reports against the Executive Director shall immediately be made in writing to the Chief Academic Officer at the Mississippi Department of Education.

The school administration shall investigate reported incidents of bullying within five (5) [working] days of receiving the report.

The school administration shall speak to the alleged victim and alleged bully separately. Students may submit evidence for the school administration to review and a list of witnesses for the school administration to speak with. Students should preserve evidence of bullying/cyberbullying and/or harassing behavior.

All teachers, employees, volunteers, and students shall fully cooperate with the investigation and answer truthfully all inquiries relative thereto.

Upon completion of the investigation, the school administration will immediately notify the alleged victim and alleged bully regarding the outcome of the investigation and/or what discipline actions and/or other appropriate actions will be taken, if warranted.

The school administration will provide notice of an incident of bullying and the outcome of the investigation and/or what discipline actions and/or other appropriate actions will be taken, if warranted, within a reasonable amount of time to a parent or guardian of the victim and a parent or guardian of the bully not to exceed five (5) working days after the completion of the investigation.

MSMS recognizes the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. "Reasonable action" includes, but is not limited to, promptly reporting the bullying or harassing behavior to a school employee and student's use of reasonable self-defense.

If, after an investigation, a student is found to be a victim of bullying, such student shall not face disciplinary action based on that student's use of reasonable self-defense was in response to the bullying.

Discipline for bullying of a student with disabilities shall comply with the applicable requirements under federal law including the Individuals with Disabilities Education Act (20 U.S.C.A. § 1400 *et seq.*).

A student who is a victim of or a witness to bullying or who engages in bullying may speak to one of the school counselors regarding issues with bullying and harassment. The counselor will provide recommendations and guidance to the student and family about additional options as appropriate.

MSMS will provide the victim of bullying with a plan of action that includes appropriate interventions and support to help restore a positive school environment for the victim. Support may be provided by MSMS through the assistance of any of the following agencies: Mississippi Department of Education • Mississippi Department of Health • Mississippi Department of Human Services - Juvenile Services Department • Community/Family Public or private community-based mental health services • Faith-based services • Law enforcement agencies.

The procedure for reporting bullying will also be posted on the MSMS website. False accusations or reports of bullying are prohibited and may warrant disciplinary action.

Any perceived criminal conduct will be immediately reported to law enforcement.

ANTI-HARASSMENT

General statement of policy

The Mississippi School for Mathematics and Science is committed to providing all students and adults with a safe and supportive school environment. Members of the school community are expected to treat each other with mutual respect.

Harassment is a form of unlawful discrimination as well as disrespectful behavior, which will not be tolerated.

It is hereby the policy of The Mississippi School for Mathematics and Science to oppose and prohibit, without qualification, unlawful harassment based on race, color, religion (creed), national origin, marital status, sex or disability.

Any unlawful harassment of a member of the school community by another member of the school community is a violation of this policy.

The Mississippi School for Mathematics and Science shall act to investigate all complaints of harassment, formal or informal, verbal or written, and to discipline or take other appropriate action against any member of the school community who is found to have violated this policy. Complaints alleging discrimination or harassment must be

handled in accordance with the procedures set forth in Miss. Admin. Code 7-3: 99.1, Mississippi State Board of Education Policy Manual, Part 3, Chapter 99, Rule 99.1.

Definitions

School Community includes but is not limited to all students, school employees, contractors, unpaid volunteers and other visitors.

School Employees include but are not limited to all teachers, residential life professionals, support staff, administrators, bus drivers, custodians, cafeteria workers, coaches, school board members and agents of the school.

Harassment means verbal or physical conduct based on an individual's actual or perceived race, religion (creed), color, national origin, marital status, sex or disability and which has the purpose or effect of substantially interfering with educational performance or creating an intimidating, hostile or offensive environment.

Harassment can include any unwelcome verbal, written or physical conduct, which offends, denigrates, or belittles any individual because of any of the characteristics described above. Such conduct includes, but is not limited to unsolicited derogatory remarks, jokes, demeaning comments or behavior, slurs, mimicking, name calling, graffiti, innuendo, gestures, physical contact, stalking, threatening, bullying, extorting or the display or circulation of written materials or pictures.

Examples of specific types of prohibited harassment are listed below.

- **Disability Harassment** includes harassment based on a person's disabling mental or physical condition and includes any unwelcome verbal, written or physical conduct, directed at the characteristics of a person's disabling condition, such as imitating manner of speech or movement, or interference with necessary equipment.
- **Marital Status Harassment.** Harassment based on marital status is unwelcome, verbal, written or physical conduct, directed at the characteristics of a person's marital status, such as comments regarding pregnancy or being an unwed mother or father.
- **National Origin Harassment** may include unwelcome, verbal, written, or physical conduct directed at the characteristics of a person's national origin, such as negative comments regarding surnames, manner of speaking, customs, language, or ethnic slurs.
- **Peer Harassment** includes, but is not limited to, unwelcome attention from peers or other individuals and includes such actions as name calling, threatening gestures, unwanted physical contact, vandalism of personal property, and filing a false complaint.
- **Racial and Color Harassment** can include unwelcome verbal, written or physical conduct directed at the characteristics of a person's race or color, such as nicknames emphasizing stereotypes, racial slurs, comments on manner of speaking, and negative references to racial customs.

- **Religious (Creed) Harassment** may include verbal, written, or physical conduct directed at the characteristics of a person's religion or creed, such as derogatory comments regarding surnames, religious clothing, religious slurs, or graffiti.
- **Sexual Harassment** means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:
 - Submission to that conduct is made either explicitly or implicitly a term or condition of a student's education or an individual's employment.
 - Submission to or rejection of such conduct by an individual is used as a component of the basis for decisions affecting that individual.
 - The conduct has the purpose or effect of substantially interfering with an individual's educational performance or creating an intimidating, hostile or offensive educational environment.

This applies whether the harassment is between people of the same or different gender. Sexual harassment can include unwelcome verbal, written or physical conduct directed at or related to a person's gender, such as sexual gossip or personal comments of a sexual nature, sexually suggestive or foul language, sexual jokes, whistling, spreading rumors or lies of a sexual nature about someone, demanding sexual favors, forcing sexual activity by threat of punishment or offer of educational reward, obscene graffiti, display or sending of pornographic pictures or objects, offensive touching, pinching, grabbing, kissing, hugging, or restraining someone's movement in a sexual way. Both MSMS employees and students are prohibited from such behavior.

Retaliation

It is a separate and distinct violation of this policy for any member of the school community to retaliate against any person who reports alleged harassment or against any person who testifies, assists or participates in an investigation, proceeding or hearing relating to such harassment. It is possible that an alleged harasser may be found to have violated this anti-retaliation provision even if the underlying complaint of harassment is not found to be a violation of this policy. Retaliation includes, but is not limited to any form of intimidation, reprisal or harassment and may be redressed through application of the same reporting, investigation, and enforcement procedures as for harassment in accordance with the procedures set forth in Miss. Admin. Code 7-3: 99.1, Mississippi State Board of Education Policy Manual, Part 3, Chapter 99, Rule 99.1. In addition, a person who knowingly makes a false report may be subject to the same action that The Mississippi School for Mathematics and Science may take against any other individual who violated this policy. The term "false report" refers only to those made in bad faith and does not include a complaint that could not be corroborated, or which did not rise to the level of unlawful harassment.

Consequences

Any school employee or student who is found to have violated this policy may be subject to action including, but not limited to, warning, remedial training, education or counseling, suspension, exclusion, expulsion, transfer, termination or discharge.

Reporting

Students believing they are a victim of any form of harassment should immediately report the incident(s) to the administration or a school employee. Any school employee, who observes, overhears or otherwise witnesses harassment, which may be unlawful, or to whom such harassment is reported, must take prompt and appropriate action to stop the harassment and to prevent its recurrence. In the event the school employee is unable to personally take prompt action, he or she is required to report the incident or complaint in writing to an administrator.

The Mississippi School for Mathematics and Science is committed to protecting the safety and welfare of its students. Mandatory reporting laws require persons to report to various agencies, including, but not limited to, Child Protection Services and/or law enforcement when there is reason to suspect abuse, neglect, exploitation, human trafficking, sexual involvement of a student and teacher, sex crimes against a minor, unlawful activity which occurs on educational property or during a school related activity, and/or other violations of state and/or federal law which are required to be reported. Suspected violations shall/will be reported as required by law and in accordance with the applicable reporting procedures.

In addition to the above, the Mississippi School for Mathematics and Science may contact law enforcement regarding other suspected violations of municipal, state, and/or federal law.

SECRET SOCIETIES/GANG ACTIVITY

It is unlawful in the State of Mississippi to organize fraternities, sororities, or secret societies in public high schools. It is also unlawful for a public-school student to be a member of, belong to, or participate in such organizations, and to solicit student membership in such organizations. Students in violation of this policy are subject to suspension or expulsion.

Schools governed by the Mississippi State Board of Education are committed to maintaining a safe school environment for their students and staff. Students are expected to adhere to the school standards of conduct, which promote well-being and support the learning process. Gang activity will not be tolerated in any form. Gang-related activities in the school, on school property or vehicles, or at school-related activities are prohibited. Where gang activity is suspected or confirmed a complaint will be filed in accordance with the “Mississippi Streetgang Act” pursuant to Miss. Code Ann.

§ 97-44-1 *et seq.*

Gang activity that initiates, promotes, or advocates activities that threaten the safety or wellbeing of people or property on school grounds or which disrupts the school environment is harmful to the educational process. The use of hand signals, graffiti, or the presence of apparel, jewelry, accessories, or manner of grooming which, by virtue of color, arrangement, trademark, symbol, or any other attribute which implies membership or affiliation with such a group, presents a clear and present danger and is to be discouraged by school officials. Students displaying interest, involvement, or affiliation with a gang shall be subject to disciplinary action and will be encouraged to seek involvement in authorized school organizations to enhance self-esteem and promote activity that can have a positive impact on the student.

NONDISCRIMINATION

Several federal laws prohibit discrimination in educational programs and activities based on race, color, national origin, sex, disability, and age. The same laws require that schools receiving federal funds provide notice to all faculty, staff, and students of the protection afforded by these laws.

The Mississippi State Board of Education, the Mississippi Department of Education, the Mississippi School of the Arts, the Mississippi School for the Deaf, and the Mississippi School for Mathematics and Science do not discriminate based on race, color, religion, national origin, sex, age or disability in the provision of educational programs and services or employment opportunities and benefits. The following office has been designated to handle inquiries and complaints regarding the non-discrimination policies of the above-mentioned entities:

**Director, Office of Human Resources
Mississippi Department of Education
359 North West Street
Jackson, Mississippi 39201
(601) 359-3511**

It is the policy of MSMS to comply with all provisions of Title IX of the Education Amendments of 1972, Title VI of the Civil Rights Act of 1964, the Carl Perkins Act of 1984, Section 504 of the Rehabilitation Act of 1973, and the Individuals with Disabilities Education Act.

Right to Express Concerns, Complaints or Grievances

Complaints alleging discrimination or harassment must be handled in accordance with the procedures set forth in Miss. Admin. Code 7-3: 99.1, Mississippi State Board of Education Policy Manual, Part 3, Chapter 99, Rule 99.1.

The individual at MSMS designated to ensure nondiscriminatory policies is:

**Director, Office of Student Affairs
Mississippi School for Mathematics and Science
1100 College Street MUW-1627
Columbus, MS 39701
(662) 329-6439**

CHANGE OF ADDRESS

Permanent

MSMS requires that students and their parents notify the Registrar (Guidance Office) in writing immediately if their home address, phone number, or email changes during the year. This is essential for use in emergency situations, to verify compliance with residency requirements, and to allow parents to receive report cards and informational mailings. The Registrar will make the necessary changes in the primary student database and notify all offices of the update.

Temporary

Occasionally parents must be away from home for business, vacation, etc. It is essential that the parent provide MSMS with the name, address, and phone number of the person(s) to contact in case of emergency and how and where to locate parents during this time. Notification should be made in writing and mailed or faxed to the Director for Academic Affairs.

CUSTODIAL ARRANGEMENTS/DESIGNATED GUARDIANS

Initial enrollment at MSMS requires that the custodial parent(s) be a resident of the State of Mississippi on or before the first day of school attendance. A student's residency must be continuous for the applicant to enroll and to remain at the school. Residency established for the purpose of qualifying for admission to the school will not be honored. Proof of residency may be required to validate enrollment. If the parent(s) is unable to establish residency, then the student will be dismissed from school.

A student admitted under the premise of residency will be dismissed from the school if at any point in their tenure it is discovered that they were not residents at the time of acceptance.

If the custodial parent(s) moves out of the state after the school year has begun, the parent may petition to the Executive Director that the student be allowed to complete that semester of work at MSMS provided that a Mississippi resident 21 years of age or older is named as the student's Designated Guardian for the remainder of the semester. The parent(s) shall submit to the school, the Office of Student Affairs, a judicially recorded and approved document verifying guardianship. If the custodial parent is unable or unwilling to establish said guardianship or if the custodial parent is moving out of the country, the student shall be dismissed from MSMS to enroll in their new home district.

Proof of Guardianship must be received in the Office of the Director for Student Affairs within twenty-one (21) calendar days of the move.

If the student does not live with both parents, the appropriate paperwork (i.e., custody decrees, guardianship papers, etc.) must be on file with the Student Affairs Office at the time of enrollment or during the school year when there is a change in status.

It is the custodial parent's responsibility to inform the Office of Student Affairs as to whether non-custodial parents and/or stepparents may provide permissions, verify permissions, and/or sign out the student.

Parents/guardians are reminded that unless parental rights have been legally terminated or a court order specifically prohibits it, "access to records and information pertaining to a minor child, including but not limited to medical, dental and school records, shall not be denied to a parent because the parent is not the child's custodial parent." Miss. Code Ann. § 93-5-26.

EMERGENCY SITUATIONS

During campus emergencies and/or emergencies due to inclement weather or other cause across the state, MSMS authorities will not release a student to leave school premises until it has been determined that conditions are safe for travel to his/her destination. In this case, notification will be sent by phone, text, and email through an automated system. When it is safe to return to campus, a follow-up message will be sent to include when it is safe to return to campus, the time for residence hall openings, the resumption of classes, and office re-openings. If offices are not open and situations arise that need an immediate response, please call the MUW Police Department at 662-241-7777. The request will be referred to the appropriate MSMS employee.

If the campus is placed in “lockdown” in accordance with the school’s Safety/Crisis Plan, students will not be allowed to leave their assigned area until the Executive Director or designee is advised by the cooperating emergency authority of an “all clear” status. Parents/guardians are expected to cooperate with school administration when lockdown is imposed to ensure the safety of the MSMS community. A parent who insists upon removing his/her MSMS student from campus during this time does so knowing that the student may not be allowed to return.

RE-ADMISSION AS A SENIOR

Each student must earn the privilege to remain and to return for his/her senior year at MSMS. Students deemed unable or unwilling to accept the commitment necessary to be successful in this special learning/living environment will be returned to their home school. **Invitations to attend MSMS are made on a yearly basis.**

RESIDENCY

(Also see Custodial Arrangements/Designated Guardian)

All MSMS students must be residents of Mississippi and U.S. citizens. Mississippi residents who are not U.S. citizens may be considered for admission if all necessary paperwork is presented to demonstrate a U.S. legal citizenship status.

RIGHT TO PRIVACY

The administration, faculty, and staff at MSMS respect the right of privacy of the members of the student body. This guiding principle does not apply when disclosure is required to prevent clear and imminent danger to an individual or another member(s) of the MSMS family, or when legal requirements demand that confidential information be revealed, or when a member of the administration, faculty, or staff becomes aware that an individual is making self-destructive choices.

Only information that is directly relevant to the purpose of which the disclosure is made should be revealed on a “need to know” basis pursuant to State and Federal law.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The schools governed by the Mississippi State Board of Education will protect the confidentiality of all previous or currently enrolled students regarding information contained in its records as prescribed by the Family Education Rights and Privacy Act (FERPA) and the Individuals with Disabilities Education Act (IDEA).

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. These rights are:

The right to inspect and review the student's education records within 45 days after the day MSMS receives a request for access.

Parents or eligible students should submit to the Executive Director (or his/her designee) a written request that identifies the record(s) they wish to inspect. The Executive Director or designee will plan for access and notify the parent or the eligible student of the time and place where the records may be inspected.

FERPA also affords parents and eligible students the right to request the amendment of the student's education records which the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write to the Superintendent/Executive Director (or their designee), clearly identify the part of the record they want changed, and specify why it should be changed.

If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If, as a result of the hearing, the school still decides not to amend the record, the parent or eligible student has the right to insert a statement in the student's record setting forth his or her views.

FERPA provides parents and eligible students with the right to provide written consent before the school disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school and/or the Mississippi Department of Education as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); or a person serving on the Mississippi State Board of Education. A school official may also include a volunteer or a person, company, consultant or other party or contractor with whom the school and/or Mississippi Department of Education has outsourced to perform an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the

use and maintenance of personally identifiable information from education records (such as an attorney, auditor, medical consultant, or therapist); or a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district or college in which a student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer.

Any disciplinary actions affecting attendance are included in the student's permanent record and cumulative folder. The school will forward education records, including disciplinary records, to other schools or colleges in which the student seeks or intends to enroll.

The school may disclose directory information about students without consent. Directory information means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to, the student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, grade level, enrollment status, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, and the most recent previous educational agency or institution attended.

The school may disclose personally identifiable information from the education records of a student without obtaining prior written consent of the parents or the eligible student under certain conditions set forth in the FERPA regulations. Personally identifiable information includes, but is not limited to, the student's name; the name of the student's parent or other family members; the address of the student or student's family; a personal identifier, such as the student's social security number, student number, or biometric record; other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name; other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates.

Upon request, the school is required to provide military recruiters the names, addresses, and telephone listings of secondary students, unless the parent or eligible student has requested that the information not be disclosed without prior written consent.

The parent or eligible student has the right to refuse to let the school designate any or all types of information about the student as directory information. The parent or eligible student must notify the Executive Director in writing within 14 days of receipt of this notice that he or she does not want any or all of those types of information about the student designated as directory information or disclosed to military recruiters.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education 400 Maryland Avenue
Washington, D.C. 20202-5920

Confidentiality and Disclosure Policy

Schools governed by the Mississippi State Board of Education respect the privacy rights of all its constituents. This policy does not apply when disclosure is required to prevent clear and imminent danger to an individual or the school community, or when legal requirements demand confidential information be revealed, or when it becomes clear to the faculty or staff that an individual is making self-destructive choices. This includes, but is not limited to, threats of suicide, child abuse, pregnancy, communicable or fatal diseases, eating disorders, substance abuse, self-mutilation, etc.

Only information related to the reason for disclosure will be revealed on a “need to know” basis. Individuals should consult with members of the administrative staff as to the validity of an exception.

RESPECT FOR PERSONS, PROPERTY, AND PRIVACY

Students are expected to be fully and always respectful of other people, including faculty, staff, other students, and guests on campus. Examples of inappropriate behavior that might violate this expectation include:

- Use of language not deemed respectful or in good taste.
- Engaging in inappropriate physical contact or improper demonstrations of affection or attraction.
- Any form of harassment, hazing, or bullying, whether verbal or nonverbal.
- Taking any property without the owner’s express consent is considered theft. This policy includes accessing the contents of backpacks or bags without specific permission to do so. The cost of willful damage to School property will be charged to a student’s personal account.
- Any form of vandalism or abuse of the School’s or another’s personal property is unacceptable. Trespassing on property not owned by the School is also a violation of this standard. The cost of willful damage to School property will be charged to a student’s personal account.
- Violating any federal, state, or local laws.
- Engaging in behavior that jeopardizes the welfare or good nature of the School or any members of the School community.
- Students should be aware that certain activities outside of School hours or off School property may result in loss of School privileges or other disciplinary action up to and including dismissal. Examples of such outside conduct are violations of laws; underage purchase of alcohol; drug use, sale or possession; or use or misuse of digital content which does or could compromise the welfare of any member of the School community or the reputation or function of the School.
- Students are expected to remain on campus at all times except when leaving campus is scheduled, accompanied by staff, or approved by the School.
- Girls and boys must respect the absolute privacy of each others’ residential campuses.

FREE SPEECH, ASSEMBLY, AND PUBLICATION

Students are entitled to freedom of expression and publication of their views and opinions as long as the expression does not disrupt and/or interfere with normal school operations and discipline. Vulgar, racist, or harassing words by their nature disrupt the educational environment and may not be used. Students are responsible, when assembling, for exhibiting appropriate behavior and following the reasonable time, place, and manner restrictions of the school.

SECTION 504 – RIGHTS OF INDIVIDUALS WITH DISABILITIES

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. No discrimination against any person with a disability will knowingly be permitted in any of the programs and practices of the school. To ensure the school's compliance with Section 504, as it applies to students with disabilities, the following procedures have been adopted. Requests for Emotional Support Animals (ESA) and Service Animals (SA) will be handled through the same procedure listed below and documented as part of a comprehensive accommodations plan.

- The 504 Coordinator and counselors will seek to detect, by examining the records of current and incoming students, such conditions that might be substantially debilitating as described in Section 504 of the Rehabilitation Act of 1973. If the school has reason to believe that a student has a disability that substantially limits the student's major life functions, the school shall convene a team of people who are knowledgeable of the student's educational needs to review and consider all pertinent information related to the suspected disability. The meeting shall be convened within seven (7) working days after the school receives a written statement describing the specific discriminatory conduct, or the school becomes aware of the student's disability affecting a major life function.
- The 504 Committee will consist of the Director for Academic Affairs, the Director for Student Affairs, an academic counselor, and at least two faculty members. Involvement and input from parents and students will be sought and welcomed. The team described in the paragraph above shall determine whether the student is disabled under Section 504 and whether that disability substantially limits a major life function.
- If such a determination is made, the team must further determine what reasonable accommodation is required on behalf of the school to allow the student an equal opportunity to participate in school and school-related activities. This committee shall render its conclusions and recommendations in writing within seven (7) working days of the meeting. If the student's parents disagree with the MSMS's decision, the parents shall be informed of their right to ask for an impartial hearing to decide the matter.
- Any hearing request shall be made in writing to MSMS giving specific reasons describing the discriminatory actions by the school and why the school's accommodation is not appropriate.

- An impartial hearing shall be held within 30 calendar days of receipt of the written request. The School shall obtain as a hearing officer an individual who is not an employee of the home school district, has no conflict of interest, and who is knowledgeable of Section 504. The parent and student may take part in the hearing and have an attorney represent them at their own expense. Counsel also may represent the home school district.
- The hearing officer shall conduct the hearing to give the parents an opportunity to present evidence supporting their claim that their child has been subjected to discriminatory treatment in violation of Section

504. The School shall be given the opportunity to present evidence supporting its position with respect to the student. The School will make a tape recording of the hearing and a copy of the tape will be provided for the parents upon written request. The impartial hearing will be informal with the hearing officer controlling the flow of information from each party. For example, the hearing officer could ask the parties to make statements and present their evidence without resorting to attorneys conducting direct examinations, cross examination, opening statements, closing arguments, etc. Each party shall bear his or her own costs for duplication of written evidence and such evidence may be stipulated into the record by agreement.

- The hearing officer shall decide within seven (7) working days after the conclusion of the hearing. The decision shall be given in writing to the home school district's 504 coordinator and the parents. If either is aggrieved by the action of the hearing officer, an appeal may be taken to the State Superintendent of Education or his/her designee.
- The State Superintendent of Education or his/her designee will conduct a review of the written record within seven (7) working days of receiving the request for review. The State Superintendent of Education or his/her designee may overrule, modify, or uphold the decision of the hearing officer. A decision will be made within seven (7) working days of beginning deliberations on the matter and the State Superintendent of Education or his/her designee shall provide a written response to both parties. The decision of the State Superintendent or his/her designee is final. MSMS shall publish its policy of nondiscrimination based on disability and shall inform parents of their rights under Section 504, including the right to examine records relevant to their child and the right to an impartial hearing. The school's review procedure will also be made available upon request.

MENTAL HEALTH

The safety and wellbeing of students are of the utmost importance to MSMS. In addition to physical maladies, MSMS recognizes that students may also have mental health concerns. Some of these concerns may be normal, transitional issues to the academic rigors and residential environment. Others may be of a more severe. Regardless of the specific concerns, MSMS attempts to make reasonable and appropriate measures to accommodate students on an individual basis in the least restrictive environment. For example, a junior may be struggling with homesickness during the first nine weeks of the year, so this student might only need a few sessions with his/her school counselor to adjust to being a part of the MSMS community. Another student may be involved in a serious automobile

accident, and he/she may need a referral to an outside mental health counselor and a physician for medication to cope successfully with the traumatic event. A student whose struggles lead to suicide ideation may require inpatient care for their stabilization and safety.

MSMS counselors can help students be aware of methods and resources to improve mental health and combat brief periods of depression and anxiety. Students are encouraged to contact counselors or other MSMS faculty and staff for information on the resources MSMS can provide to resolve temporary mental health challenges.

If a student has a diagnosed mental illness or anxiety disorder, the student should meet with an MSMS counselor as soon as possible after arriving at MSMS to inform them of their diagnosed mental illness and treatment plan so that we can be partners in this effort.

Parents who suspect a chronic mental illness like depression should consult with medical providers for the best diagnoses and care for mental illness and to work with MSMS counselors and administrators as partners in providing the best environment for their children.

Under any circumstance, MSMS will seek to act in the best interest of the affected student and the general student population. Decisions will not be made in isolation, and parents/guardians, school counselors, and outside mental health professionals may all be consulted along with the student in determining the most reasonable and appropriate action according to the circumstances.

Every effort will be made to maintain the student's enrollment at MSMS, but there are situations in which the evidence suggests MSMS may not be the best environment for a particular student. These situations are usually related to the student's capacity to perform successfully academically, to remain safe, and to function independently in both the academic and residential settings of MSMS. As noted above, a student's right to access a free and adequate public education resides at the home district. In summary, MSMS values the mental wellbeing of all its students, and its officials will do their best to help students make the most of this "opportunity for excellence."

WITHDRAWAL

Types of Withdrawal

- **Academic** – for students who are required to leave for failure to meet academic expectations or who fail to meet the graduation requirements.
- **Behavioral** – for students who fail to meet behavioral expectations and standards.
- **Voluntary** – for students who feel their academic needs, personal needs, and interests would best be met in another learning environment.

Procedures

- Students planning to withdraw should consult their Academic Counselor who will explain the withdrawal procedure. Exit conferences with custodial parents and the students must be held with at least one of the following: Academic Counselor, Director for Academic Affairs, or Director for Student Affairs. Students must have a signed parental consent to withdraw.

- When exiting MSMS, all students must complete a Withdrawal Form which may be obtained from the Records Manager in the Academic Affairs Office. This form must be completed in its entirety and signed by MSMS administrators and counselors. Once completed, this form and the student's cumulative folder will be sent to the student's home school.
- All MSMS textbooks and electronic devices must be returned to the Records Manager in the Academic Affairs Office. The Academic Affairs Office will compare what was issued to the student with what is returned.
- All library materials must be returned to the library. The student must pay any library fees or fines.
- The student must schedule a time to check out of the room with the Student Affairs Office. All student belongings must be removed prior to inspection.
- The Withdrawal Form will be reviewed by the Director for Student Affairs who will note any discrepancies and discuss any charges. The charges will usually reflect damage to MSMS property. The student may be billed for any damage that occurs to the room during his/her occupancy.
- Students must turn in their room and mailbox keys and ID cards to the Director for Student Affairs.
- Students taking courses for dual credit or dual enrollment must withdraw from MUW through their Office of Student Affairs so students do not receive a failed grade on their college transcript due to improper procedures.
- Students must check out with the Student Affairs Office when leaving campus.

Students are required to leave the MSMS campus on the effective date of the withdrawal as determined by the administration

A student who has withdrawn is prohibited from returning to the campus or to any school function without the approval of the Executive Director.

DRESS AND GROOMING

Dress and grooming standards ensure that the school climate reflects safety, appropriateness, and a serious focus on learning. We recognize that fashions, styles, and trends evolve; therefore, the School reserves authority in matters which may arise and are not identified within this policy. MSMS staff reserves the right to request students to return to their residence hall to change if attire is deemed inappropriate or potentially disruptive to the educational process. Both Residential Life and Academic Affairs shall enforce this policy. The final authority regarding proper dress and grooming shall be the MSMS Administration.

The following standards must be followed AT ALL TIMES:

1. Appropriate undergarments must be worn and should not be visible; and students should not go shirtless;
2. Footwear must be worn when outside the residence hall room;
3. Clothing may not contain slogans or images which are considered profane or vulgar; or promote tobacco products, alcohol, drugs, or gang affiliation; or are considered insensitive to race, religion, sexual orientation, ethnicity or gender;
4. Leggings that are see-through or have mesh inserts, clothing considered sleepwear/loungewear, and pajama jeans may not be worn outside the residence halls or in the 1st floor lobby of the residence halls;
5. Clothing must provide adequate covering:
 - a. Skirts, dresses, shorts, or similar attire must be finger-tip length while standing and must allow for stooping, bending, and sitting modestly. The appropriate length must be evident in the front and back;
 - b. Muscle shirts, mesh/transparent tops, or low-cut tops are not permitted;
 - c. Shirts should be long enough that, at all times, they meet the top of the pants or skirt or shorts so that the midriff, lower back, and/or underwear are not exposed;
 - d. Halters, strapless attire (including off-the shoulder), and spaghetti straps are prohibited; Clothing may not have holes, cuts, slits, rips, or tears that expose or nearly expose underwear or skin above fingertip length.
6. Waistbands must be worn at the waist (no sagging pants);

Clothing, wigs, face paint and other items of attire that could be classified as “costumes” are not appropriate for general school wear, unless being worn during a school-approved day and/or activity. The other dress code guidelines shall still be followed

A higher standard of dress may be imposed for certain school activities. Students will be notified of these activities and their dress requirements. Compliance with those standards will be enforced. (The first such event will be a ceremony held the first weekend of school and the dress clothing described in the following paragraph will be needed.) The minimum dress requirement for such functions is MSMS Dress. MSMS Dress is defined as follows:

- Khaki pants or skirts
- MSMS branded polo (blue, white or gray) or plain polo (blue, white, and gray)
- No flip flops

A higher standard of dress beyond MSMS dress may also be required. This includes:

- Dress pants, skirts, or dresses
- Dress shirts or blouses
- Sport coats, ties, or suits
- Dress shoes

Learning to wear appropriate attire is important to every student’s social development and in many instances their future success.

MEDIA POLICY

The Mississippi School for Mathematics and Science has fostered a close working relationship with the news media to promote its programs, projects and operations. To assist in the effort, the office of the Executive Director has been designated as the coordinating office for the media. All news releases, newsletters, public service announcements, publicity, promotional brochures, advertising (except for advertising for purchasing), graphics, photography, etc., will be originated, produced, disseminated, and/or approved by the Executive Director or the Coordinator for Public Relations. All employees, students, clubs, and organizations affiliated with the Mississippi School for Mathematics and Science are expected to comply. Class social media accounts created shall be passed down to the current class historian, and they shall be the designated person in charge of them.

Social media pages associated with MSMS:

- Students and faculty are welcome to create social media pages for clubs, the incoming junior class, activities, etc., across a multitude of platforms. However, before creating these accounts, students and faculty need to first notify the Coordinator for Public Relations to make sure previous accounts have not already been created for said club, activity, etc. All posts must align with the school's mission and rules. The purpose behind this is to avoid an excessive amount of accounts for the same organization.

All school-related social media accounts that require an email and password to sign-up must be created by the Coordinator of Public Relations using an official MSMS email account. No social media accounts are created using personal or private email addresses. Additionally, any updated social media account login information needs to be shared with the Coordinator for Public Relations.

Because Facebook requires adding individual people to a page rather than logging into the page's account, the Club Sponsor, Club President, and Coordinator for Public Relations must be added as administrators.

PUBLICATIONS

MSMS students produce three (3) high-quality publications which record news and events at MSMS and showcase student work. The school newspaper, *The Vision*, is published throughout the year by members of the MSMS Journalism class. The school literary magazine, *Southern Voices*, published each spring, is a compilation of student writing and artwork. The student podcast, *Real Mississippi*, showcases student research and is produced annually in the spring semester. In addition to these publications, students provide valuable contributions to school publications.

FUNDRAISING

Due to the special nature of the school and its residential status, major fund raising by individuals, clubs and organizations is discouraged with the following exceptions: (1) class fundraisers for the purpose of offsetting prom costs, class gifts, etc., (2) performances in which admission is charged and

used to support performing arts groups and student activities. **No fund raiser shall begin until written approval is received.**

All student fundraising projects must be submitted to the MSMS sponsor of the organization. If approved by the MSMS sponsor, the sponsor will complete and submit an MSMS Fundraiser Request to the Director for Academic Affairs or Director for Student Affairs as appropriate. Final approval rests with the Executive Director. Request forms are available in the Office of Student Affairs and Office of Academic Affairs and should be submitted a minimum of two (2) weeks in advance of the proposed activity. All funds raised must be reported and receipted in compliance with state law and sound accounting practices. Fund raising projects must not conflict with the goals of the MSMS Wellness Policy.

CLUBS AND ORGANIZATIONS

Student clubs and organizations must be approved by the Directors for Student Affairs and Academic Affairs, with authority for final approval resting with the Executive Director. Clubs should be consistent with the philosophy, rules, and regulations of MSMS. No club or organization shall be considered for approval unless a full-time MSMS employee has agreed to serve as sponsor. The sponsor must be present throughout all meetings and club-sponsored events. Any club that is inactive for 3 or more years will have its account closed, should one exist. Its funds will be rolled into the general club account.

Occasionally, MSMS students with special interests may desire to attend or participate in an MUW-sponsored organization or activity. Any MSMS student/student group wishing to attend or participate in any MUW-sponsored club, organization or activity must:

- 1) have prior approval from the MSMS Director for Student Affairs,
- 2) have prior approval from appropriate MUW personnel, and
- 3) be accompanied by an MSMS sponsor at each meeting or event, including practices.

SGA officers, Senators, Judicial members, Class Officers, and Emissaries will be held to higher standards of conduct. These students are expected to represent the MSMS ideals of Scholarship, Creativity, Community and Service, and therefore, live up to the academic and behavioral standards of MSMS.

Student Leadership Positions criteria are as follows:

- a. Candidates or current Student Leaders are expected to maintain a rounded 85.0 average. Grades will be checked Quarterly. If a Student Leader's grade average falls below an 85.0, they will be given one quarter to bring up their average. Due to the nature of the roles of Class Officers, Class Officers will still be required to attend meetings and fulfil their responsibilities. However, Senators and Judicial members will be required to suspend their role until their grades improve, or they resign their position.
- b. Candidates or current Student Leaders may not have more than 2 Cs as a Quarter or Semester grade while school is in session. They may not have more than 2 Cs as a final Yearly grade in the case of Senior Senate Candidates when elections are held in the Fall. This will automatically

disqualify someone from running for a position and if a Student Leader receives 3 or more Cs while school is in session, they will be required to resign their position.

- c. Candidates or current Student Leaders may not have an NC as a Quarter, Semester, or Yearly grade. This will automatically disqualify someone from running for a position and if a Student Leader receives an NC while school is in session, they will be required to resign their position.
- d. Candidates or current Student Leaders may not have served 3 or more days of in-hall restriction due to Academic (including Tardies or Unexcused Absences) or Behavioral reasons. This will automatically disqualify someone from running for a position and if a Student Leader receives a consequence of 3 or more days in-hall restriction while school is in session, they will be required to resign their position.
- e. Candidates or current Student Leaders may not have a Level III violation. This will automatically disqualify someone from running for a position and if a Student Leader receives a Level III violation while school is in session, they will be required to resign their position.
- f. Candidates for SGA officer positions must have finished out the previous year in good standing as a senator and have served at least 2 months in Senate prior to running for an SGA Officer position.
- g. Juniors will be eligible to run for a Class Officer position only after Q1 grades are finalized.
- h. Juniors will be eligible to start new clubs after Quarter 1 grades have been posted.
- i. Emissaries fall under additional qualifications—No emissary is allowed to have a Level 2 Exception offense. No emissary may have 2 or more Level 2 General offenses.

FIELD TRIPS and NON-SCHOOL-SPONSORED GROUP TRIPS

Field trips are an important extension of the MSMS experience. Students are provided opportunities to travel both in- state and out-of-state. With this privilege comes responsibility to always behave appropriately. While on field trips, the trip administrator, teachers, or staff member in charge will communicate expectations designed to promote orderliness and safety. It is also understood that all policies of this handbook follow field trip participants and are in force during their travels. Violators will be referred to an administrator. All students are expected to travel in MSMS provided transportation unless prior arrangements have been approved by the appropriate administrator.

Students are responsible for contacting teachers, their mentorship/research supervisors and their work service supervisor prior to their field trip absence. Students assigned academic restrictions, or disciplinary consequences may not be allowed to attend field trips (academic or non-academic) or participate in athletics from Monday through Friday.

Teachers or staff members may organize and sponsor trips to various parts of the country and to foreign countries, provided that the trips occur at a time other than regularly scheduled school days for students and workdays for teachers and staff members. The guidelines below are intended to ensure that such trips are organized as private activities and are not MSMS sponsored events.

- Trip sponsors must not use school vehicles or materials and supplies, including MSMS letterhead and the MSMS Network, for recruitment, communication or publicity purposes. Sponsors should clarify to parents and the media that the trips are private undertakings.

- Contractual forms signed by parents or guardians should include a statement that acknowledges that MSMS is not a sponsoring organization and is not responsible in any way for financial loss, physical injury, or any other events that might occur.
- Contractual agreements entered with travel agencies or other organizing persons or authorities should state that the trip sponsors are acting on their own initiative and not as representatives of MSMS.

SCHOLARSHIP

CREATIVITY

COMMUNITY

SERVICE

**ACADEMIC
PROGRAM**

ACADEMIC PHILOSOPHY

The Mississippi Legislature created The Mississippi School for Mathematics and Science to provide an opportunity for academically able students from throughout the state to participate in a rigorous and comprehensive program of study. Although we emphasize mathematics and science in our curriculum, we offer college-level study in arts and humanities. Writing, research, and the use of technology are stressed in all curricular areas. Students must meet state and MSMS graduation requirements to receive a diploma from MSMS.

MSMS seeks to provide a unique living and learning environment built upon common purpose, mutual respect, and trust. In addition to superlative classroom instruction, students have the opportunity to hear outstanding speakers in each discipline and to participate in research and exploration, field trips, mentorships, and seminars.

ACADEMIC HONESTY

Students are expected to be academically honest, and those who engage in academic dishonesty should expect serious consequences. Cheating on assignments or tests, inappropriate/unauthorized collaboration as defined by the teacher, or committing plagiarism will not be tolerated. Consequences for incidents of academic dishonesty may be found in the Discipline Section of this handbook. At a minimum, students involved in breaches of academic integrity will receive a failing grade for the assignment with the possibility of a lower or failing course grade. Repeat offenders will be recommended for dismissal.

All definitions of plagiarism for final papers apply to all materials submitted for a grade. All ideas, words, or written work that is wholly or partially not one's own must be cited and referenced appropriately. As a rule of thumb, a student using more than three consecutive words from a source should place the words within quotation marks and provide the appropriate citation. Summaries and paraphrased material when the original work has been significantly modified also require citations according to the style used in the course. Plagiarism also includes the use of AI programs to complete assignments.

Students should be aware that individual homework assignments, take-home-tests, and other outside projects should not be completed with other students without clear direction and permission from a teacher. The sharing of ideas - verbal or written - on these assignments may result in answers that bring into question the issue of academic dishonesty.

INTERVENTIONS

The academic progress of all MSMS students is monitored throughout the year. A student concerns group meets regularly to discuss actions that can be taken to assist students who are on academic support, academic watch, or for students who experience a decline in grades during the nine weeks. Administrators, counselors, staff, and faculty may attend the meetings. The academic/behavioral review committee meets every quarter to determine the status of students who have been identified

with academic and/or behavioral issues. The academic/behavioral review committee consists of the same individuals as the student success committee: administrators, counselors, staff, and faculty. The only difference is faculty members must be present on the academic/behavioral review committee. Students will be placed on academic support, academic watch, and/or an academic support plan that will be devised and implemented as needed to meet individual student needs. The purpose of the review will be to determine which students are not successful in their learning and/or living environment and to make recommendations for strategies to assist those students. Upon review of student grades, academic support status may be assigned if a student:

- has earned one or more failing grades (0-69) during any 9-week grading period;
- has earned a semester grade of NC (no credit) in one course;
- has earned one final grade of NC;
- has more than one INC (incomplete) at the end of any 9-week grading period;
- has not worked to his/her potential as reflected by grades, attendance, and/or behavior;
- has been recommended for consideration by a faculty, staff, counselor, or parent.

Students will remain on academic support for a minimum of 4 ½ weeks or until all their grades are above a 75 after a major assessment. Students who are not performing up to expectations and/or who are on academic support will have specific strategies developed to assist in their academic progress which may include, but are not limited to:

- assignment to required tutorials;
- assignment to required study hours/suspension of privilege plan;
- assignment to academic support plan (ASP) or required studies;
- curtailment of social and/or extracurricular activities;
- development of a plan for improvement.

Attending MSMS is a special opportunity and, in keeping with the MSMS philosophy, success is an expected academic outcome for students. . As noted above, a student's right to access a free and adequate public education resides at the home district. Students will not be extended an invitation to return to MSMS and must re-enroll at their home school for the remainder of their secondary education if any one of the following applies:

- Students receiving three or more grades of NC (no credit) that are below 60% at the end of the first nine weeks;
- Students receiving two or more NCs, INCs (incompletes), or a combination of the two at the end of the any semester (this includes semester and year-long courses);
- Juniors failing to earn six Carnegie Units at the end of the junior year;
- Juniors who, due to failure of one or more courses, will be unable to meet MSMS graduation requirements;
- Juniors failing Foundations;
- Juniors who fail to earn one total Carnegie Unit for math prior to the senior year;
- Seniors, at the end of the first semester, who have failed coursework that prohibits their being able to meet MSMS graduation requirements in the spring semester of their senior year;

- Students demonstrating inappropriate behavior (including excessive tardies and/or absences) in keeping with the school's academic or behavioral expectations.
- Any student accumulating 2 or more NCs as semester grades while enrolled at MSMS.

During the summer between a student's junior and senior years, an assessment will be made by school officials based on behavioral and academic performance, as well as other factors independently considered, regarding the student's continuation at MSMS. Parents are encouraged to view their children's grades through Power School. A session will be held during New Student Orientation to assist parents with setting up their Power School accounts to allow them to receive weekly grades and behavioral reports.

ADVANCED PLACEMENT

The Advanced Placement Program (AP) follows national curricular guidelines established by the College Board. MSMS courses designated by "AP" in the course title are designed to prepare students for the AP examination in that course. Upon completion of an AP course, students are encouraged to take the corresponding AP examination.

Some other courses, although not carrying the AP designation, include advanced concepts from the AP curriculum. While students who master the material in these courses are generally prepared for the AP examination in that subject, extra review materials may be offered for students who wish to prepare. Students interested in preparing for the AP exam should discuss their plans early in the academic year with the appropriate teacher and their Academic Counselor.

Students passing an AP exam may receive college/university credit from some institutions. Successful completion of an Advanced Placement course offered by MSMS is not a guarantee that college credit will be granted. MSMS will cover the costs of the AP exams for students who qualify for a waiver of room and board fees and are enrolled in the corresponding AP courses. Students not enrolled in an AP course will be responsible for covering the cost of AP exams. However, fee assistance is available through the MSMS Foundation. Contact the MSMS Business Manager for additional information on how to apply.

ASSEMBLIES

Students must attend all assigned assemblies unless an MUW course, or pre-arranged absence conflicts. However, mandatory class meetings will take priority as it applies to research, mentorship, or any other on/off-campus meetings unless prior approval is given by an administrator.

ASSESSMENTS

Students entering a Mississippi public school will not be required to pass any end-of-course Subject Area Test in a course for which the school accepts Carnegie units earned by the student in a public school of another state as fulfilling the requirements for a Mississippi high school diploma.

Students entering a Mississippi public school will not be required to pass any end-of-course Subject Area Test in a course for which the school accepts Carnegie units earned by the student in a private school as fulfilling the requirements for a Mississippi high school diploma, provided the private school is accredited regionally or by the state of Mississippi.

Students entering a Mississippi public school will be required to take any end-of-course Subject Area Test in a course for which the school accepts Carnegie units earned by the student in a private school if the private school is not accredited regionally or by the state of Mississippi) or through home schooling as fulfilling the requirements for a Mississippi high school diploma.

Any Mississippi public school student who fails to pass a required Subject Area Test will be offered opportunities according to the policy of the Mississippi Department of Education for retesting, alternative testing, and/or conversion scores as approved by the State Board of Education.

Any Mississippi public school student shall not be awarded Carnegie unit credit unless the core objectives identified in the Mississippi Curriculum Framework have been mastered.

ATTENDANCE

One of the opportunities afforded MSMS students is the chance to learn in an environment populated with outstanding students and teachers. However, to take full advantage of this opportunity, absences from class must be kept to an absolute minimum. Grades and credit may be adversely affected by excessive absences or tardiness, whether excused or unexcused, particularly when participation is a component of performance assessment.

The State of Mississippi, as expressed by the Compulsory School Attendance Statute, has established responsible attendance habits as a priority for all Mississippi students. A compulsory school-age child is defined by Miss. Code Ann. § 37-13-91(2)(f). Parents need to support the school by having their student arrive to school on time.

When a compulsory-school-age student has accumulated five unexcused absences, the school shall report the absences to the appropriate school attendance officer in accordance with Miss. Code Ann. § 37-13-91(6).

In accordance with Miss. Code Ann. § 37-13-91(4), a compulsory-school-age child who has an absence that is more than thirty-seven percent (37%) of the instructional day must be considered absent the entire school day.

An excused absence is an absence from school for all day(s) or for any number of periods of the day under circumstances granted by law or recognized by the School.

A complete list of all excused absences may be found at Miss. Code Ann. § 37-13-91(4). The principal or superintendent must approve pre-arranged absences. The parent/guardian should inform the school in writing at least two days prior to the absence.

Excused vs. Unexcused Absences

Absences from class are either excused or unexcused. Excused absences are given for illness (confirmed by a note from the MUW nurse or doctor), school-sponsored activities, court appearances, and other justified requests that receive prior approval from the Director for Academic Affairs. A list of excused absences is provided in Miss. Code Ann. § 37-13-91*. All non-emergency requests should be made one week in advance, and students are expected to communicate with teachers about the absence after approval is granted for the absence. Requests to go home early before a break, for family vacations and reunions, etc., do not qualify as excused absences. We recognize there can be circumstances where exceptions are appropriate. We welcome conversations with students and parents in this regard.

*This is a brief summation of absences the Mississippi Department of Education deems excused according to Miss. Code Ann. § 37-13-9:

- a. Absences due to authorized school activity. Activities may include field trips, athletic competitions, student conventions, school sanctioned music festivals, and any other similar activity.
- b. Absences due to illness or injury which prevent the student from being physically able to attend school.
- c. Absences resulting from a student being required to isolate ordered by a health care professional.
- d. Absences due to the death or serious illness of an immediate family member (immediate family member defined by MDE as “children, spouse, grandparents, parent, sibling – including stepsiblings).
- e. Absences due to a pre-arranged medical or dental appointment.
- f. Absences due to the students’ required attendance in a court proceeding.
- g. Absences due to religious events essential to ones religion/culture. MDE specifies that approval of absence in this case is within the discretion of the superintendent.
- h. Absences wherein the purpose of the absence is an educational opportunity. MDE specifies that the educational value must be demonstrated to the satisfaction of the superintendent or designee.
- i. Absences due to other “conditions [...] sufficient to warrant the compulsory-school-age child’s nonattendance.” MDE specifies that an excused absence will not be granted to any request with intent to circumvent the spirit of attendance law.
- j. Absences due to attendance of an organized event sponsored by Future Farmers of America (FFA) or the 4-H.
- k. Absences from students serving as a page for the MS House or Senate.

Parents are asked to schedule family activities, recurring medical appointments at home, college visits, etc., during extended weekends and school holidays to reduce the likelihood of missing classes on the last day of classes prior to extended weekends. Transportation is to be arranged so that no classes are missed. The school calendar is placed online during the summer to assist with planning.

The student will have an unexcused absence from academic classes for reasons other than medical and approved activities. The Director for Academic Affairs retains final authority regarding unexcused

absences in academic classes and will assign consequences accordingly. Students who are more than 30 minutes late to an academic class will receive an unexcused absence.

The Office of Academic Affairs has no jurisdiction over classes taken through universities and, therefore, cannot excuse students from those classes.

Unexcused absences will also be given for students who miss mandatory activities and events. In addition, unexcused absences will be given for both academic and non-academic events and activities that students commit to and fail to gain prior permission to miss. If students miss the first 10 minutes of an activity, they will be reported as having an unexcused absence.

Requesting Pre-Arranged Absences

When a student needs to be absent from a class for an excusable reason, a parent must submit a written request to the Director for Academic Affairs and receive confirmation. Examples of pre-arranged absences are medical appointments, court appearances, scholarship interviews, and college visits for seniors. Juniors should only consider college visits during school vacations or extended weekends. Every effort should be made to limit class absences for any reason.

PROCEDURE:

- 1) Parent or guardian must email the Academic Affairs Office (attendance@themsms.org) at least 1 week prior to the anticipated absence.
- 2) Parent or guardian must provide the Academic Affairs Office with the following:
 - a. Reason for the requested absence,
 - b. Date and time student will leave MSMS,
 - c. Date and time student will return to MSMS, and
 - d. Method of transportation.
- 3) Confirmation will be given by the Director for Academic Affairs, or his/her designee, to the parent by email and forwarded to the residence hall staff.
- 4) Within 24 hours of a student's return:
 - a. From a doctor's appointment, the student is required to bring to the Academic Affairs office verification from the doctor's office that the appointment was kept.
 - b. From a college visit, scholarship interview, etc., the student is required to bring to the Academic Affairs office official verification from the institution visited noting the date/time of the visit and signed by a representative of the institution. No more than three consecutive school days can be used for a single college visit. If the student fails to provide verification, then the absence(s) shall revert to unexcused.

The Academic Affairs Office must be contacted and approve all non-emergency absences prior to the absence for the student to be excused. If the student will miss classes or research/mentorship, it is the student's responsibility to get assignments from teachers prior to the absence. Students are expected to make up any work missed during an excused absence. Make-up work shall be at the initiative of the student and at the convenience of the instructor.

Excused Absence from Class for Health Reasons

Students who become ill while on campus:

1. A student who is ill and expects to be granted an excused absence from first and second period classes must inform the residence hall on-duty staff of his/her illness by 8:00 a.m. and go to the Health Center at the earliest available appointment time, unless otherwise instructed by the office worker. In all cases of illness, students must inform the residence hall desk worker at once. If a student wakes up late for a class or meeting and then requests a Health Center appointment, the student will still receive consequences for the tardy/unexcused absence earned. It is imperative that the student should request an appointment through Residence Life prior to being marked Unverified.
 - a. The student will be given a Health Center form by the residence hall desk worker to be returned to the residence hall indicating whether the student should (a) attend class, (b) be excused from class, or (c) be referred to an alternate health care provider.
 - b. A student is not automatically excused from classes just by going to the Health Center by 8:15a.m. There must also be substantiation from the nurse regarding the seriousness of the illness.
 - c. At any time during the remainder of the school day (excluding classes prior to 8:30 a.m.) an excused absence from class will be granted providing the student has gone to the Health Center within one hour of the beginning of the class and has a substantiated illness. Before going to the Health Center, the student must inform the residence hall desk worker and get a Health Center Form.
 - d. Students who are excused for one or more classes due to illness shall not attend any school function, other than tutorials, and are expected to remain in the residence hall room except for meals (this includes Friday nights). In all cases, students excused from class attendance must receive permission to leave the residence hall. Students cannot attend tutorials or any other school function when confined to "bed rest" unless approval is obtained from the Hall Director on Duty.

Any violation of the above shall result in the issuance of Saturday School, residence hall restriction, and/or weekend residence hall restriction with the absence being considered unexcused.

Students who become ill at home:

Parents/guardians are responsible for reporting ill students who will not be returning to campus from a weekend or holiday before the "all students back on campus" deadline. Students who become ill at home are not to return to campus until they are well and can attend classes.

Tardiness and Unexcused Absences

Students are expected to be on time for all classes. Students who arrive after the beginning of class disrupt the learning of others and miss valuable instruction. During the first five days of the fall semester of each school year, students are allowed a period of adjustment to their schedules. After five days, students who are late to class will be sent to the Office of Academic Affairs where they will be issued a tardy. **An exception will be made only for students late for a class in the Shackleford or**

Shattuck buildings. Teachers in those buildings must notify the Office of Academic Affairs once the student has been admitted to the class. Students who are more than 30 minutes late for an academic class will receive an unexcused absence.

Consequences for Unexcused Absence

Beginning with the third day of the academic school year, the consequences for unexcused absence from an academic class will start.

1st Absence	Saturday School (4 hours), Parent Notified (Level II E #17) *
2nd Absence	Weekend Residence Hall Restriction, Parent Notified (Level II E #17)
3rd Absence	In Hall Restriction (3 days), Probation, Parent Notified (Level II E #17)
4th Absence	In Hall Restriction (5 days), Probation, Parent Notified (Level II E #17)
5th Absence	Referral to the Director for Academic Affairs as a Level III which could lead to dismissal from school (Level III G #20)

**Students with 4 tardies will begin at consequences for the 3rd unexcused absence.*

Unexcused absences carry over from the first semester to second semester. **The consequences for absences will not be less than the next consequence for being tardy for class.**

Consequences for Tardiness

Beginning with the sixth day of the fall semester, students who are late will be issued a tardy by the attendance secretary in the Office of Academic.

The consequences for tardiness may be found below as well as in the discipline section of the handbook:

1 st Tardy	Written warning from Director for Academic Affairs and parent notified (Level I E #3)
2 nd Tardy	Two (2) hours extra work service, Parent Notified (Level I E #3)
3 rd Tardy	Saturday School (2 hours), Parent Notified (Level I E #3)
4 th Tardy	Saturday School (4 hours), Parent Notified (Level II E #18)
5 th Tardy	In Hall Restriction (3 days), Probation, Parent Conference (Level II E #18)
6 th Tardy	Referral to the Director for Academic Affairs as a Level III which could lead to dismissal from school (Level III G #20)

Consequences for tardiness start over at the beginning of each semester.

AUDITING A COURSE

Under special circumstances, students are allowed to audit courses. No grades are given for audited courses, and course titles are not recorded on transcripts. Students must make specific course arrangements with individual instructors. The Director for Academic Affairs must approve all requests for audits prior to the student attending the class. The student has until the end of the “add” period to decide whether to add the course for credit. MSMS policies regarding tardiness and attendance apply

to audited courses. Students requesting the course for credit will be given scheduling priority.

CELLULAR PHONES/ELECTRONIC DEVICES

Cellular phones and other electronic devices may not be used for spoken and/or text communication while inside the classroom. These devices may only be used during study hours for academic purposes. Students are advised to inform family members and friends of their class schedule so that phone communication can be scheduled outside of class/study time. In case of emergency during the academic day a parent or guardian should call the Office of Academic Affairs and ask that the student call home immediately. In case of emergency during study hours the parent or guardian should call the students' residence hall and ask that the student call home immediately. Students are requested to respect the rights of others by turning off all electronic devices during assemblies and special performances.

CLASSROOM MISBEHAVIOR/TEACHER AS CLASSROOM AUTHORITY

MSMS holds all students accountable for their behavior while attending class, participating in field trips, attending assemblies, or at any period that the student is otherwise representing MSMS or is under the supervision and is the responsibility of the school. Classroom misbehavior includes, but may not be limited to, disrespect, disruption, failure to complete assignments in a timely manner, or noncompliance/failure to follow directions. When an incident occurs that cannot be immediately solved by the instructor, the student shall be referred to the Director for Academic Affairs or his/her designee.

MSMS recognizes the teacher as the authority in classroom matters and supports that teacher in any decision in compliance with the written discipline code of conduct. Such recognition shall include the right of the teacher to remove from the classroom any student who, in the professional judgment of the teacher, is disrupting the learning environment, to the office of the Director for Academic Affairs or his/her designee.

The Director for Academic Affairs or his/her designee shall determine the proper placement for the student, who may not be returned to the classroom until a conference of some kind has been held with the parent, guardian or custodian during which the disrupting behavior is discussed, and agreements are reached that no further disruption will be tolerated. If the Director for Academic Affairs does not approve of the determination of the teacher to remove the student from the classroom, the student may not be removed from the classroom, and the Director, upon request from the teacher, must provide justification for his or her disapproval.

A student who causes a disruption in the classroom, on school property or vehicle\,s, or at school-related activities may be subject to discipline actions.

School officials, the reporting teacher, and the student's parent or guardian will develop a behavior modification plan for a student who causes a disruption in the classroom, on school property or vehicles, or at school-related activities for a second time during the school year.

COLLEGE TESTING PROGRAM

Students at MSMS participate in both national testing programs, the ACT and SAT, as part of the college admissions process. Many colleges will accept either test, although some will have a specific choice of test. It is important that students and parents research this carefully.

Residual ACT scores for admission to MSMS may not be used for other purposes. It is important for students to understand that Residual ACT scores used for admission to MSMS can only be used for admission at the respective institutions that have administered those Residual ACT tests. MSMS advises all students to take the ACT multiple times on national test dates throughout their tenure at MSMS to maximize their collegiate opportunities.

All juniors will take the PSAT/NMSQT in October as part of the National Merit Scholarship Program. The PSAT is also a preliminary test to the SAT. MSMS will pay the student fees for the PSAT/NMSQT. All juniors, except those who have a composite score of 33 or higher, must take the statewide ACT in the spring.

When testing for college admission, students are encouraged to begin in the spring of the junior year and continue through the fall of the senior year. For those students needing the SAT, either for college admissions or possible continuance in the National Merit program, it is particularly important to begin testing no later than May of the junior year. Students are encouraged to take the ACT and/or the SAT as often as necessary to obtain the highest possible scores on their college entrance examinations. MSMS is an official SAT and ACT test site. Students can register online at www.actstudent.org. Parents are responsible for all testing fees except the PSAT.

COLLEGE VISITS AND OTHER PRE-ARRANGED ABSENCES

MSMS recognizes the value of visiting colleges to assist students in making these very important life decisions. However, these visits should not be viewed as a higher priority than the academics at MSMS. Students' out-of-school activities must be limited to a minimum due to the rigorous academic curriculum at MSMS. Parents and students should plan college visits around extended weekends or school vacations if possible so the student misses class only a limited number of academic days. Many seniors will have the opportunity to attend days designed for accepted students in late spring, but no more than three consecutive school days can be used for a single college visit. Due to these events' proximity to the end of the semester, students will have to receive special permission from the Director of Academic Affairs to miss more than five total days to ensure the students' graduation is not in jeopardy. Juniors should only consider college visits during school vacations or extended weekends. No college visits will be approved during semester exams.

The following procedure must be followed for requesting a pre-approved absence:

1. Parent or guardian must email attendance@themsms.org at least 1 week prior to the anticipated absence.
2. The parent or guardian must provide the Academic Affairs Office with the following:
 - a. Reason for the requested absence,
 - b. Date and time student will leave MSMS,
 - c. Date and time student will return to MSMS, and
 - d. Method of transportation.
3. Confirmation will be given by the Director for Academic Affairs, or his/her designee, to the parent by email and forwarded to the residence hall staff.
4. Within 24 hours of a student's return:
 - a. From a doctor's appointment, it is required that he/she bring to the Academic Affairs office verification from the doctor's office that the appointment was kept.
 - b. From a college visit, scholarship interview, etc. it is required that the student bring to the Academic Affairs office official verification from the institution visited noting the date/time of the visit and signed by a representative of the institution. No more than three consecutive school days can be used for a single college visit. If the student fails to provide verification, then the absence(s) shall revert to unexcused.

The Academic Affairs Office must be contacted and approve all non-emergency absences prior to the absence for the student to be excused. If the student will miss classes or research/mentorship, it is the student's responsibility to get assignments from teachers prior to the absence. Students are expected to make up any work missed during an excused absence. Makeup work shall be at the initiative of the student and at the convenience of the teacher.

VIRTUAL SCHOOL COURSES

We recommend limiting virtual coursework earned while enrolled at MSMS to one (1) Carnegie unit (CU). Furthermore, students who need credit for courses such as Physical Education or Health should make every effort to complete those requirements in the summer before enrolling at MSMS. Students who have approval to be enrolled in a ½-credit virtual course while at MSMS must complete the course in one semester. **Virtual school Carnegie Units will not apply to the 13 Carnegie units required to be earned at MSMS.**

ACADEMIC/COLLEGE COUNSELING

Introduction

The Counseling Center at MSMS, under the direction of the Director for Academic Affairs, provides a variety of services for the entire MSMS community. The staff includes two academic counselors and a person in charge of records and transcripts. MSMS academic counselors are licensed professional school counselors who assist students with their academic, college/career, and interrelated personal/social concerns. They provide individual counseling, small-group counseling, and large-group psychoeducational activities. Located on the first floor of Hooper, adjacent to the main office, the Counseling Center offices are open Monday through Friday, 7:30 a.m. to 5:00 p.m. Students are

encouraged to drop by their counselor's office anytime they need assistance. The counselors are available to both students and staff at other times by appointment or in the event of an emergency. A mental health counselor is also available to students by appointment, or in the event of an emergency. At the student or parent/guardian's request, referrals may also be made to outside mental health professionals.

Formal communication to students from counselors will often be done via e-mail to students' MSMS e-mail accounts. Visits from college admissions representatives, scholarship and summer program opportunities, and college entrance test deadlines are announced electronically. Students who do not check their e-mail at least twice daily may miss important opportunities.

Confidentiality

MSMS academic counselors are licensed professional school counselors and are required to abide by certain laws and ethical codes (e.g., the American School Counselor Association's Ethical Standards for School Counselors). The MSMS counselors take confidentiality very seriously and avoid disclosing student information without the student's or parent/guardian's consent. In general, all information a student shares with MSMS counselors are kept confidential unless there is a concern about the student's safety or the safety of another person. If a student is suspected of being at a high risk for suicide, the counselors must break confidentiality and reveal enough information to parents/guardians or the appropriate authorities to resolve the crisis. If a counselor believes it is necessary to contact a student's parent/guardian, he/she will make every attempt to let the student know first, explain the process, and work to ensure the student's best interests are emphasized.

In short, MSMS counselors will breach confidentiality if they believe that there is clear and imminent danger to the student or others, and if they believe they must act to protect the safety of the student or another person by taking reasonable action or by informing the appropriate authorities. In addition, counselors are required to report to the Mississippi Department of Human Services situations involving current or past child abuse, neglect, or exploitation pursuant to state law.

Other than these exceptions, student communications with the counselors are confidential. Sometimes parents/guardians and school personnel contact MSMS counselors to share concerns they may have about a student. In these cases, the counselors will attempt to respect confidentiality by discussing a student's situation in general terms and minimizing disclosure of any specific information shared by a student in confidence unless the student gives permission to do so.

Objectives and Program

The overall objectives are to assist students in (1) adjusting to the MSMS environment and (2) making the most of the MSMS "opportunity for excellence." Individual counseling sessions, small-group discussions, and large-group programs are utilized to provide services to students, faculty and parents. Specific objectives include:

1. Encouraging and supporting students' efforts to develop themselves holistically, with an appropriate focus on their intellectual, social, physical, and emotional development. This objective is consistent with the Wellness focus emphasized throughout the MSMS community.

2. Assisting students to utilize their abilities effectively, both inside and outside the classroom. Beginning in August and continuing throughout the year, programs such as Wellness are provided to assist students in developing their skills in time management, preparing for and taking tests, reading effectively, and taking notes. Follow-up discussions are held individually which focus on specific concerns as indicated by the student's progress, as well as input from the teacher and parent. Counselors also discuss strategies for good communication, interpersonal skills, goal setting, decision-making, and planning.
3. Assisting students to develop and continuously evaluate an appropriate educational plan that addresses individual strengths and interests and progresses toward long-range educational and career goals. This process begins as soon as students have accepted the invitation to attend MSMS. Counselors provide information in group meetings and work with students individually to develop an educational plan that is appropriate to the student's current level of progress. Each student's educational plan is intellectually challenging, meets graduation requirements, and provides the academic background necessary for college. Activities that students may use to explore career opportunities include seminars, MSMS alumni panel discussions, and extensive interaction with college professors who serve as role models for their professions.
4. Providing access to information needed to make appropriate decisions in the college selection process. Files of information on colleges throughout the nation are available to students, as well as other resources including books and software. College View, an event held each October, brings representatives from colleges and universities throughout the nation, as well as ROTC and military academies. Parents are invited to participate. Institutions that cannot attend College View are urged to visit the MSMS campus throughout the year. Parents are also provided with information by e-mail and during Parents' Day. Students are provided with training opportunities in writing a resume and interviewing skills.
5. Assisting students and their parents in completing the various components of the college selection process, including testing, applications, and financial aid information. Registration forms and information on both the ACT and SAT are available. The counselors provide test preparation materials and make other resources available to students to assist in improving test-taking skills. MSMS is an official SAT and ACT test site. College applications, including teacher and counselor recommendations, are processed in an orderly and timely fashion per student request. Information on the financial aid system and the necessary forms are provided to students and their families. Students are provided with information, resources, and applications in their search for scholarships. **Final responsibility for the completion and mailing of college applications rests with the student.**
6. Maintaining academic records to meet students' future and current needs. After a student is accepted to MSMS, cumulative records are requested from the former high school. These school records, together with the grades earned at MSMS, are used to generate the official MSMS transcript. Students may request that transcripts be sent to all colleges, universities, and scholarship agencies to which the student may apply. Each student's permanent record will be kept indefinitely and will be available as needed.

COURSE LOAD

Students should build time into each day for extracurricular activities and recreation; therefore, course selection must be carefully considered.

Juniors

It is recommended that entering first semester juniors limit their academic credits to 7 ½. The minimum requirement is 7 academic credits for the year. Exceptions to this are assessed on an individual basis and the decision to allow extra courses rests with the Director for Academic Affairs. Students are expected to have no fewer than six academic courses each semester. At times students have mistakenly registered for seven courses instead of seven credits. Counselors will work with students to ensure the correct selection of course credits.

When the second semester begins, the student will be given an opportunity to add additional one-semester courses, contingent upon his/her first semester grades, seat availability and approval of the Director for Academic Affairs (see Schedule Changes). Due to increased time demands, it is recommended that students limit the number of advanced courses taken each year.

Seniors

A minimum of 6 academic credits is required for the senior year. Seniors are advised to consider graduation requirements and their performance as juniors in deciding on the number of courses to select. Pursuit of courses that enhance preparation for a college/university major is suggested.

COURSE OFFERINGS

A course catalog, issued each spring, lists all courses that the school is prepared to offer the following academic year. Since the total enrollment of MSMS is relatively small, it may not be possible or desirable to offer all courses every year. A sufficient number of students must request a course for the course to be offered.

COURSE SYLLABI

The faculty will provide a course syllabus to each student on the first day of class attendance. The syllabus will serve as the basis of expectations between the teacher and the student. Each syllabus will state the course requirements, grading policy, grading scale, exemption policy, attendance policy, dates of major tests, papers and/or assignments, late work policy and any required or optional fees associated with the course. To make parents aware of course expectations, MSMS recommends that students copy each syllabus for their parents or send them electronic copies.

HOMEWORK

Homework is necessary to reinforce the topics covered in class. Students are expected to finish any assigned homework before its due date. To ensure that plans are not unfairly disturbed, homework assigned after 6:00 p.m. will not be due the next day for classes in the normal academic schedule.

DROPOUT PREVENTION PLAN

While attrition will occur with each class that enrolls at state special schools governed by the State Board of Education, students come to the school anticipating success, having completed a significant admissions process. While a residential school is not for everyone, the programming, select faculty, and special residential experiences will support continued involvement and success for all enrolled students. The goal of the school is graduation and pursuit of further learning.

A student who fails to meet standards for attendance, academics and/or behavior will be returned to his/her home school where his/her right to access an appropriate public education lies. Any students with special education needs will be assisted in accordance with their Least Restrictive Environment and federal/state law.

1. College and Career Planning
 - a. On-site print and electronic college and career information, catalogs, and application materials
 - b. Campus visits by recruiters from in-state and out-of-state colleges, universities, and other institutions of higher learning
 - c. Transition to college, financial aid, and other workshops relevant to high school students
 - d. Guest speakers and artists who are professionals working in relevant fields of interest among the students
2. Intervention Programs
 - a. Attendance monitoring
 - b. Grade progress reviews throughout grading periods
 - c. Tutorial and/or study blocks supervised by a staff/faculty member
 - d. Ongoing communication between the faculty, administration, and residential life staff regarding individual needs
3. School, Family, and Community Partnerships
 - a. Student data sharing through school package for student records
 - b. E-mail links between parents, teachers, administration, and students
 - c. Real time access by parents to student attendance, grades, assignments via the Internet through the school package for student records
 - d. Additional support for individual students from community and parent groups
4. Support for Transition back to Home Schools
 - a. Communication with parents and students
 - b. Emotional support throughout the decision-making process
 - c. Prompt transfer of records and data upon request of the new school
 - d. Monitoring to ensure that students enroll in the new school

DUAL CREDIT / DUAL ENROLLMENT

Dual Credit

MSMS offers specific English, mathematics, engineering, computer science, and social science courses on our campus which other universities accept for dual credit. Students and their parents will be notified of additional dual credit agreements via an addendum to the course catalog. MSMS students who are enrolled in approved dual credit courses must (1) meet the early admission standards specified in the dual credit agreement, (2) earn a composite score on the ACT as stated in the course catalog, (3) meet all course prerequisites as specified, and (4) complete the appropriate college admissions paperwork. Students taking dual credit courses will receive a grade on both the MSMS high school transcript and the transcript of the college or university awarding credit. A student who successfully completes a dual credit course will earn both high school and college credit.

Students should expect considerable reading and writing within these classes of highly able and interested learners, as well as in-depth discussion, research and college-level critical analysis.

If a student leaves MSMS, or for any reason drops a dual credit class, it is the responsibility of the student to drop the class from MUW or Mississippi State University, depending on which class is being taken. Failure to do so could result in an "F" on the MUW or MSU transcript.

Dual Enrollment

With approval of the Director for Academic Affairs, students who meet early admission standards at MUW and complete the appropriate admission paperwork are eligible to take classes at MUW for college credit. Juniors are allowed to be dual enrolled at MUW in the spring semester. A student who successfully completes a dual enrollment course will earn college credit only. Students may also enroll at other universities when the desired course is not offered through MUW. Any fees, including purchase of a textbook, are the responsibility of the student and his/her parent or guardian.

By enrolling in more than 29 college credit hours, a student may be considered a sophomore at some universities, thus impacting eligibility for freshman scholarships (Students should see their Academic Counselors for more information.) Dual Credit and Dual Enrollment course grades are included in respective colleges' GPA and will affect scholarships.

EXEMPTION FROM FINAL EXAMINATIONS

The MSMS Academic Calendar, published in this handbook, clearly indicates the dates during which semester exams will be given. A teacher may elect to count a student performance or research project presentation (given during the scheduled exam period) in lieu of a final written examination. The intent to do so will be noted on the course syllabus provided to students at the beginning of the course.

An exam schedule will be published each semester and exams will not be given early except under extenuating circumstances (death in the family, scheduled elective surgery, etc.) with prior approval by the Director for Academic Affairs.

FACULTY OFFICE HOURS

In addition to evening tutorials offered Monday through Thursday, all members of the MSMS faculty will observe posted office hours during which they will be available to provide academic support to students. When seeking additional help, students are reminded to bring necessary materials as instructed by the teacher (textbook, class notes, calculator, etc.) Students and parents who have concerns are expected to first contact teachers directly and, if there is need for additional discussion, to contact the Director for Academic Affairs.

GPA, CLASS RANK AND QUALITY POINTS

CLASS RANK

The MSMS population is highly motivated and selected through a competitive process. Since the majority of students are clustered near the top of the grading scale upon entrance at the end of their tenth-grade year, it would neither benefit students nor clarify the character of the academic program to rank the students.

Academic transcripts are accompanied by student test scores and a current profile of the characteristics of the MSMS student population.

QUALITY POINTS & GPA

Most MSMS courses are at the honors level or higher. Student Life courses, Work Service, and/or Wellness may be required; however, they carry no quality points and are not computed in the GPA.

MSMS reports neither class rank nor GPA. However, for the purpose of scholarships or special program admission, a GPA will be calculated on a 4.0 unweighted scale to include courses taken at the home school and at MSMS for which Carnegie units of credit have been earned. Grades transferred from the home school will be assigned quality points based on the home school grading scale.

GRADE ASSIGNMENTS AND GRADE REPORTS (NINE WEEKS AND SEMESTER)

There are four (4) grade reporting periods for the academic year. **Only semester and final grades are recorded on the MSMS transcript.**

The following grading scale is used at MSMS.

90-100	A
80-89	B
70-79	C
69 and below	No credit
65-69	D (no credit at MSMS; to be used only for students returning to their home schools before graduation*)
Incomplete work	INC

* In March 1992, the State Board of Education passed a transition policy for students returning to their home high school to finish the remainder of their high school education. This policy states that these students with grades of 65- 69 will receive a grade of “D” to be used at their home high schools. A “D” will not be used for MSMS credit. The policy was made effective for the 1991-1992 school year.

Grading policies are determined by the teacher and communicated to students during the first-class meeting. A written explanation of course grading practices will be found in each course syllabus.

Students with Cs and NCs will be considered for academic support contracts and may be required to attend study hours for the remainder of the grading period.

Parents, faculty, and students should be in frequent contact with each other. E-mail addresses of all faculty are available on the MSMS website.

Because it is critical that students can demonstrate synthesis of important skills and concepts, MSMS courses will have end-of-semester assessments. The form of the assessment is left to the discretion of the teacher and will be specified in the course syllabus.

GRADE CHANGES

We encourage students who are dissatisfied with grades to discuss the issue first with the instructor of the course. If not satisfied with the resolution, the student can then appeal to the Director for Academic Affairs. The final step is the appeal to the Executive Director. The decision of the Executive Director is final. No grade changes will be made after midterm of the following quarter. Grade changes cannot be made to graduates’ transcripts after the last working day in June.

Once a final course grade has been filed by the course instructor the grade may not be changed unless one of the following conditions applies:

1. The instructor issuing the grade finds that a clerical error has been made and completes a *Change of Grade* form, stating the reason for the grade change.
2. The grade is changed by the Executive Director after a successful grade challenge.
3. The instructor changes a grade of incomplete (see page 46).

GRADE REPLACEMENT

If a student chooses to repeat a course, it is possible that the grade in the repeated course may replace the previous grade on the transcript and for the purpose of GPA calculation. For this to occur, the student must make the request in writing to the Director for Academic Affairs.

GRADUATION

Students meeting all MSMS graduation requirements are awarded a diploma. Under no circumstances will an MSMS diploma be awarded to a student who has not successfully completed the requirements

particular to MSMS, **including Work Service and Wellness requirements**. Additionally, state law prohibits a student who has not met all graduation requirements from participating in graduation ceremonies.

Students who withdraw from MSMS for any reason, or who are dismissed or expelled, will not receive a diploma from MSMS, even if all state graduation requirements have been met.

MSMS ACADEMIC REQUIREMENTS FOR GRADUATION CLASSES OF 2026 & 2027

At least 13 CUs (Carnegie units) must be earned while enrolled at MSMS. Students must be enrolled in a dual credit or dual enrollment course each semester at MSMS. Previous high school, virtual high school, or college credits earned at another institution will not count toward the 13 required MSMS CUs. Furthermore, without prior consent from the Director for Academic Affairs, all Special Topics courses count as electives.

English – Each student is required to earn **two CUs** by successfully completing approved English classes each semester. Each student must be enrolled in a required English course each semester.

Mathematics – Each student must earn **two CUs** in mathematics, including at least 1/2 CU in Calculus and 1/2 CU in Statistics.

Science – Each student is required to take and earn one CU in biology, one CU in chemistry, **and** one CU in physics for a minimum total of **three CUs**. Please see course descriptions to see sequences that may result in excess CUs.

Swing CU (Mathematics/Science Elective) – In addition to the above Mathematics and Science requirements, each student is required to take and earn an additional ½ CU of mathematics, science, robotics, or computer programming. Students are encouraged to learn basic programming prior to graduation.

Social Sciences - Specific requirements depend on what the student has previously completed.

World Language – Specific requirements depend on what the student has previously completed. Graduates must complete two years of the same World Language.

Health -- Students must have received credit (1/2 Carnegie Unit) for Health by July 15 before their junior year.

Fine Arts – 1 CU if not previously completed at your home school.

Physical Education – ½ CU if not previously completed at your home school.

Technology and Computer Science – 1 CU if not previously completed at your home school.

All students must have earned a Carnegie Unit in Algebra I and Unified Geometry before entering

MSMS. It is strongly recommended that Algebra II be completed also. If a student has completed Algebra I and Algebra II, but does not have a CU for Unified Geometry, the student may be granted provisional admission and must complete a Geometry course through an accredited program, which is approved in advance by the Director for Academic Affairs. **This CU must be earned by July 15 before the beginning of the junior year at MSMS.** A course in Unified Geometry will not be taught at MSMS.

The following courses are required for MSMS graduation. Students meeting any of these requirements before enrolling at MSMS will complete elective courses to earn the required total of 13 CUs at MSMS.

CURRICULUM AREA	CARNEGIE UNITS	REQUIRED COURSES
ENGLISH	4	English I and II (or approved equivalent); four additional English courses as delineated in the English section of this document.
MATHEMATICS	5	Algebra 1 (or equivalent)- 1 credit Geometry (or equivalent)- 1 credit Algebra 2 (or equivalent)- 1 credit Foundations (or equivalent)- ½ credit Trigonometry (or equivalent)- ½ credit Calculus- ½ credit Statistics- ½ credit
SCIENCE	4	Biology I (1 Carnegie Unit) MSMS Biology (1 Carnegie Unit) MSMS Chemistry (1 Carnegie Unit) MSMS Physics (1 Carnegie Unit) <i>Please see course descriptions to view sequences that may result in excess CUs.</i>
SOCIAL SCIENCES	4	U.S. History (1 Carnegie Unit) U.S. Government (1/2 Carnegie Unit) Mississippi Studies (1/2 Carnegie Unit) * World History (1 Carnegie Unit) Economics (1/2 Carnegie Unit) Geography (1/2 Carnegie Unit)
TECHNOLOGY and COMPUTER SCIENCE	1	Exploring Computer Science (1/2 Carnegie Unit) or equivalent or Cyber Foundations 2 in the 8 th grade (1 Carnegie Unit) **
HEALTH	½	Comprehensive Health or Family and Individual Health (by July 15)
PHYSICAL EDUCATION	½	Class of 2026 and 2027****
THE ARTS	1	Examples: Band, Choral Music, Drama, Drawing, Painting, Sculpture***
WORLD LANGUAGE	2	Two units of the same World Language required
College and Career Readiness	1	1 Carnegie Unit will be completed in the junior year.
Swing Credit	½	Either an MSMS Mathematics, Science, Computer Science or Engineering Course
OTHER ELECTIVES	1	Your Choice
TOTAL UNITS REQUIRED	24 ½	

**CU earned for State/Local Government in any other state by an out-of-state student who enters after the sophomore year can stand in lieu of MS Studies.*

*** Evidence of proficiency in Keyboarding & Computer Apps is accepted in lieu of the required courses if the student earns one unit in an approved Business and Technology course*

**** Only one Carnegie Unit in the Arts taken at MSMS may be applied toward the 13 required MSMS Carnegie Units*

*****Students who have received Carnegie Unit in interscholastic athletic activities, band, and ROTC before entering MSMS may have fulfilled the physical education requirement.*

MSMS NON-ACADEMIC REQUIREMENTS FOR GRADUATION

Work Service

A work service grade will be assigned and reported on quarterly grade reports. This grade is not used in calculating GPA; however, it is taken into consideration when assigning privileges and extending the invitation to return. **A student who fails to complete work service for a 9-week grading period will be placed on an Individualized Assistance Plan for the next 9-week grading period.** A student who completes the school year with any make-up hours due must complete his obligation before an invitation to return is extended, or before a diploma is issued.

Wellness

The MSMS Wellness Program requires each student to participate in a minimum number of physical activity hours and minimum attendance in wellness seminars as directed by the coordinator for this program and explained during orientation. More information about Wellness requirements can be found later in the Handbook.

INCOMPLETE WORK

An INC will be given only in extenuating circumstances. If extenuating circumstances cannot be documented the teacher shall assign a grade of zero (0) for incomplete work. An “INC” indicates that the student has been unable to complete the requirements for the course by the end of the grading period due to illness, accident, or other circumstance beyond his/her control. In such situations, a grade of INC shall be assigned, and a final exam shall not be given until all work has been completed. A student with an INC will be expected to meet with his/her teacher and counselor to develop a contract and timeline for completing the unfinished work in an expedient manner.

Guidelines for converting an “INC” to a permanent grade:

- An incomplete assigned at first nine-weeks or third nine-weeks must be designated as complete with a grade within the first four weeks of the next grading period.
- For courses ending first semester, an INC may only be recorded with the approval of the Director for Academic Affairs. The student will be referred to the Academic Review committee if his/her first semester grades include two or more INCs or one or more NCs in addition to the INC.
- For full year courses, an INC will be considered in the same fashion as an NC when referring students for consideration by the Academic Review committee for return to their home school. Students who return for the spring semester shall complete all requirements to have the INC changed to a standard grade by mid- term of the 3rd nine-week grading period.
- For courses ending second semester, any INC earned by a junior must be designated as complete with a grade by the close of day June 15th.
- **Seniors must remove all INCs by the close of day on the last day of finals of spring semester to be eligible to participate in graduation exercises.**

INSTITUTIONAL RESEARCH INVOLVING HUMAN SUBJECTS

MSMS carefully restricts and regulates all research involving human subjects. Any research project which involves the participation of students attending MSMS must first receive approval from the MSMS Research Committee to ensure that research projects meet governmental guidelines and professional standards for research involving human subjects. “Human participant research” is defined as a systematic investigation designed to develop or contribute to generalizable knowledge, which involves the collection of data from or about living human beings. Human participants research must be reviewed if it is conducted by any faculty member, staff person, student, or any individual who is under the auspices of MSMS or a collaborating entity.

Personally identifiable information maintained in educational records may be used as data for studies conducted by third parties without prior parental consent if the third party is an organization conducting studies for, or on behalf of, educational agencies or institutions and the disclosure meets 3 conditions as set out in 20 U.S.C. § 1232g(b)(1)(F):

1. The studies are for the purpose of developing, validating or administering predictive tests, administering student aid programs, or improving instruction.
2. The studies are conducted in such a manner as will not permit the personal identification of students and their parents by anyone other than representatives of the organization performing the studies.
3. The personally identifiable information that is provided is destroyed when it is no longer needed for the conduct of the studies.

The MSMS Research Committee shall be made up of faculty, administrators, and at least one non-institutional member and shall review and approve all human participants’ research. The review shall focus on such issues as risk to participants, voluntary involvement, informed consent, and confidentiality. In addition to its main purpose of protecting the participants of research, the review process also protects MSMS and the investigator. MSMS is not responsible for research that has not been approved. The primary responsibility for protecting human participants rests with each individual who initiates, directs, or engages in research.

The MSMS Research Committee is convened on an “as needed” basis under the direction of the Director for Academic Affairs. No research involving human participants shall be conducted until approved by the Research Committee. A student, faculty, or staff member desiring to conduct research involving human participants must notify the Director for Academic Affairs for an IRB application.

INTERSCHOLASTIC SPORTS

It is the intention of MSMS to provide reasonable opportunities for participation in interscholastic sports, and MSMS may grant academic credit to a student for participation in varsity athletics if the student has not met the physical education credit mandated by the state. Credit for playing the sport will be given at the discretion of the coach, based on participation and attendance. Students desiring to participate in interscholastic sports to meet wellness requirements shall coordinate their efforts through the coordinator for the wellness program. Eligibility requirements are addressed in the Student Activities section of this handbook.

LATE WORK POLICY

A policy governing student submission of late work will be published as part of the syllabus for each course.

MAKE-UP WORK

When an absence is prearranged: Students with excused absences from class are expected to make up any test, homework, class work, projects, or labs missed. Students knowing in advance that they will miss class for an excused purpose are required to get their assignments **in advance and are responsible for missed work on the day of their return**. Students in attendance on days that tests or assignments are announced are expected to submit the work or take the test prior to their absence or immediately (first day) upon return, at the discretion of the teacher.

When an absence is unplanned: It is the student's responsibility to arrange for make-up work on the day of his/her return to class. If the student misses only one class period, he/she has at the discretion of the teacher, up to one week from the day of absence to complete the make-up work assigned during his/her absence. If the student misses two or more consecutive classes for a course, make-up time for work assigned during his/her absence is to be arranged with the teacher. **Students cannot wait until the end of the grading period to complete make-up work.** A grade of zero (0) shall be assigned when a student fails to make up work within the time period allowed.

MULTIPLE TEST FORM

Any student having a) three or more tests scheduled OR b) 2 tests and two scheduled quizzes (pop quizzes do not apply) on the same day may request that one test be rescheduled. The rescheduled date and time shall be at the discretion of the teacher. The procedure is as follows:

1. Approach the teacher whose assessment the student wishes to reschedule.
2. Complete the form by obtaining appropriate signatures for verification of the number of assessments scheduled on the same day.
3. Submit the completed form to the teacher who has agreed to reschedule the assessment.
4. The teacher will keep the form for his/her records.
5. If no teacher is willing to reschedule an assessment, the student should seek assistance from the Director for Academic Affairs.
6. Requests to reschedule assessments must be accomplished at least 24 hours in advance.

Requests to reschedule tests must be accomplished at least 24 hours in advance

PLACEMENT TESTS

Placement in courses with different levels is determined by reviewing ACT sub-scores, transcripts, and results of placement tests administered prior to the beginning of the school year. The student's schedule is constructed based on the professional recommendation made by the department in conjunction with the student's counselor.

POSTERS / SIGNS

No one (other than MSMS faculty/staff) may post signs or posters in the MSMS academic buildings without prior approval from the Director for Academic Affairs. * No one (other than MSMS residential staff) may post signs or posters in the MSMS residential halls without prior approval from the Director for Student Affairs. The respective director will initial any sign/poster that is approved. Any signs/posters that do not have the respective director's approval will be removed.

All signs must be removed immediately after completion of the advertised event. Since specific areas are designated for signs, students should check with administration for assistance in placing signs in academic buildings or with residence hall directors for assistance in placing signs in the residence halls. Staff members have the right to remove or ask students responsible for posting the signs to remove signs that do not adhere to the above guidelines.

*The only exception to this policy is for posters for SGA-sponsored elections including class officer elections. SGA signs may be posted without the Director for Academic Affairs' initials but must meet the following criteria:

- SGA signs may be posted during the duration of the campaign and must be removed by the student after the election.
- SGA signs cannot be insulting to anyone.
- SGA signs may only be displayed on Hooper hallways. They cannot be posted on the glass or painted walls.

They can only be posted on the tiled walls and may not be posted with duct tape.

- Signs cannot be hung on or from the ceilings in the hall.
- The maximum size for signs is 11 inches by 14 inches.
- Students are limited to a total of 10 signs in Hooper. The 10 signs may be hand- or computer-generated and must be stamped by the SGA sponsor before posting.
- The posting of signs in the Residence Halls must be approved by the Hall Director in each Hall.

Any SGA signs that do not meet the above criteria will be removed. Students failing to comply with this policy will be assigned a disciplinary consequence.

PRINTED MATERIAL, DISTRIBUTION OF

Any information advocating a non-MSMS cause must be submitted to the Director for Student Affairs for approval and dissemination. Any use of the MSMS logo must be approved in advance by the Coordinator for Public Relations.

READMISSION AS A SENIOR

Invitations to return as seniors are offered to students who have demonstrated an acceptable standard of academic, residential, campus work service, attendance, and behavioral performance during the junior year. Students seeking to return to MSMS as seniors must file an Intent to Return Form with the Office of Academic Affairs by the deadline noted on the form.

At the end of second semester, the Director for Academic Affairs will convene the Academic/Behavioral Review Committee composed of administrators, counselors, faculty, and staff to review all Intent to Return Forms and to hear recommendations for denial of senior admission based upon a student's performance as a junior.

- All students not referred to the Academic/Behavioral Review Committee will receive an invitation to return by mid-June.
- A student who clearly fails to meet academic and/or behavioral requirements (see Academic Support Contract– Return to Home School) for return as a senior will be notified immediately by the Director for Academic Affairs. The student will not receive an invitation to return.
- A student with borderline grades, attendance concerns, or with a combination of academic and behavioral issues will be reviewed by the Director for Academic Affairs prior to a final decision being made regarding his/her return. The Director for Academic Affairs will complete the review no later than two weeks after the end of the academic year and make a final decision concerning the return of the student. Students and parents will be notified by certified mail within one week of the decision. The Director for Academic Affairs may recommend that: (1) the student be issued an invitation to return with no qualifications, (2) the student not be invited to return or (3) the student be issued an invitation to return on probationary status with an academic support contract to be developed in a meeting with student and parents prior to the beginning of the school year.
- Notification of the decision not to issue an invitation to return will include a description of the appeal process. Students or parents who desire to appeal this decision must, within seven (7) calendar days of receipt of the final decision by either student or parent/guardian, submit a formal written appeal to the Executive Director. The appeal shall include a written statement by the student explaining the reasons for his/her appeal. Upon receipt of the written appeal, the Executive Director will review the student's entire record at MSMS. The Executive Director may request a conference with the student. Within five (5) working days of the receipt of appeal, the Executive Director shall render a decision on the appeal and this decision shall be forwarded to the student and his/her parent(s)/guardian by certified mail. The Executive Director's decision will be final.

RESEARCH & MENTORSHIP

Mentorship, Research, and Special Topics classes **are not open to incoming juniors during the fall semester** but may be available to juniors in the spring semester. Interested students should check with their counselor prior to the semester they'd like to enroll and attend relevant interest meetings.

The research course introduces the student to the methodologies employed in research. Extensive out-of-class work is required for successful completion of this course. It is expected that the research performed by the student will lead to a written paper and an oral presentation. Research opportunities exist in numerous departments at universities in addition to on-site research at MSMS and summer research programs. Students are required to enroll in a minimum of two semesters of research to receive credit.

Mentorship will provide select students with hands-on experience in a chosen area of work. Students will be placed in an actual work environment in a career field that interests them or an area they will

pursue as a college major. Only students who have shown strong commitment to the MSMS ideals of Scholarship, Service, Creativity, and Community and have demonstrated the ability to do exceptional work at MSMS will be placed in mentorship. The student will spend three to four hours per week with a mentor and attend periodic meetings with other students in the program.

One-half of an elective credit can be earned for 70 hours of research or mentorship, and up to 2 credits of both can be earned at MSMS. **However, only the second ½ credit research or mentorship will count toward the 13 MSMS required courses.** Additional guidelines may be found in the Handbook for Mentorship and Handbook for Research published by the Office of Advancement.

SCHEDULE CHANGES

Students sign up for courses primarily based on freedom of choice. **The school hires teachers, plans facilities, and develops the master schedule around these choices.** Therefore, schedule changes will not be considered to enable students to choose teachers or specific periods. All schedule changes are made through the Academic Counselors in the Counseling Center. The procedure for requesting a schedule change will be explained during class orientation. **Students must follow their schedule until notified in writing of the change.**

Dropping a Course

Students will be allowed to drop courses from their schedules during the first four weeks of each semester if they are experiencing academic difficulty or at the recommendation of the course instructor/counselor. Courses dropped by the deadline will not appear on the student transcript. After the deadline has passed a WF (withdrawal failing) may be reflected on the transcript for any course dropped.

Because year-long courses are taught in 2 semesters and students are evaluated at the end of both semesters, failure to pass either the fall or spring semester will be recorded as an “NC” on the student’s grade report. An NC may affect the student’s privilege to return to MSMS and/or to graduate. Students deemed unable or unwilling to accept the commitment necessary to be successful in this special learning environment will return to their home school provided that applicable due process protections are afforded the student.

Students are not allowed to drop courses that result in a class load of less than 6 courses (A minimum of thirteen (13) credits must be earned while enrolled at MSMS). Seniors are advised that dropping a course may affect scholarship status and encouraged to check with prospective college/university admissions offices for more detail.

NOTE: MUW follows a different drop/add calendar which must be followed by MSMS students who enroll in MUW courses.

Adding a Course

On a space-available basis, students wishing to add courses to their schedules have one week at the beginning of each semester to do so. This policy applies to both changing from an advanced class to a

regular class and from changing a regular class to an advanced. Therefore, it is the student's and the teacher's responsibility to make any requests or suggestions for changing a student's schedule due to this type of schedule change during the 1st week of the semester. Going beyond one week puts students at a disadvantage and may jeopardize the work in other classes students are taking.

SCIENCE LABS

The science labs in Hooper will be open only during hours posted by science faculty. A faculty member must be present at all times to monitor student lab activities.

SEMESTER EXAMS

Semester exam dates are published prior to the beginning of the academic year. These days are included in the MSMS academic calendar to meet the required number of days for student attendance; consequently, students are expected to take exams as scheduled and to be in attendance until all exams are completed. Students must check out of the residence halls no later than 24 hours after their last exam. Parents are expected to schedule family celebrations, travel, etc. so as not to overlap with semester exams.

SPECIAL TOPICS ELECTIVES

Special Topics electives in the various academic disciplines are offered on a limited basis to students who have a strong academic background and an interest in intensive supervised study beyond scheduled course offerings. Any course that is available in the Master Schedule of classes cannot be taken as a special topics elective at MSMS. Special problems are taken for credit over and beyond the 13 units required for MSMS graduation. Only in special circumstances will other options be considered. A student interested in special topics must submit a Request for Special Topics form, which is available from his/her counselor. A study plan must be submitted during the official "add" period of the semester in which the special study is desired. This plan must be agreed upon by the teacher, student, counselor, and the Director of Academic Affairs, and approved prior to the start of the study.

SPECIAL STUDY OPTIONS

Academic Support Contracts

The Mississippi School for Mathematics and Science offers a program entitled Academic Support Contract (ASC) to provide MSMS students who are on academic watch or academic support additional assistance with their coursework, as well as opportunities to enhance their learning.

The ASC exists to provide additional one-on-one opportunities for students to discuss content areas with their teachers and opportunities to have individual assistance.

ASC Assignment:

- Any student who fails to meet academic standards at the end of a grading period will be assigned to ASC and remain in ASC until the end of the next grading period or until the student brings grades to an acceptable level as documented by their teachers.
- A student should report to his/her teacher until the student has been notified of his/her name being removed from ASC.

SATURDAY SCHOOL

Rules and Procedures

A Saturday School program is utilized at MSMS from 8:00 a.m. – 12:00 noon on Saturday. Students may be assigned to the program for academic remediation, make-up attendance, failure to complete class assignments, and other violations as deemed appropriate by the administration.

Faculty members, hall directors, and administrators may assign students to Saturday School for a period of one (1) to four (4) hours. The first hour of assignment is from 8:00 – 9:00, the second hour from 9:00 – 10:00, etc.

A Saturday School form must be completed and turned into the Office of Student Affairs by Thursday for attendance at the Saturday School of that week. Saturday School forms turned in on Friday are carried over into the next week unless special circumstances warrant otherwise. A monitor operates the Saturday School program. The monitor ensures that students are working on assigned tasks. Students are not allowed to eat, drink, sleep, use headphones, use computers for non-academic purposes, or to sit unoccupied while at Saturday School. Tardiness to Saturday School will result in one additional hour of Saturday School for each 15 minutes late, limited to double the amount of time to be served.

Failure to report to Saturday School results in the amount of Saturday School time being doubled and the student's being placed on weekend residence hall restriction. The student will serve the hall restriction on weekends when Saturday School is in session until all Saturday School time is served.

Saturday School may be postponed only by the Director for Academic Affairs or the Director for Student Affairs. Requests for postponement must be made at least 24 hours in advance except in the case of significant illness, which must be confirmed by the residence hall director.

All Saturday School time will be served in the semester in which it is earned. Excess time at the end of either semester may be served through other consequences that will be determined by the MSMS administration.

SUMMER SCHOOL

At the discretion of the Director for Academic Affairs, MSMS may accept summer school credit for certain pre-approved courses taken at a community college or university. **CREDIT WILL NOT BE ACCEPTED FROM ANOTHER HIGH SCHOOL.** Summer courses taken before official enrollment in the fall at MSMS will become a part of the student's home school transcript.

Summer courses for remedial credit:

- Any student who has failed a course at MSMS must obtain written approval from the Director for Academic Affairs for any plans to make up credit for the failed course by attending summer school. This approval must be received before summer school begins. The student must provide course descriptions from the catalog of the institution he/she wants to attend and course syllabi. The administration of MSMS, with input from the appropriate department, will make all decisions regarding which specific course(s) and the length of the course(s) (one or two semesters) to be taken for MSMS credit. After completing the course and before fall classes begin at MSMS, the student will also be expected to pass the MSMS final examination in the course(s) for which credit is being sought unless the MSMS department faculty deems the course to be rigorous enough.
- No permission will be given to receive MSMS credit for a summer course to be used as a substitute for an MSMS course unless the student has attempted the MSMS course and received a failing grade.

Summer courses for placement (no credit awarded):

- Students who have completed the junior year and want to attend summer school to meet prerequisite requirements for a more advanced course in the MSMS curriculum will need approval of the counselor, the academic department involved, and the Director for Academic Affairs. This approval should be gained well before leaving the campus at the end of the junior year. The student must provide course descriptions from the catalog of the institution he/she wants to attend and course syllabi. After completing the course and before fall classes begin at MSMS, the student will also be expected to pass the MSMS final examination in the course taken in summer school before that course may serve as a prerequisite for a more advanced MSMS course.

TEXTBOOKS

All textbooks are the property of MSMS and are provided without cost for student use while enrolled at the school. It is imperative that students exercise care in using textbooks. Books lost or damaged must be paid for by the student responsible.

If a textbook is lost, the following scale shall be used in calculating the amount owed to MSMS for the lost book.

<u>Age of textbook</u>	<u>Amount Collected</u>
New through one year old	Full replacement cost
Two years old	80% of replacement cost
Three years old	70% of replacement cost
More than three years old	50% of replacement cost

For damaged textbooks, teachers will examine the textbooks as they are turned in and assess fines for damage in multiples of 25 cents. For damaged textbooks, a charge for abuse of the book will be assessed, taking into fair consideration normal wear and tear. Textbook prices may be obtained from the office.

The final exam shall not be administered until a student satisfies all obligations for textbook return.

TRANSCRIPTS

Each student will be required to meet with his/her counselor annually to verify the accuracy of his/her transcript. To request a transcript, students must complete a request in Parchment. A minimum of 2 weeks (10 school days) is required. Students will be charged a nominal fee for transcript requests. Transcripts sent to colleges or other organizations to which students apply are accompanied by the students' test scores and an MSMS Profile, which explains the specialized nature of the school and the courses listed on the transcript.

TUTORIALS AND STUDY HOURS

Students are provided opportunities to enhance their learning by participating in tutorial sessions with faculty members. Teachers will observe 10 office hours per week during non-teaching periods from 8:00 a.m. – 4:00 p.m. each day to provide both assistance and enrichment experiences, depending on individual student needs.

In addition to assistance provided during the traditional teaching day, all faculty members will be available for two additional hours from Monday through Thursday each week for tutorials. Participation in these tutorials is generally voluntary; however, at any time during the semester, upon the recommendation of an instructor or as a term of a probationary agreement, a student may be required to attend tutorials for classes he/she is experiencing difficulty with.

During study hours from 7:00 p.m. – 9:00 p.m., Sunday through Thursday, students must be studying either in their residence hall rooms or designated areas. Those designated areas are the Library, Hooper Academic building, Shackelford, and Shattuck. Students must sign in and out of these areas. When they sign out, they must immediately return to their residence hall.

VIRTUAL LEARNING

Rules and Zoom Etiquette

If MSMS temporarily pivots to virtual learning, students should find a comfortable place to work; however, students shall not use their beds as a workspace. If students' bedrooms are the best place for them to find a quiet place, they must use part of the room that does not allow them to be in bed.

Students should not wear pajamas to class. It is evident to teachers when a student simply sets up their workspace to work in class on the bed. Teachers wear appropriate clothing to class, and the students shall too.

Teachers will let the students know when classes are over. Students being logged in for classes online does not mean that they are attending class; students shall be actively engaged while logged in.

When breakout rooms are part of the instruction, students are expected to stay in the breakout rooms when they are assigned. Students shall not leave the class when breakout rooms begin.

As with in-person classes, students are allowed to eat snacks during class unless explicitly forbidden by

the teacher. Students should wait to eat full meals during lunch, however.

VISITORS

All visitors must show ID and sign-in in the Residence Hall or Academic Office to receive a visitor's badge. The Visitor's Badge must be worn visibly at all times while the visitor is on campus.

SCHOLARSHIP

CREATIVITY

COMMUNITY

SERVICE

TECHNOLOGY

OVERVIEW

The MSMS Network policy is designed to provide an environment consistent with the MSMS mission statement, Mississippi State Department of Education requirements, and federal/state laws.

MSMS Network refers to devices attached by any form of physical or electronic communication (including wireless devices) to the entire computer network system at the Mississippi School for Mathematics and Science. MSMS Network includes but is not limited to the Local Area (campus) Network, all MSMS Network file servers and access to the Internet. Access to the Internet is provided through the Mississippi Department of Education. MSMS provides filtering services for all attached networks.

MSMS Network facilities and network connections are for the purpose of providing educational computing support to the students, faculty, and staff. Under the federal statutes and the sections of the Mississippi Code, which govern the use of these resources, all MSMS Network users are required to use the MSMS Network resources properly and for the purpose designated by the legislature. All existing federal and state laws as well as MSMS regulations and policies apply, including not only those laws and regulations that are specific to computers, networks, and websites, but also those that may apply generally to personal conduct. MSMS is compliant with the Children's Internet Protection Act (CIPA) and the Children's Online Privacy Protection Act (COPPA).

Technology changes rapidly, as do the ways users can use and perhaps abuse the school's computer system. Just because the MSMS Acceptable Use Policy does not expressly prohibit a particular activity does not mean that it is permissible for the user to engage in it. If students are unsure whether an activity is allowed or not, contact the Office for Operations.

ENFORCEMENT

The school will investigate alleged abuse of computer resources. As part of that investigation, the school may access the electronic files of its users. If the investigation indicates that computer privileges have been violated, the Technology Department may limit the access of users found to have used computer systems improperly. Any violation of MSMS Network computer policy may result in a loss of some or all computer privileges and/or disciplinary action.

MONITORING

The school has an obligation to ensure that its computer resources are used properly and within the guidelines established by the school. In pursuit of that goal, the school reserves the right to monitor the system for signs of illegal or unauthorized activity.

UNAUTHORIZED ACCESS TO FILES AND DIRECTORIES

- Users must not engage in any activity that is intended to circumvent computer security controls. Attempts to crack passwords, to discover unprotected files, or to decode encrypted files;

creating, modifying, or executing programs designed to surreptitiously penetrate computer systems is a violation of state and/or federal laws. (Level III)

- Users must not access the accounts of others with the intent to read, browse, modify, copy or delete files and directories. (Level III)
- The use of any tool to monitor or “sniff” network traffic is strictly prohibited. Any attempt to gain unauthorized access to data will result in disciplinary action, up to dismissal. Also, any violation of federal or state laws will be reported to the proper authorities. (Level III)
-

USE FOR-PROFIT ACTIVITIES

The school’s computer system is for the sole use of the school. Students are prohibited from using the school’s computer system for personal financial gain. (Level II)

SUMMARY OF COMMON TECHNOLOGY OFFENSES

LEVEL I	
	Eating and/or drinking at any school laptop or computer workstation
	E-mail-failure to use to communicate with faculty, staff and administration
	Waste or abuse of school’s computer system
LEVEL II	
	Abuse – any activity around a workstation that may result in damage to the hardware, software, or data
	Electronic communication, to faculty/staff personal e-mail accounts or cell phones
	E-mail-transmitting fraudulent, harassing or obscene messages and files
	E-mail-using someone else’s account
	E-mail-transmitting or forwarding chain letters, mass mail for other than permitted reasons or SPAMMING of mail systems of individual users
	Hardware - relocating MSMS computer hardware, peripherals or cables without authorization
	Hardware - any attempt to service MSMS hardware without authorization
	Network – allowing someone else to use account
	Network – failure to log out of account when leaving
	Network – use of school computer system for personal financial gain
	Password-sharing/failure to keep confidential
	Personal information - Posting information that would allow someone to locate you
	Printers - Waste/abuse of network printers

LEVEL III	
	Content–use of computers & networks to access, download, upload, create, reproduce, and/or distribute files containing vulgar language and/or obscene materials
	Copyright violation
	Crashing system, deliberate
	Harassment, electronic

	Network – an attempt to gain unauthorized access to computer hardware, software, or network traffic. This includes any form of hacking, packet sniffing, or network monitoring tool. In addition to disciplinary action, any form of illegal activity will be reported to the proper authorities
	Software – downloading, possessing, or using software designed to destroy data, provide unauthorized access to the computer system, or disrupt the computing processes in any way, use of viruses, worms, Trojan horses or any other invasive software
	System performance-deliberate attempt to degrade or subvert
	Unauthorized access – an intent to circumvent computer security controls
	Unauthorized access – accessing accounts of others with intent to read, browse, modify, copy or delete files and directories
	Websites – housing unapproved websites on school’s computer system
	Using another student’s or parent’s school email account to commit fraud, circumvent MSMS rules, send emails that harass or cause harm to others.

Due to the changing nature of technology available it is impossible to list all technology offenses. All questions regarding technology use and violations should be addressed to the Director of Operations who has the authority to classify miscellaneous offenses as Level I, II, or III and to assign consequences accordingly.

Mississippi School for Mathematics and Science Acceptable Use Policy

Introduction - The Mississippi School for Mathematics and Science provides its users with access to the Internet. The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges.

The Acceptable Use Policy outlines the guidelines and behaviors that users are expected to follow when using school technologies or when using personally owned devices on the MSMS network.

- The MSMS network is intended for educational purposes only.
- All users (including Faculty and Staff) are required to sign the Mississippi School for Mathematics and Science Acceptable Use Policy Agreement indicating their understanding and acceptance of the guidelines. Parents have the right to refuse the use of the internet but must submit the signature page to the child’s school. Use of the Internet and network resources must be in support of education and research and consistent with educational objectives of MSMS.
- MSMS utilizes filtering software and firewall to monitor and secure the network.
- Use of the Internet and network resources may be suspended at any time for technical reasons, Policy violations, or other concerns.

CIPA

In December 2000, Congress enacted the Children's Internet Protection Act (CIPA). For any school or library that receives discounts for Internet access or for internal connections, CIPA imposes certain requirements. The CIPA requires that schools restrict employee and student access to the Internet. Under the CIPA, covered schools must have an Internet safety program, which filters both adult and student access to visual depictions that are obscene or constitute child pornography. The program must also prevent students from accessing materials that are harmful to minors. MSMS receives these discounts for Internet Access through the E-Rate program and is therefore in compliance with the CIPA.

COPPA

The Children's Online Privacy Protection Act (COPPA), effective April 21, 2000, applies to online collection of personal information from children under the age of 13, such as full name, home address, email address, telephone number or any other information that would allow someone to identify or contact the child. The Final Rule issued by the Federal Trade Commission spells out what a website operator must include in a privacy policy, when and how to seek verifiable consent from a parent and what responsibilities an operator has to protect children's privacy and safety online.

Internet Use - Internet access will be restricted in compliance with CIPA regulations and school policies.

- Users are responsible for their explorations of the Internet and subject to the consequences of the building discipline policy.
- Web browsing will be monitored, and web activity records may be retained.
- Users are expected to respect web filtering as a safety precaution and should not try to circumvent it when browsing the Web.

Email - The Mississippi School for Mathematics and Science provides users with email accounts for the purpose of school related communication. Availability and use may be restricted based on school policies.

- Users should not attempt to open files or follow links from unknown or untrusted origin; should use appropriate language; and should only communicate with other people as allowed by the district policy or the teacher.
- Users are expected to communicate with appropriate and courteous conduct while online.
- Email usage can be monitored and archived. Administration has the right to investigate by accessing email when needed.

Social/Website Content - Recognizing the benefits collaboration brings to education, The Mississippi School for Mathematics and Science may provide users with access to web sites or tools that allow communication, collaboration, sharing, and messaging among users.

- Users are expected to communicate with appropriate and courteous conduct while online.
- Posts, chats, sharing, and messaging may be monitored and used for discipline. Users should be careful not to share personally identifying information online.

Mobile Devices Policy - The Mississippi School for Mathematics and Science may provide users with mobile computers or other devices to promote learning outside of the classroom.

- Users should abide by the Technology and Instructional Device Use Policy when using school devices off the school network as on the school network.
- Users are expected to treat these devices with extreme care and caution.
- Users should report any loss, damage, or malfunction to IT staff immediately.
- Users will be financially accountable for any damage resulting from negligence or misuse.

Security - Users are expected to take reasonable safeguards against the transmission of security threats over the school network.

- Users are prohibited from opening or distributing infected files or programs and to not open files or programs of unknown or untrusted origin.
- If you believe a computer or mobile device you are using might be infected with a virus, please alert IT immediately.
- Do not attempt to remove the virus yourself or download any programs to help remove the virus.

Plagiarism- Internet and network resources may not be used to infringe on copyrighted materials. Users should not plagiarize content, including words or images, from the Internet.

- Users should not take credit for things they didn't create themselves or misrepresent themselves as an author or creator of something found online.
- Research conducted via the Internet should be appropriately cited, giving credit to the original author.

Personal Safety - If you receive a message, comment, image, or anything else online that makes you concerned for your personal safety, bring it to the attention of an adult immediately.

- Users should never share personal information, including phone number, address, social security number, birthday, or financial information.
- Users should recognize that communicating over the Internet brings anonymity and associated risks and should carefully safeguard the personal information of themselves and others.
- Users should never agree to meet someone they meet online in real life without parental permission.

Vandalism - Vandalism is defined as any malicious attempt to harm or destroy data of other users or other networks connected with MSMS. Vandalism will result in cancellation of privileges and disciplinary action. This includes the uploading or creation of computer viruses.

Examples of Acceptable Use

- Using school technologies for school-related activities.
- Following the same guidelines for respectful, responsible behavior online that I am expected to follow offline.
- Treating school resources carefully and alerting staff when a problem exists with its operation.
- Encouraging positive, constructive discussion while using collaborative technologies.
- Alerting a teacher or other staff member if aware of threatening, inappropriate, or harmful content (images, messages, posts, etc.) online.

- Using school technologies at appropriate times, in approved places, for educational pursuits.
- Citing sources when using online sites and resources for research.
- Recognizing that use of school technologies is a privilege and treat it as such.
- Helping to protect the security of school resources.

This is not intended to be an exhaustive list. Users should use their own good judgment when using school technologies.

Examples of Unacceptable Use

- Using school technologies in a way that could be personally or physically harmful.
- Attempting to find inappropriate images or content.
- Engaging in cyberbullying, harassment, or disrespectful conduct toward others.
- Finding ways to circumvent the school's safety measures and filtering tools.
- Using school technologies to send spam or chain mail.
- Plagiarizing content.
- Posting personally identifying information, about myself or others.
- Agreeing to meet someone I meet online in real life.
- Using language online that would be unacceptable in the classroom.
- Using school technologies for illegal activities or to pursue information on such activities.
- Attempting to hack or access sites, servers, or content that isn't intended for my use.

This is not intended to be an exhaustive list. Users should use their own good judgment when using school technologies.

The Mississippi School for Mathematics and Science Technology and Instructional Device Use Policy

Terms

All student users of The Mississippi School for Mathematics and Science provided laptops, tablets, or other personal computing devices shall comply with The Mississippi School for Mathematics and Science policies. Any failure to comply may result in termination of student user rights of possession effective immediately, and The Mississippi School for Mathematics and Science may repossess the device.

Legal Terms

The Mississippi School for Mathematics and Science and the State of Mississippi retain legal title to the property. The student user's right of possession and use is limited to and conditioned upon full and complete compliance with this agreement, The Mississippi School for Mathematics and Science Technology policies, and all The Mississippi School for Mathematics and Science Acceptable Use policies and procedures found in The Mississippi School for Mathematics and Science Student Handbook.

Rules for Electronic Devices

- Electronic devices loaned to students shall be used only for educational purposes that directly relate to a school project or assignment unless otherwise explicitly authorized by building administration.
- Student users are responsible for the proper care of electronic devices at all times, whether on or off school property.
 - a) Student users shall not leave the device unattended in an unlocked classroom or during an extracurricular activity.
 - b) Student users shall not lend the device to a classmate, friend, or family member. If any person damages the device, it will be the student user's (parent/guardian in the case of a student) responsibility and the damage cost policy will be in effect.
 - c) Student users shall transport the device in its protective case and sleeve.
 - d) Student users shall not leave the device in a vehicle for extended periods of time or overnight.
 - e) Student users shall not leave the device in visible sight when left in a vehicle.
- Student users shall report a lost or damaged device to the school authorities immediately. If a device is stolen, a report shall be made immediately to local law enforcement.
 - a) If a device is damaged, lost, or stolen because of irresponsible behavior, including intentional or negligent damage or loss, the student user or the parent/guardian may be responsible for the full replacement cost. The student user or the parent/guardian will be responsible for full replacement cost of the device if not reported to The Mississippi School for Mathematics and Science personnel within three (3) calendar days of missing or damaged device
- Student users shall report a lost or damaged device to the school authorities immediately. If a device is stolen, a report shall be made immediately to local law enforcement.
- Violation of policies or rules governing the use of electronic devices, or any careless use of the device may result in a student's device being confiscated and/or a student only being allowed to use the device under the direct supervision of school staff. The student shall also be subject to disciplinary action for any violation of Board policies/procedures or school rules.
- The student user is responsible for recharging the device's battery, so it is fully charged by the start of the next school day. Devices with no battery life shall be charged in the classroom. The student may be required to forfeit use of the device for the entire time it takes to charge it. All class work missed because of uncharged batteries shall be made up on a student's own time.
- The device configuration shall not be altered in any way by student users. No software applications shall be installed, removed, or altered on the device unless permission is explicitly given, in writing, by the teacher or building administrator. Any attempt to "jailbreak" and/or remove The Mississippi School for Mathematics and Science protection software may result in disciplinary action.
- The device shall only be used by the student to whom it is issued. The person to whom the device is issued will be responsible for any activity or action performed on the device.
- The device shall be returned in acceptable working order by the last day of each school year, upon withdrawal or exit date from The Mississippi School for Mathematics and Science, and whenever requested by school staff.

- Failure to return the device by the last day of each school year, upon withdrawal or exit date from The Mississippi School for Mathematics and Science or whenever requested by school staff shall result in a full cost of replacement charge to the student user or parent/legal guardian responsible for this agreement.

Use of Personal Devices

Students may use their personal laptops or tablets in place of a school device. However, while on the Mississippi School for Mathematics and Science campus, students shall connect to the school's provided wireless network and not a personal hotspot not provided by the school. Students bringing a personal device to campus, or using the device for remote learning, will be responsible for support and maintenance of the device.

Repossession

If the student user fails to fully comply with all terms of this Agreement and The Mississippi School for Mathematics and Science Technology policies, including the timely return of the property, The Mississippi School for Mathematics and Science shall be entitled to declare the student user in default and take appropriate legal action to secure the safe return of the device or incur full replacement.

Terms of Agreement

The student user's right to use and possession of the property terminates no later than the last day of enrollment, unless earlier terminated by The Mississippi School for Mathematics and Science or upon withdrawal from The Mississippi School for Mathematics and Science.

Support

Students shall contact their teachers as a first level of support for class-related work. If a student needs assistance regarding device software and hardware, they will need to send a ticket to the HelpDesk.

Student users shall not take devices belonging to The Mississippi School for Mathematics and Science to any other businesses for technical support or repair.

Fees

First damage occurrence: Cost of repair...

Second damage occurrence: Cost of repair or potential full replacement cost, if required, and loss of take-home privileges.

Student User Data

All student users are responsible for keeping backups of important data. If a device must be repaired, there may be a need to reset it to the original settings. The technology department will not be responsible for any student user data that might be lost as a part of this process.

Unlawful Appropriation

Failure to return the property in a timely manner and use of any school device for non-school purposes, without The Mississippi School for Mathematics and Science written consent, may be considered unlawful appropriation of The Mississippi School for Mathematics and Science property.

Parent/Guardian Name(s) _____

Parent/Guardian Signature _____

I have reviewed The Mississippi School for Mathematics and Science Technology policies and understand the rules and guidelines for the following:

_____ (initial) Acceptable Use Policy in the 2026-2027 The Mississippi School for Mathematics and Science Student Handbook. This includes policies related to account use, network monitoring and adherence to the Children's Internet Protection Act.

_____ (initial) Damages – I am subject to a \$75 charge for the first report of damage. I am subject to the full replacement cost of subsequent damage / first loss / first theft.

The Mississippi School for Mathematics and Science Internet Safety Policy

Introduction - It is the policy of **The Mississippi School for Mathematics and Science** to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act

Definitions - Key terms are as defined in the Children's Internet Protection Act.

Access to Inappropriate Material - To the extent practical, technology protection measures (or "Internet filters") shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information.

Specifically, as required by the Children's Internet Protection Act, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors.

Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

Inappropriate Network Usage - To the extent practical, steps shall be taken to promote the safety and security of users of **The Mississippi School for Mathematics and Science** online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications.

Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called 'hacking,' and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Education, Supervision and Monitoring - It shall be the responsibility of all members of the MSMS staff to educate, supervise and monitor appropriate usage of the online computer network and access to the Internet in accordance with this policy, the Children's Internet Protection Act, the Neighborhood Children's Internet Protection Act, and the Protecting Children in the 21st Century Act.

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of The Technology Director or designated representatives. The Mississippi School for Mathematics and Science or designated representatives such as Certified Faculty will provide age-appropriate training for students who use the District's Internet facilities. The training provided will be designed to promote The Mississippi School for Mathematics and Science commitment to: The standards and acceptable use of Internet services as set forth in The Mississippi School for Mathematics and Science Internet Safety Policy.

Student safety about:

- Internet usage.
- Appropriate behavior online, social networking Web sites, chat rooms, and cyberbullying awareness and response.
- Compliance with the E-rate requirements of the Children’s Internet Protection Act (“CIPA”).

Following receipt of this training, the student will acknowledge that he/she received the training, understands it, and will follow the provisions of MSMS acceptable use policies.

MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

STUDENT ACCEPTABLE USE POLICY AGREEMENT & INTERNET SAFETY POLICY AGREEMENT

Limitation of Liability

The Mississippi School for Mathematics and Science will not be responsible for damage or harm to persons, files, data, or hardware. While The Mississippi School for Mathematics and Science employs filtering and other safety and security mechanisms, and attempts to ensure their proper function, it makes no guarantees as to their effectiveness. The Mississippi School for Mathematics and Science will not be responsible, financially, or otherwise, for unauthorized transactions conducted over the school network.

Violations of this Acceptable Use Policy

Violations of this policy will have disciplinary repercussions, including:

- Suspension of network, technology, or computer privileges.
- Notification to parents.
- Detention or suspension from school and school-related activities.
- Legal action and/or prosecution.

Personal Devices

You may use personal devices on the school network. It is the responsibility of the student to follow all procedures and policies even on their personal device if being utilized on the school network.

I have read and understood this Acceptable Use Policy and agree to abide by it:

**STUDENT
AFFAIRS**

PART A: RESIDENCE LIFE

PHILOSOPHY OF RESIDENTIAL LIFE

The residential life experience is an integral part of the total living/learning environment of the school. The MSMS program reflects a comprehensive approach by giving credence to the academic and non-academic pursuits of each student. The goals of the school reflect the general purpose of the residential life program. These goals are intended to assist in the growth and development of each student within a structured, guided, and supported environment. Expressions of individuality are recognized and encouraged while students pursue self-management and decision-making skills.

A residential school is a community. Contributions made by those who reside and work in such a setting will ultimately benefit everyone through the creation of a climate which promotes purposeful living and learning. The MSMS community promotes the joy of discovery and the stretching of one's limits. The living environment of MSMS is based upon the following principles:

RL.1. Honor and Truth

Students will be honest with themselves, as well as with faculty and staff.

RL.2. Responsibility and Accountability

Students will understand that privileges and responsibility accompany accountability for actions.

RL.3. Motivation and Commitment

Students will have unique opportunities for academic, social, and personal development. Self-discipline, self-motivation, and continuing personal commitment are cornerstones for continued success.

RL.4. The MSMS Opportunity

Recognizing that attending MSMS is a privilege extended by the citizens of Mississippi, students will take the opportunity seriously and focus on succeeding in the Residence Life Program. Students deemed unable, or unwilling, to accept the commitment necessary to be successful will return to their home schools.

RL.5. Respect and Civility

Everyone at MSMS will be treated with courtesy and respect.

RL.6. Safety and Security

Students will take responsibility in acting in a manner that promotes their own personal safety, the safety of others, and personal as well as school property.

RL.7. Health and Hygiene

Students will exhibit behaviors that promote personal and community cleanliness.

RL.8. Community

Students will exhibit behaviors that show concern for their community members and community environment.

RESIDENCE HALL LIVING

Only students enrolled at MSMS live in a residence hall. Living in a residence hall is an exciting opportunity that requires self-discipline, compatibility with other students from different backgrounds, and a high degree of responsibility. Students selected for enrollment at MSMS must demonstrate these characteristics and should be able to adapt to living in a residence hall with minimal adjustment. The hall staff is available to assist students during their transition from living at home to living in a large group. They help each student adjust to the residential environment and offer support and guidance as needed to enhance the chances that each student will have a successful experience. An important part of the adjustment is an understanding by students of the hall rules and standards of conduct that are designed to provide the requisite degree of civility, stability, and security. An orderly, clean, comfortable living area supports and enhances the learning atmosphere and benefits everyone.

Because learning and study styles differ among students, it is essential that mutual respect be the driving force in a community. Each student is urged to channel their behavior toward creating an orderly, responsible atmosphere. More self-monitoring by students themselves creates a positive relationship with peers and with residential staff.

Students are involved in the decisions affecting the operation of the halls, the standards of conduct, the development of fun and community service activities, and other quality of life issues.

STAFF AND ADMINISTRATION

The Director for Student Affairs oversees the area of residence life, student activities, health services, school safety, transportation, and food services. The two residence halls (one for females and one for males) are staffed with full-time, live-in professionals including one hall director, three to four assistant hall directors, and one receptionist. In addition to the full-time professionals, each residence hall has six resident assistants. Student Affairs also houses the Coordinator for Student Activities, Administrative Assistant, and the Athletic Director. Each is committed to the single purpose of guiding and supporting the students of the school.

COUNSELING SERVICES

The primary purpose of the clinically oriented counseling offered by MSMS is to help with adjustment issues frequently encountered by students leaving home for the first time and adapting to a residential school environment with rigorous academic demands. It is intended to be of short-term duration.

Our model for counseling referrals is based on requests by academic counselors, residential life staff, faculty, parents, or students and under most circumstances will be limited to three to four visits. MSMS contracts with a Mental Health Professional to provide mental health counseling, screening, and prevention services. Appointments may be scheduled through the Office of Academic Affairs. If continued counseling is recommended, and contingent upon the agreement of the parent, guardian,

and student, the parent or guardian may make arrangements for continued visits off campus with the person of their choice on a fee-for-service basis.

If, during counseling, the therapist feels that a referral for a medication evaluation is needed (to assist with the treatment of depression or anxiety, for example), that will be discussed between the counselor and the student's parent or guardian. This will only be recommended if symptoms are sufficiently debilitating to interfere with the student's ability to function.

ACCOMMODATIONS/RESIDENCE HALL FACILITIES

Student Bedroom (all rooms are double occupancy; suite arrangement - two rooms with shared bath between them; total suite occupancy: 4 students)

- | | |
|------------|--|
| Size: | 16'10" x 9'8" |
| Lighting: | Fluorescent wall fixtures |
| Closet: | Two closets (one for each student): 7'4" wide x 2'4" deep |
| Windows: | One or more windows (60" high by 48" wide) covered with mini blinds |
| Colors: | Room colors vary |
| Furniture: | |
| | <ul style="list-style-type: none">• Two beds able to be converted into bunk beds, mattresses 36" x 80" (twin size)• Two dressers• Two built-in desks with chairs |

RL.9. MSMS provides all the necessary furniture for each room, and each piece of furniture must remain in the room. Furniture from other areas of the residence hall is not permitted in any student room. Students may bring additional furnishings for their rooms, space permitting; however, couches over six feet long are not allowed.

Common Areas:

Bathroom: Each suite has a bathroom with one toilet, two sinks, and one shower.

Other: Each floor has a lobby equipped with a television and microwave. Computer labs, vending machines, a kitchen, a coin operated laundry, musical practice rooms, an emergency care closet, a community food bank, and group study rooms are also provided in each residence hall.

Residence Hall Kitchens: Each residence hall has one kitchen available for student use. Students must email the Hall Director or an Assistant Hall Director at least 72 hours in advance to request access. The request should include how long the kitchen will be used and who will be there. Students are expected to clean up after themselves, including washing and drying any appliances or utensils and leaving the kitchen clean for the next group. Not following these expectations may result in loss of kitchen privileges.

Laundry Rooms: Laundry rooms are provided for the convenience of the residents. Laundry cleaning products are not available for sale in the residence hall. It is necessary for everyone to help keep the laundry room clean.

RL.10. Items brought into the laundry room by students should not remain there beyond the time it takes to wash and dry them.

RL.11. If clothing remains in the laundry room for three days, residence hall staff may dispose of the clothing or donate it at their own discretion.

RL.12. MSMS is not responsible for clothing that has been moved within the laundry room once the cycle has ended, and the student has not come to collect or move over their laundry.

RL.13. Students should not begin doing laundry near the time for lights out. If so, the machine may continue, but the room will be locked, and the clothes retrieved the next morning

RL.14. MSMS is not responsible for lost or stolen clothing.

MSMS utilizes the Speed Queen mobile app to monitor laundry within each residence hall. The app provides students: A way to pay for laundry (pay per use), an accurate real-time data monitoring of the machines, and the ability to receive notification when their cycle is complete.

Students can download the free app on their mobile devices, create an account, and begin using them immediately. If a student does not have mobile access to pay, there is a coin operator on each machine. The cost to wash is \$1.00 per load and \$1.00 per load to dry.

Televisions: Televisions are available on each residential floor and in the main lobby of each residence hall. Each residence hall also has DVD players for students use. Students may watch television at any time during the day, with the exception of study hours, and until 11:00 p.m. unless specified otherwise by the student's privilege plan. Exceptions are permitted with staff approval to watch programs for class credit or other special circumstances.

RL.15. Students may only bring licensed copies of G, PG, and PG-13 video tapes/DVD's to school with them. No video tapes/DVD's rated NC-17, R, M, X, or "unrated" will be permitted at school by students.

PLUS Care Closet and Food Bank: An emergency care closet provided by PLUS is available on the first floor of each residence hall. Students may use this closet to access any emergency items they may need. A food bank is also available in this closet where students can access a pantry of free, nonperishable food items. This food pantry is kept stocked by donations from students, parents, and other members of the MSMS community.

Decorating Student Rooms

Students may make their rooms comfortable, but they must realize that the Residential Life Staff will determine, much as parents do at home, the appropriate decoration of rooms, doors, and hallways. Make note of the following guidelines:

RL.16. Adhesives - Nails, tacks, screws, glue or tape of any kind may not be used to attach items to the walls, doors, or any woodwork. Only yellow or white Handi-tak or painter's tape may be used to stick items to these areas.

RL.17. Doors - The outside of students' doors must display students' names and room numbers.

Decorations are allowed; but since they are in common areas, they must adhere to the guidelines below. It will be up to the Hall Director whether an item will remain on the door.

RL.18. Posters/Pictures and Advertisement - The following are prohibited throughout the residence halls:

- Posters, pictures, or text that promote tobacco products or alcoholic beverages, illegal or inappropriate drugs, participation in sexual activity, or violence
- Posters or pictures of nude or partially nude people or those wearing transparent clothing
- Any vulgarity, obscenity, or profanity
- Anything expressing personal opinions that belittle, offend, or denigrate any individual or group as outlined under Harassment.

RL.19. Furniture/Room Arrangement

- Furniture may not be damaged or taken apart.
- No lofts may be constructed.
- All MSMS furniture must remain in the room. Lounge furniture may not be moved from the lounges.
- Bed frames may not be placed on other furniture. Mattresses shall not be placed on the floor.
- All doors must open completely and without interference.
- A pathway must be open to allow both roommates unobstructed access to the bathroom and the hallway.
- The entire room must be visible from the hall door.

Room maintenance

RL.20. Students must report all maintenance concerns to their Community Leader or to the staff member on duty in the Residence Hall office. Residence hall repairs are handled by the Mississippi University for Women. Emergency repairs will be handled immediately, but issues MUW personnel deem non-emergency may take longer than 24 hours to be addressed.

RL.21. Students are responsible for the condition of their rooms and will be required to pay for damage to MSMS property due to negligence.

APPROVED AND NON-APPROVED ITEMS

Some of the items students need to bring with them are: lab coats, towels, sheets, pillowcases, blankets, mattress covers, pillows, waste baskets, hangers, alarm clock, laundry detergent, all personal care items, and school supplies.

Some of the items a student may wish to bring are: bed spread or comforter, clothes iron with automatic shut-off (MSMS provides ironing boards), a one-cup coffee dispenser with automatic shut-off similar to a Keurig, desk light/lamp, cell phone, posters/pictures, personal computer, surge protectors, comfortable desk chair (school provides standard plastic chairs), lock box, sports equipment, dry erase board for messages, musical instruments, and a bathing suit. Fans are strongly recommended.

RL.22. The following items are prohibited:

Laser pointers	Non-power strip extension cords	Motorized scooters
Televisions	Cooking appliances ¹	Heated blankets
Monitors/Displays larger than 40"	Hammocks	Portable heaters
Couches over 6 feet long	Exercise Weights ²	Weapons ³
Handcuffs	Burning Incense	Pets
Martial arts equipment ⁴	Dangerous scientific equipment	Open flame items like candles
Halogen lights	Darts and dartboards	Empty alcohol containers used as decorations
Spray paint/	Fixatives/other harmful aerosols	Volatile, caustic/corrosive, and/or flammable solvents ⁵
Toxic glues/cements/other adhesives	Items removed from public spaces ⁶	

This list is not intended to be all inclusive. The school reserves the right to disallow additional items if needed.

¹ This includes, but is not limited to, microwave ovens, popcorn poppers, hot plates, toasters/toaster ovens, coffeemakers with hot plates, heating coils, etc.

² A weight room is available on campus.

³ This includes, but not limited to, knives with serrated or sharpened edges, razor blades, box cutters, X-acto knives, and novelty advertising tools/items with sharp blades.

⁴ If approved for classes, such items may be stored in the office.

⁵ This includes, but is not limited to, turpentine, mineral spirits, and denatured alcohol.

⁶ This includes but is not limited to highway/street/traffic/business/parking signs or orange cones removed without consent.

RL.23. Because students may have projects that require the use of a prohibited item listed above, special permission may be granted when properly used under the supervision of an adult and stored in the office. **However, prohibited items found in a student's room or in their possession will result in disciplinary action.**

AUDIO SYSTEMS/MUSICAL INSTRUMENTS

RL.24. Audio systems designed for home use are allowed in student rooms; however, systems are not to be played loudly enough to be heard outside a student's room. Out of consideration for roommates, headphones should be used.

RL.25. For musical instruments, the same rules as for audio systems shall apply. Students can play their musical instruments in their rooms as long as they do not disturb their roommate or cannot be heard outside. Repeated offenses will result in the loss of audio system privileges and/or musical instruments.

BICYCLES

RL.26. Bicycles must be locked in designated racks when not in use.

RL.27. Helmets should be worn by all riders.

RL.28. MSMS is not responsible for theft or damage to bicycles or personal injury during their use.

BOUNDARIES, CAMPUS

RL.29. Students leaving the residence halls to go to a location on campus during the academic day are not required to sign out but are restricted to the inside of the fenced perimeter of the MUW campus, Pohl Hall and the MUW tennis courts until dusk.

RL.30. After dusk, students may not go beyond or north of Mary Wilson, Subway, or Stark unless attending tutorials in Hooper Science building or Shackelford Hall or having expressed permission. At no time are MSMS students allowed in or to be around the outside of MUW residence halls.

NOTE: For safety, stay in well-lit areas while walking on campus at night.

The specific boundaries for walking around campus after dark (5:30 PM DST and 6:30 PM ST) are the sidewalk bordering the library to the sidewalk bordering the side of Hooper Science Building near the residence halls, around to the front of Mary Wilson to the corner by the Health Clinic, and back down the sidewalk along Reneau Hall to the library. The sidewalk along the Subway across the street from Hooper is in bounds, as are the sidewalks running along the Hogarth parking lot between the Library and Hooper, and in front of MUW's Art and Design Building to the Stark parking lot. The gazebo behind Goen and Frazer is also in bounds. Shackelford and PAC are in bounds for students with tutorials in that given area. A map of the boundaries is available in the Residence Halls.

OFF-LIMITS AREAS

RL.31. In general, the following areas are off limits:

- restrooms or rooms meant for the opposite gender
- roofs
- all railroad tracks and their right of ways except to cross going to Shackleford and the Performing Arts Center
- rooms or offices that are locked or should be locked
- private property without invitation or approval of the property owner
- any off-campus location without proper sign out
- MUW Residence Halls

RL.32. Student Affairs staff will conduct walking tours of campus during the first week of school to point out established off-limits areas. Additionally, a campus map, showing approved and unapproved locations will be posted in each residence hall. Special campus events and/or construction may result in modifications to the map. Students are responsible for checking for posted modifications to the map and adhering to established boundaries. A student found in a non-approved location is subject to disciplinary action (see Section VII, Discipline).

MUW RESIDENCE HALLS ARE STRICTLY OFF LIMITS!!

MUW Residence Halls include:

- Kincannon Hall (South Campus)
- Jones Hall (South Campus)
- Columbus Hall (North Campus)
- Hasting-Simmons Hall (North Campus)
- Grossnickle Hall (North Campus)

CONDITION OF ROOM

Upon arrival in the residence hall, the staff reviews with each student the condition of his/her room and records existing damages on a Room Condition Form. Within the first week, additional notations of damage can be added to the form.

RL.33. After the first week, any damage to the room or furnishings will be charged to the room occupant(s). It is the student's responsibility to immediately report any damage to the room done by another student.

RL.34. At the end of the year, a staff member inspects the room with the student(s) to determine what, if any, damage has occurred. Charges will be assessed and communicated to the student prior to release. Grades or diplomas will be held until all charges are paid.

CURFEW AND EVENING HOURS

COURTESY HOURS ARE IN EFFECT TWENTY-FOUR (24) HOURS A DAY

Definition of Terms -

Courtesy Hours – RL.35. At no time should the noise from a student's room or common area be loud enough to disturb others (i.e. loud enough to be heard next door).

Study Hours - Courses at the school are rigorous and require students fully to apply themselves. To help students reach their full academic potential, a study time during the school week (Sunday – Thursday) is an important part of the school program.

RL.36. During the hours of 7:00 p.m. – 9:00 p.m., students must be in the library, the residence hall, or an academic building for tutorials. If students desire to study in another student's room in their residence hall, they must leave a note on their door indicating the room number of the room they will be in. For students to have students who are not their roommates in their rooms to study, they must have their roommate's permission. During these hours, TV's are turned off, and there is no inter-hall visitation. Students are expected to be in the approved areas from 7:00 p.m. – 9:00 p.m. and sign in/out when changing areas.

RL.37. During study hours, students are not allowed to play computer or video games. Cell phones may be used for academic purposes. Conversation in designated study areas should be kept to a minimum. Students who desire to study with music must use headphones.

Parents are strongly encouraged not to call students during study hours.

RL.38. All students are required to participate in study hours for the first quarter of their junior year. After that, students may earn privileges to miss study hours. For more information about privilege plans, please go to that section in this handbook.

RL.39. If students need to miss study hours, the Director for Academic Affairs must grant permission in advance and will determine how the hours are made up.

RL.40. Students may order food for delivery at the residence halls during study hours, but they are responsible for being at the door of their residence hall when the food arrives. Residence Life staff members will neither open the door for student deliveries nor notify students when orders arrive. After students receive their food, they should return to their studies immediately. Failure to adhere to the guidelines will result in this privilege being lost for the student.

Curfew – Going by residence hall office clocks, the front doors of residence halls will be locked at 10:25 p.m. Sunday through Thursday. On Friday and Saturday, doors will be locked at 11:55 p.m.

RL.41. Students must report to their rooms by 10:30 p.m. Sunday through Thursday and 12:00 a.m. Friday and Saturday. Students cannot leave the residence hall until 6:00 a.m. the following morning.

Room Check—Room checks will occur at 10:30 p.m. on weekdays for all students. On weekends, room checks will occur at 11:00 p.m. for students on Junior Plan and IP and 12:00 a.m. for all other students. Students will be asked to stand outside the doors of their rooms with their keys and IDs until a Residence Hall staff member has accounted for them.

Lights Out –

RL.42. All lights, including computer monitors, must be turned off by 12:00 a.m. Sunday through Thursday. To allow students to return to rooms prior to lights out, the laundry rooms and computer labs will be locked at 11:55 p.m. and open the next morning at 7:00 a.m. On Friday and Saturday, quiet time begins at 12:00 a.m., and the laundry rooms and computer labs close at 11:55 p.m. and will open the next morning at 8:30 a.m.

RL.43. Students found outside their rooms will be considered in an unauthorized area. Unless permission is given by the Hall Director on duty allowing time for extended study, students must retire to bed. For early morning study only, students may leave their rooms, but not the building, no earlier than 5:00 a.m.

Quiet Time – Quiet time is meant to allow students to be undisturbed in their quest to sleep, relax, or study.

RL.44. During quiet times, students must keep noise levels to a minimum and be respectful of others.

Schedule:School Week - Sunday- Thursday Evenings

4:00 p.m. - 6:45 p.m.	Assembly/Activity Time
7:00 p.m. - 9:00 p.m.	Study Hours
10:25 p.m.	Curfew and front doors of residence halls locked
10:30 p.m.	"All Accounted For" Check
10:30 p.m. - 12:00 a.m.	*Halls quiet
12:00 midnight	Lights out & computers turned off unless permission given by hall director on duty for extended study. (Students in their own rooms) *Pizza, etc. must be <u>delivered</u> by 10:15 p.m.

Weekend – Friday and Saturday Evening

11:55 p.m.	Curfew; front doors of residence halls locked
12:00 a.m.	"All Accounted For" Check
12:00 a.m.	Halls quiet
1:00 a.m.	Lights Out

RL.45. Students may spend the night in another person's room on Friday and Saturday nights only. Notes about the location of the student must be posted on both room doors and appropriate permission must have been granted (students may see hall directors for details).

END OF YEAR PROCEDURES

RL.46. Students must remove all belongings and check out of the residence hall on the day of their last final exam. The room needs to be clean, the Room Condition Form completed by the designated residence life staff member, and the key turned in. (There will be a charge of \$25.00 for failure to check out and \$45.00 to change the door lock if either is not done). The cost for specific room/furniture damages will be assessed during check-out if possible. **MSMS cannot store any belongings/furniture; all items brought to MSMS must go home at the end of the school year.**

In addition to the room/furniture bill, all other bills including traffic fines, Health Center, doctor, library, textbooks, drug store, etc., must be paid before seniors will be allowed to participate in graduation or before juniors are invited to return.

RL.47. Students are expected to always maintain proper behavior while attending any school sponsored activity or event. Any student who commits a Level II or Level III offense during the weeks prior to the end of the school year, may forfeit an invitation to return; seniors may forfeit their participation in all graduation activities if suspended or expelled from MSMS.

ENERGY CONSERVATION

Students are asked to be good stewards of natural resources by:

- Turning off lights and other electrical devices when leaving the room.
- Limiting printing to necessary documents.
- Adding/removing clothing layers to maintain a comfortable body temperature.

EXTENDED WEEKENDS/HOLIDAYS

(also see Travel Arrangements)

Extended weekends are observed monthly, generally in conjunction with State and Federal holidays. On these long weekends the residence halls are closed and students are required to go home or to a location approved by parents. A special class schedule is run on the day prior to an extended weekend (either Thursday or Friday) and residence halls close at 4:00 p.m. to allow students to leave campus early enough to reach their homes during daylight hours (see bell schedules). Students must be picked up and leave by 4:00 p.m. There are no provisions for allowing students to remain on campus during extended weekends. **IMPORTANT** – Parents or guardians should call the residence hall desk by 12:00 Noon if delayed in picking up a student on extended weekends. Our staffed hours end at 4:00 PM. Repeated late pick-ups may be assessed a fee to cover late staffing costs. Thank you for understanding.

Residence halls open at 1:30 p.m. on the day before classes resume, and students must return no later than 6:30 p.m. or no later than 10:00 p.m. if the student has an Extended, Premium, or “O” privilege plan and does not have study hours on the returning day. Study hours will not be held the day students return from the winter break. The meal plan begins the following morning.

During breaks, holidays, and extended weekends all MSMS facilities and offices are closed. All residence life staff are off duty, and students are not permitted to remain on campus.

HEALTH AND WELFARE CHECKS

In accordance with the MSMS School Safety Plan, periodic unannounced health and welfare checks will be conducted by residence hall staff to ensure compliance with health and safety standards throughout the residence halls. Violations of health and safety standards may result in disciplinary action.

Bed Bugs

Any student concerned about the possible presence of bed bugs in a residence hall should contact the appropriate hall director immediately. **Students should not clean their room or belongings until an inspector can determine if there are any signs of bed bugs. If possible, students should try to retrieve a sample bug with clear tape for the exterminator to examine.**

1. The exterminator will inspect the room in question.
 - a. While not required, students are encouraged to be present during the inspection by the exterminator.
 - b. Students who report suspected bed bugs on a workday when the exterminator can be dispatched within 24 hours will be asked not to relocate to any other room until their room can be inspected by the exterminator. This is **CRUCIAL** so that we can prevent the spread of bed bugs if they are found to be in a student’s room and belongings.
 - c. Students may not, at any time, deny the exterminator or staff access to their living spaces (including bedrooms, common area, kitchen, bathroom, etc.)
 - d. Because bedbugs are treatable, the school will not facilitate permanent room changes for these situations.

2. If the exterminator cannot find any evidence of bed bugs, the room will not be chemically treated; a glue board may be installed to monitor activity. The student will be asked to continue monitoring the living space and to notify staff immediately if there are further concerns.
3. If the exterminator confirms the presence of bed bugs, the hall director will contact the parents and will provide any affected student(s) and their families with a detailed list of instructions for the removal and laundering of personal items. Bed bugs are a serious community issue, and ALL students are expected to comply with instructions given to them within 24 hours once bed bugs have been confirmed within their living space.

HOUSE KEEPING / INSPECTION

RL.48. Students are responsible for cleaning their rooms. Cleaning supplies and equipment are provided for this purpose. In addition to the periodic unannounced health and welfare checks described above, a weekly room inspection will take place (or more frequently if deemed necessary by the residence hall staff) to maintain a healthy living environment for everyone.

RL.49. Failure to pass room inspection will result in disciplinary action. Although inspections occur weekly, a basic degree of cleanliness is always expected. All rooms will undergo a full inspection after students leave the building for holidays and extended weekends. The purpose of room inspection is to ensure cleanliness, safety, wellness, and a climate conducive to learning. Room inspections include, but are not limited to:

- All dirty laundry put away in hampers
- All clean clothes are put away neatly (folded in drawers or neatly hung in closets)
- All trash is taken out to the dumpster
- All remaining items—books, papers, etc.—are arranged neatly
- Windows and blinds are clean
- Bed made
- All surfaces dusted and cleaned
- Floors swept and mopped to a shine
- All toiletries arranged neatly
- Toilet clean (No trash around the toilet. The toilet itself is clean on the sides, in the bowl, under the seat, etc.)
- Shower is clean (This includes the tub being white, soap scum removed from the walls, any shampoo or soap is neatly arranged and devoid of grime)
- Mirrors cleaned
- Sinks scrubbed clean
- Under sink cabinets cleaned and organized
- Staff will also check to be sure that no unauthorized items are in the room
- beds, dressers, desks, sinks, vanities, closets, refrigerators, vents, windows, blinds, carpets, woodwork, and any other type of furniture or equipment, a student has brought into the room. The staff will also check to be sure there are no unauthorized items in the room and that trash has been removed.

RL.50. Students may not skip room inspection by taking a write-up for not being prepared for room inspection. They will be issued the write-up and given 30 minutes to clean and prepare the room for inspection.

RL.51. Students who repeatedly fail to meet room cleanliness standards may have their sign-out privileges suspended until the room is thoroughly cleaned.

Some students are assigned to clean the common areas in their residence hall, and such an assignment may serve to fulfill all or part of their work service obligation; however, it is the responsibility of all who live in the hall to assist in its cleanliness and general upkeep by cleaning up after themselves and reporting problems.

RL.52. Students who fail to clean up behind themselves will be subject to disciplinary action.

IDENTIFICATION CARDS

R.L.53 Each student will be issued a photo ID card that will work with the school's proximity card readers to gain entry to MSMS facilities. It will also provide access to dining service, the library, health center, and special programs. Students must always carry ID cards, and the cards shall not be altered or defaced in any way. All lost IDs must be reported to the Office of Student Affairs immediately. The cost of replacing a lost or altered/defaced ID is \$25. At any time, students may be asked by MSMS or MUW staff to present their ID. Refusal to comply may result in a Level II write-up. Students will be issued a temporary pass that will include seven days to eat in the cafeteria. If the card is not found after seven days, the student must purchase a replacement ID. This pass can only be retrieved from the residence hall front office.

INSURANCE

RL. 53 MSMS does not insure personal property against theft, loss, or damage of any kind, either on or off campus. Parents are encouraged to consult with their insurance agents to ensure that all valuables are adequately insured. The insurance needs are like those in a typical home, covering fire, theft, and natural disaster.

KEYS

RL.53 Upon arrival, a room key is issued to each student. Room doors are to be kept locked at all times, and students must always keep possession of keys. To ensure safety, staff may conduct random checks and will secure unlocked doors. In the event the key should be lost, the student must inform the staff member on duty in the office immediately. The key and lock cylinder will be replaced at a cost of \$45.00, and payment is the responsibility of the student. From time to time, students may lock their key in their room. The residence halls have a policy that charges a small fee to unlock the door. Residence hall room keys are MSMS property, and duplication is prohibited.

OFFICE HOURS – RESIDENCE HALLS

Monday - Thursday	7:00 a.m. - 11:00 p.m.
Friday	7:00 a.m. - 12:30 a.m.
Saturday	8:30 a.m. - 12:30 a.m.
Sunday	8:30 a.m. - 11:00 p.m.

PERMISSIONS & QUESTIONS

RL.54 MSMS rules and policies are designed to ensure the safety and well-being of students. Parents may not give more permission than MSMS policy allows but may give less, in which case the situation would be understood between parents and student. Parents should contact the Director for Student Affairs if questions arise.

While much thought and discussion has gone into the development of student affairs policies, it is impossible to address every issue that may arise. Rather than assuming that intended actions will be acceptable, if there is any doubt, students have a responsibility to ask before acting.

PRACTICE ROOMS

A music practice room, with piano, is provided in each residence hall for student use. Practice rooms will be locked when not in use.

RL.55. A student who wishes to use a practice room shall request the room be unlocked by the hall staff on duty and must leave his/her ID as collateral until the room is locked when the student notifies the office that he/she is done. Students are also allowed to use the music practice room of other halls with special permission from a member of that residence hall's staff. Advance notice is necessary, and doors must remain open.

RL.56. Musical instruments or loud vocal music are not to be played or practiced in student rooms at a volume loud enough to disturb others. Students are encouraged to continue their musical studies while at MSMS. Private lessons are offered by several teachers in the Columbus area. Costs vary and are the responsibility of the parent or guardian.

REFRIGERATORS

RL.57. Students may elect to bring one refrigerator with them providing the following guidelines are followed:

- A refrigerator must not exceed 3.5 cubic feet. Refer to the MSMS registration form for pricing.
- Roommates or suitemates may share a refrigerator if they wish.
- An electrical usage fee is assessed and collected in advance for all remaining months of the school year. Fees are nonrefundable.
- Failure to pay the electrical usage fee within three days of move in will result in withdrawal of the privilege of having a refrigerator.
- A refrigerator must be kept free of spoiled food; regular inspections will occur during room checks.
- MSMS staff may examine all items in refrigerators without notice.

RL.58. The owner of the refrigerator must pay the total amount due. The school will not accept partial payment from several students for one refrigerator. A tag is issued to the owner, which is then affixed to the refrigerator indicating payment has been made.

ROOMMATE SELECTION

Sharing a room with someone who shares some common interests and characteristics is important. To this end, students complete a Student Profile Form prior to the start of the school year and have several opportunities at New Student Orientation and following virtual events to meet potential roommates. These activities assist the staff in determining a compatible roommate. The Hall Director assigns rooms for entering juniors and will notify them of their tentative room and roommate during the summer. Because of limited space in rooms, students are advised to contact their roommates to avoid bringing duplicate items (e.g., refrigerators).

RL.59. Once the school year begins, roommate changes occur only once each semester. After the first two weeks of the fall semester, students will have the opportunity to change roommates. Another opportunity will be provided during the spring semester. If students desire a second roommate change during a semester, he or she must discuss the situation with the Residence Hall Director and follow specified conflict resolution procedures.

RL.60. School officials may move a student temporarily or permanently due to documented medical conditions or if it is deemed helpful to the student, roommate and/or living group. Students left alone at the end of the room change period will be assigned together so that everyone has a roommate. All final decisions regarding room assignments will be made by the Director for Student Affairs.

Toward the end of each school year, returning seniors will be allowed to request a room and roommate for the following year. The system of room assignments for seniors will be determined by the Residence Hall Directors.

SEARCHES

RL.61. The Executive Director, Director for Student Affairs, Director for Academic Affairs, Director for Advancement, or MUW Police may authorize entry to search a student's property as well as MSMS lockers, desks, or other property, including a student's room or electronic files when such entry and search are deemed justified. Such an entry and search will be made in the presence of the room occupant(s) provided the occupant(s) can be located in a timely fashion. The student does not need to be present for the search to be conducted. If the student(s) cannot be located, another MSMS official will accompany the person authorized to conduct the search. People conducting the entry and search will not enter the room without first knocking on the door and identifying themselves. Every effort will be made to have at least one staff member of the same gender during a room search. If they are not admitted, a passkey will be used to gain entrance.

It should be noted that an MSMS official may enter any MSMS premises or search MSMS property at any time under legal compulsion or when the safety of persons or property is involved. Once the

search is completed, the persons conducting the search are expected to leave the room in an orderly condition, pending the original condition of the room.

RL.62. Contraband, items used in criminal acts, items not permitted on campus, or stolen property found during the search, will be confiscated and a written receipt will be given to the room's occupants.

RL.63. If the occupants are not in the room during the search, a receipt will be left in a prominent, easily visible place. Both occupants shall take equal responsibility for any items or incidents found in the room unless it is determined that one roommate has taken sole responsibility for all of the items or incidents. Also, both occupants are held responsible for their guests.

RL.64. Should local, state, or federal law enforcement officers present a duly authorized warrant, or when such officials have determined that circumstances exist which justify a warrantless search, MSMS will cooperate in allowing such a search. An MSMS official will be present during the search unless otherwise ordered by the officers.

General Searches

RL.65. The school retains the right to search school property, such as desks, at will. Otherwise, if school officials (e.g., administration, faculty, residence hall staff, counselors) have reasonable grounds to suspect a student may be in possession of drugs, drug paraphernalia, alcohol, tobacco, weapons, or other contraband while on campus, the school will:

- Search pockets, purses, book bags, and other properties of the student;
- Conduct same sex pat down of the student;
- Search the student's vehicle if applicable; and,
- Search the student's room and other personal belongings.

RL.66. If the items in question are located, they will be confiscated and described in a list sent to the appropriate MSMS administrator. All illegal contraband will be confiscated and turned over to a law enforcement officer, the Director for Student Affairs, or the Director for Academic Affairs.

RL.67. If a student's personal property must be confiscated, a written receipt (Confiscated Items Form) for returnable items is given to the student. MSMS will notify appropriate law enforcement officials of any unlawful activity which occurred, or which may have occurred on educational property or during a school-related activity.

Alcohol and Drug Screening

RL.68. If school officials have reason to suspect a student may be using drugs or alcohol, the student may be asked to submit to a drug screening and/or breathalyzer. Refusal for testing may result in disciplinary action. In such an event the student may be reported to the appropriate law enforcement agency.

Computer Searches

RL.69. The school will monitor student computer activity and will search, upon reasonable suspicion of the commission of a criminal act or an act in violation of school policy, a student's history of computer activity and any electronic files.

Room Searches

A pass key is used for normal, non-emergency situations such as maintenance and building code inspections and for cases involving the safety of students in the room or surrounding rooms.

RL.70. Staff may enter rooms unannounced when there is reasonable suspicion that residence hall rules are being broken.

RL.71. When there is reasonable, articulable suspicion that violations of school policy or criminal law are occurring, a comprehensive room search, including the use of narcotics detection K9s, may be authorized by a school official. In cases involving an authorized search of the student's room, two adult witnesses will be present, and the student(s) will be present if possible.

RL.72. Student obstruction of a reasonable search by authorized personnel may result in disciplinary action. Each student assumes responsibility for activities occurring in his/her room. During school vacations and extended weekends, staff will enter rooms to ensure that windows are closed, lights are off, appliances are unplugged, etc. to ensure the safety of the building.

Canine Searches

The use of narcotics detection K9s is a dramatic tactic designed to convey to students in the strongest possible terms that neither school authorities nor law enforcement agencies will tolerate illicit drugs, drug paraphernalia, or other scent detectable contraband on school property. MSMS has access to registered K9 units with dogs especially trained to locate illegal drugs.

RL.73. Periodic, unannounced visits by dogs and their handlers may be made. At all times while K9 units are present on school grounds, students will be restricted to their classrooms or to locations that will not be swept to ensure that the dogs do not come into direct contact with students.

RL.74. If a K9 indicates the possible presence of drugs in a room, vehicle, etc., further search will be conducted by law enforcement officers or school officials. All rooms, vehicles, etc. so indicated by a K9 will be searched without exception. All areas of MSMS may be searched. Students will be held responsible for any prohibited items found in their rooms, cars, or belongings at school. If prohibited items are found, the student will face disciplinary action according to the MSMS Student Handbook and may be prosecuted under local, state, or federal laws.

Local Law Enforcement, with the cooperation of MSMS personnel and in conjunction with MUW personnel, will conduct all K9 searches.

Law Enforcement and Parental Notification

Law enforcement officials wishing to contact students at MSMS for any reason should be directed to the Director for Student Affairs during the school week and to the Administrator On-Call on weekends. When presented with a duly authorized search warrant, the Director will notify the MSMS Executive Director and grant permission to search a student's room. An MSMS official shall escort the officer(s) during the search. An MSMS representative, normally the Director for Student Affairs, will notify the student's custodial parent/legal guardian whenever any MSMS official makes a report to any law enforcement agency concerning student misconduct, is requested by law enforcement personnel other than MUW police acting in the normal course and scope of his/her assigned duties to allow access to a student, or learns that a student has been taken into custody by law enforcement personnel during the school day or while under school supervision.

SIGN IN & SIGN OUT / OFF CAMPUS PERMISSION

General Guidelines

RL.75. MSMS always has jurisdiction over students except when they are deemed checked out to their parents' care, consequently students are expected to adhere to all guidelines regarding sign in and sign out. Regulations governing sign outs are designed to give the staff reasonable knowledge of a student's whereabouts and thus a way of reaching that student in case of emergency.

RL.76. Any destinations not covered in the general permission slips in the admissions packet will need explicit parental permission. The parents can add destinations by sending a signed update through post mail, fax, or emailed attachment. Any student found in an off-limits area, including any establishment that is not allowed to serve minors, will be subject to disciplinary consequences.

RL.77. To promote student safety, a staff member must evaluate and approve or deny each sign out request. The process of signing out to leave campus is done in the residence hall office, where a staff member reviews with the student the destination and duration of the requested sign-out. Students should allow themselves enough time to complete their business off campus but should not overestimate the duration to the point of excessiveness. **Students are expected to have a specific purpose and destination when seeking permission to go off campus. Ordinarily, any off-campus trip lasting longer than three hours is not permitted.** The requested duration of the trip should be reasonable and will be adjusted if considered unreasonable by the staff member approving the sign-out.

RL.78. Failure to obtain a staff member's signature will be considered a failure to sign out.

RL.79. Sign-outs outside the Columbus city limits, or any water area such as the Columbus Lock and Dam, require specific and explicit parental permission unless students have prior permission on sign-out forms.

RL.80. Permission to access bodies of water for the purpose of swimming will not be allowed. Students are allowed to sign out to the River Walk during daylight walking sign-out hours, as long as their privilege plan permits it. If concerns arise over the safety of students, residential staff members may

either require a group of three (3) students or temporarily limit access to the River Walk. Students will be notified in writing as quickly as possible if this becomes necessary.

RL.81. Sign-outs to non-MSMS athletic events are not allowed. (This does not apply to students checked out to go home or for an overnight sign out.)

There are several ways of going off campus – walking; driving; riding with other students, parents, or guests; and with staff on school sponsored trips. **Every time students leave campus, they must obtain permission from the appropriate MSMS staff member and sign out.**

RL.82. In general, no routine sign outs are allowed before 2:00 p.m. or the end of the student's last class, if later than 2:00 p.m., Monday – Friday. Return time will be determined by the privileges the students have earned and their mode of travel.

RL.83. Students may not sign out during required school activities. All requests to sign out during the academic day, required school activities, or study hours must be approved in advance by the Director for Academic Affairs. Juniors should refer to the Junior Plan in the Privilege Section of the handbook for their sign-out rules which are in effect until the first nine weeks grades are issued.

Driving/Riding sign out

Once students earn the privilege of signing out to drive their own vehicles or ride in someone else's vehicle, they must understand that there will still be limitations to their ability to come and go as they please. Using the information provided on the General Permission Form, the Vehicle Permission Form, and in the MSMS Student Handbook, the residence life staff member will approve or not approve a sign-out. Sign outs within the City of Columbus are generally approved without any additional permission needed.

Sign-out cards

RL.84. Sign-out cards are school property and must be kept in their designated slots. Students may not take their own cards, or other students' cards, to their rooms or to any other unauthorized area.

Signing back in

RL.85. Upon returning to campus, students must immediately report to their residence halls and sign in. When students residing outside the Columbus area return from home, they must similarly report to their residence halls immediately and sign in.

RL.86. MSMS allows its students broad privileges regarding signing out and using vehicles and trusts the basic integrity and honesty of those students. A violation of that trust is a serious offense and will result in a loss of privileges and possible suspension.

Walking sign out

Many stores, banks, and restaurants are located within a short walk from the MUW/MSMS campus.

RL.87. Students may walk off campus during the school week between 2:00 p.m. and 6:30 p.m. (5:30 p.m. when daylight savings time ends, but always before dusk) by properly signing out.

RL.88. Due to safety considerations, only certain areas/locations designated by MSMS are allowed for walking sign outs. Designated area parks are permitted during daylight hours only (walking or driving). Though students are not required to walk in pairs, it is strongly encouraged. When concerns occur for the safety of students, residential staff members may require students to walk in groups. Every effort will be made to communicate the stipulations.

Overnight sign out

RL.89. Students must sign out for overnight visits by 6:00 p.m. Friday and Saturday. All overnight sign-outs will require written or faxed and signed permission from a parent by noon of that day for each occasion. Signing out later on these days will require permission from the student's parent for each occasion.

RL.90. If students who have signed out overnight wish to change their original overnight destination, they must contact the Hall Director to obtain approval. Students may not sign-out overnight on school nights (Sunday – Thursday) except in cases of emergencies, school authorized college events, or special events.

RL.91. MSMS will not sign out students to a motel/hotel unless they are staying with their parents or other school and parent-authorized adults. (Visiting in hotels/motels is restricted in the same way.)

Violation of sign out policy

RL.92. Falsifying a sign-out in any way is a serious violation. Falsifying a daily sign-out will normally fall into the Level II violation category. Falsifying an overnight sign-out or falsifying a sign-out and going to a prohibited destination is a Level III violation. When students sign out to an authorized overnight destination, they assume a special responsibility.

RL.93. If a student rejoins MSMS students, on or off campus, the student is viewed as having rejoined the school community and is held responsible for behavior consistent with school policies.

After signing out for overnight, the students shall immediately leave campus.

Special requests

Students are allowed to sign-out with their parents anytime; however, requests for sign-outs that would necessitate students missing class or required study hours are strongly discouraged and must be approved in advance by the Director for Academic Affairs to ensure the student receives an excused absence. Other requests outside the normal sign-out policies and earned privileges require the approval of the Director for Student Affairs. (Requests outside these policies and privileges will be closely scrutinized before granting approval to ensure necessity, safety, and fairness to all students.)

Sign out Times Monday – Thursday

RL.94. Daily sign outs begin after 2:00 p.m. or after students finish their last class, whichever is later.

RL.95. There is a 3-hour limit per sign out. Students must be in by 6:30 p.m. during Daylight Savings Time and 5:30 p.m. during Central Standard Time.

RL.96. If students want to sign out with a visitor, the visitor must be on their On/Off Campus Visitation List.

For school week sign outs for those students who have earned privileges refer to the Privilege Section.

Friday – Sunday

RL.97. Daily sign outs begin after 2:00 p.m. or after students finish their last class on Friday, whichever is later. Students signing out for an overnight destination may sign-out after their last class ends. Saturday and Sunday walking sign outs may begin at 8:30 a.m.

RL.98. Students must be in by 6:30 p.m. during Daylight Savings Time and 5:30 p.m. during Central Standard Time, and students are required to call their respective residence hall every three hours after signing out and sign out in groups of three or more.

RL.99. Refusing to call to check in will lead to a Level II walking sign-out infraction.

RL.100. Sign-out time limits are determined by the privilege plan the student has earned. Juniors are extended a four-hour limit on weekends when signing out with siblings or other MSMS parents while on junior plan. The four-hour limit does not apply to a student's parents.

RL.101. A Hall Director or the Director for Student Affairs must approve all sign outs for Starkville/MSU except for students signing out to their own home in Starkville/MSU. All students must have returned to MSMS by 6:30 p.m. on Sunday evening (or Monday evening in the case of some extended weekends) whether signed out locally or to an overnight destination. If the student has an Extended, Premium, or "O" privilege plan and does not have study hours on the day of return, he or she may return no later than 10:00 p.m.

CELL PHONES

Cell phones are optional and considered a privilege extended to all students as long as they are not abused. The school can withdraw this privilege to any student who uses a cell phone in violation of the following guidelines:

RL.102. The residence hall office must be informed of the telephone number and must be kept updated of changes to the number.

RL.103. Students may not use cell phones after lights out. During study hours, cell phones should only be used for school work-related calls.

RL.104. Electronic listening devices must be muted or in the off position during special activities, convocations, or whenever requested by an MSMS adult supervisor. Cell phone use is permitted in classrooms if the student has the permission of the teacher to use the cell phone for academic purposes.

In case of an emergency after lights out when the office is closed, a parent may contact a student by calling the Residence Hall office number 24 hours a day, an administrator, or campus security. These numbers are available to parents in the residence halls or by request. Office telephones may only be used for personal calls in the event of an emergency.

TRANSPORTATION

MSMS has limited transportation assets. Transportation is provided for school-sponsored activities, for emergency visits to receive medical care, and for research/mentorship. Additionally, shuttles are run on the weekends to transport students to the mall, Wal-Mart, and a local movie theatre. It is not possible to transport students everywhere they wish to go, but the Residential Life Staff does attempt to meet students' needs. The following guidelines apply when using MSMS transportation:

Students are responsible for checking with the Residence Hall office to see what transportation is available and what trips have already been scheduled.

RL.105. When special trips are made available, it is the responsibility of the students to sign up to participate by the deadline established by the trip sponsor. If students change their minds about going on a trip after they have signed up, they are required to remove their names from the list and notify the sponsor at least 48 hours before the scheduled departure. Failure to do so may result in an unexcused absence.

RL.106. An MSMS employee will supervise every trip using MSMS transportation assets. Students are responsible for keeping that employee informed of their whereabouts at all times during the trip.

Students are responsible for finding out from the employee what time the trip will depart to return to MSMS and for being on time for the return trip.

RL.107. Students who delay departure for any trip will receive a Level I violation of the disciplinary code for Disrespect/Noncompliance. Students who miss the departure or return and are left by themselves will receive a Level 2 violation for Disrespect/Noncompliance.

VEHICLES

The welfare of all students is of utmost concern to the school. Vehicle policies reflect our stance that bringing a vehicle to school is a privilege that should be taken seriously, not a right. MSMS considers the primary purpose for a vehicle to be facilitation of visits to and from home. The school also recognizes that there may be other occasions for a student's use of a personal vehicle. To administer these occasions, MSMS has developed the Vehicle Permission Form. This form must be completed for all students even if they do not expect to ever bring a car to campus. The Vehicle Permission Form provides parents with an opportunity to identify their student's limits. Parents may further restrict those limits or if needed, change the information on the form, at any time during the school year by notifying the residence hall office by email, or in writing. The school reserves final authority to restrict or deny use of the student's vehicle. The parking area is off limits without staff permission and/or for the sole purpose of departing the campus.

Motorbikes are prohibited.

RL.108. Upon arriving on campus with an unregistered vehicle, students must immediately register the vehicle with the MUW Police Department by completing the following steps.

- Students obtain registration cards from the Office of Student Affairs and fill them out completely.
- Students provide proof of insurance (copy of card) to the Office of Student Affairs.
- Students bring payment (cash, money order, or check made payable to MUW) to the Office of

Student Affairs.

- Student Affairs Staff obtain the hang tags from the MUW Police Department and notify the students that they are ready to be picked up.
- Students **immediately** display the hangtags in the registered vehicle in accordance with the instructions on the decal

RL.109. Failure to immediately and completely register any vehicle brought to campus or update any changes in the registration may result in a traffic citation and the vehicle being sent home for 30 school days or the termination of vehicle privileges and the removal of the vehicle for the remainder of the school year.

The students assume responsibility for accurate, complete, and timely communication pertaining to their vehicles.

An MSMS student hangtag will be issued at the time of registration with the MUW Police Department. MSMS students may not possess or use an MSMS staff hangtag or any MUW hangtag. MSMS students must park their vehicles in specified MSMS parking spaces inside the fenced campus. Occasionally, MUW Police Department may ask that MSMS students park in other areas because of special activities. Students are expected to comply with all MUW Police Department rules, policies, and guidelines, including special parking directives.

Students who fail to maintain a high level of regard for vehicle rules and safety, including, but not limited to parking procedures and being ticketed, may be instructed to return their vehicles home, either for a designated period of time or for the remainder of the school year. Questions about citations (tickets) should be directed to the MUW Police Department, and any appeals must follow the procedures outlined on the MUW website. Vehicle privileges may be withdrawn by MSMS or MUW if the school considers a student's operation of a vehicle to be a danger to self, or others, if the vehicle is improperly registered or parked, or if its operation is a detriment to school order.

RL.110. Any vehicle owned or operated by a student, may be searched by a school official possessing reasonable, articulable suspicion that there may be a violation of the school's printed regulations and/or Mississippi law.

RL.111. The parent or legal guardian of the MSMS student assumes full legal and financial responsibility in matters of their vehicle. The risks involved are those of the owner and operator, not MSMS.

RL.112. All students, whether drivers or passengers, need to keep in mind these vehicle policies:

- No student shall drive another student's vehicle.
- No student shall drive or ride in a vehicle without verbal or written (i.e. sign-out) permission from a residence hall staff member or school administrator (including moving a vehicle from one parking lot to another).
- Vehicles should be considered off-limits in the absence of written or verbal permission from an MSMS staff member.
- Students may not "hang-out" at/in vehicles.

- Students, or their guests, may not drive the vehicle of another student or guest.
- Students may not drive a staff member's vehicle.
- When driving or riding in a vehicle, students shall demonstrate courtesy and consideration of others including, but not limited to, vehicle stereo volume.
- All students driving or riding in a vehicle must wear their own seatbelts.

RL.113. Vehicle use will be granted based on the information given on the Vehicle Permission Form, policies in the Student Handbook, and the privileges earned by the student. During the school week (Sunday 6:30 p.m. through Friday 4:00 p.m.), student vehicle use is significantly restricted; and students should not expect to be granted special permission to use their vehicle, especially if they have failed to adequately plan for their needs. All sign-out policies are in effect at all times.

The Mississippi University for Women Police Department annually publishes policies on bicycles, skateboards, etc. These policies and other relevant information will be provided to students when they arrive on campus.

VISITORS

INTER-HALL VISITING HOURS

Inter-hall visitation is defined as the visiting between male and female students in the residence halls. The lobbies of the residence halls are available for inter-hall visiting during the following hours:

Monday – Thursday	8:00 a.m. - 6:45 p.m., 9:00 p.m. – 10:15 p.m.
Friday	8:00 a.m. – 11:45 p.m.
Saturday	9:30 a.m. – 11:45 p.m.
Sunday	9:30 a.m. - 6:45 p.m., 9:00 p.m. – 10:15 p.m.

Privilege plans may allow extended visitation in lobbies between the times of 6:45 p.m. and 9:00 p.m.

NON-MSMS VISITORS

RL.114. Upon arriving on campus, all non-MSMS visitors must show ID and sign-in at a Residence Hall or the Academic Office to receive a visitor's badge. The Visitor Badge must be worn visibly at all times while the visitor is on campus.

VISITORS – ALUMNI

RL.115. Alumni are considered guests and must follow all MSMS policies regarding visitation. MSMS students who have withdrawn or been dismissed from MSMS for disciplinary reasons, violation of a behavioral contract, violation of a re-admission contract, or who were expelled, may not return to visit MSMS.

VISITORS – FAMILY AND FRIENDS

Parents of the student are welcome to visit their child on or off campus any time they wish. Siblings, extended family members, and friends of the student, should visit during non-academic hours and should call ahead to be sure they are listed on the Visitor Permission Form. Also, visiting should not

occur during study hours or past curfew. All visitors should use the front doors of residence halls and check in with the hall office upon their arrival on campus.

RL.116. MSMS policy permits only those individuals identified by the parent on the Visitor Permission Form to visit a student. Visitors will be required to check in with the on-duty staff in the residence hall office upon arriving at the building and will be asked to furnish photo identification to verify their identity.

RL.117. Visitors not listed by the parents will not be allowed to visit. Parents may add or delete names on the Visitor Permission Form by sending changes to the hall directors or Director for Student Affairs any time during the school year in writing, either via mail or email.

RL.118. It is the responsibility of MSMS student hosts to ensure their visitors register and remain with them at all times.

RL.119. The school reserves the right to deny access to its campus, activities, events, etc. This may include anyone not deemed suitable or appropriate, including students who have withdrawn or been dismissed, or any individual not listed on students' visitor forms.

RL.120. Parents, siblings and grandparents of the opposite sex may visit in the student's residence hall room; however, to ensure the privacy of the other students on the wing, the following guidelines should be considered:

- The student's roommate must agree to the visit.
- The residence hall desk worker must grant permission and make an announcement on the wing
- The visits should be brief, 30 minutes or less, so that students may resume their day-to-day schedule

R.L. 121. Requests for private rooms are considered only as space allows for medical-related issues and are not guaranteed. To initiate a request, contact Student Affairs. All requests and supporting documentation must be submitted by June 15 to be considered. Each request must include official documentation of a history of medical need, including a physician's note. Requests will be reviewed on a case-by-case basis by the Director for Student Affairs and the MSMS Hall Directors. Decisions will be based on available space and the overall needs of the residential community.

OVERNIGHT VISITORS

Same sex friends and siblings (between the ages of 13 and 18) of the student may stay overnight in the student's room only on Friday and/or Saturday nights. Children younger than 13 years old may not spend the night in an MSMS residence hall. Permission to have an overnight guest may be obtained by the student from the Residence Hall Director one week before the intended visit by completing and turning in the Overnight Guest Request Form. The guest must be on the student's On/Off Visitors List. The advance notice is necessary because the school sends out and must receive back from the guest's parents an Overnight Parent Permission Form for a visitor under the age of 18. If the visitor is 18 years old or older, the Overnight Guest Request Form must be turned in for approval 48 hours prior to the visit. No overnight guests are allowed during required on-campus or exam weekends. The Director for

Student Affairs has the authority to limit or refuse overnight stays.

The school is unable to provide guest rooms for parents or guardians; however, numerous hotels and B&B's may be found in Columbus and the Golden Triangle area. Please call the Office of Admissions for contact information for local lodging establishments.

PART B: STUDENT SERVICES

EMPLOYMENT

Given the primary purpose of the school, a student shall not seek employment during the school week. If, however, a student wishes to seek employment on weekends, parental permission is necessary. Employment cannot interfere with academic, athletic, or disciplinary responsibilities. Permission must be granted by both the Director for Academic Affairs and the Director for Student Affairs prior to accepting a job. Each student's situation will be individually evaluated.

In general:

- A student with more than one C, NC, or combination of the two at the quarter will not be allowed to continue employment.
- No exceptions to residential policies will be granted (curfews, check-in times, etc.).
- An approved work permit must be filed in the Office of Student Affairs.

DINING SERVICES

The student ID card must be presented upon admittance to each meal. A lost ID card must be replaced as soon as possible in the MUW Police Department at a cost of \$25.00. Until they can get their ID replaced, students may obtain a temporary meal pass from their hall director. Students who do not have their ID card may be denied entry into the dining hall.

Students may go through the food service lines as often as they wish and choose from variety of selections. A traditional meal line, salad bar, grill line (hamburgers/hotdogs), deli bar, pasta bar, pizza bar, soup, and rotating specialty line are just some of the options available.

Students are expected to conduct themselves appropriately in the dining room. Shirts and shoes are required. Listening to radios, etc., and playing musical instruments are not permitted. Obviously, throwing food, leaving one's tray and making a mess for others to clean-up will result in disciplinary action. Utensils, dinnerware, trays or glasses shall not be taken from the cafeteria. **Students may not bring "take out" containers into academic buildings.**

Students on medically approved special diets should notify the Director for Student Affairs prior to the beginning of the school year or at any time during the year. Confirmation from their doctor and/or parent may be needed. Ordinarily, weight reduction diets can be accommodated utilizing the regularly served food.

Parents and guests are welcome to eat in Hogarth Dining Hall for a fee charged at the door. Daily menus are posted in the dining hall foyer.

The dining hall hours are as follows:

Breakfast	7:00 a.m.-9:30a.m.	Monday-Friday
Brunch	1:00 a.m.-1:30 p.m.	Saturday and Sunday
Lunch	11:00 a.m.-1:30 p.m.	Monday - Friday
Dinner	4:30 p.m. -7:00 p.m.	Monday – Thursday
Dinner	4:30 p.m. -6:30 p.m.	Friday
Dinner	4:30 p.m.-6:00 p.m.	Saturday - Sunday

HEALTH SERVICES

The school has formulated various policies designed to enhance the health of each student. Some of these policies include room inspections, balanced meals, lights out regulations, activity programs, and required personal medical information from each student.

MUW HEALTH CENTER

The campus health center is open to students Monday through Friday at posted times. Residence Life staff should make all appointments for student visits to the health center. A registered nurse practitioner will offer treatment, write prescriptions, and coordinate appointments with a local doctor, if necessary. MSMS staff will make every attempt to contact the parent when a doctor's appointment is needed or when a prescription is to be filled.

During evenings and weekends when the Health Center is closed, residence hall staff will make every effort to contact the parent prior to a medical appointment. In situations requiring emergency treatment, an ambulance service is called and the service of the emergency room of a local hospital is utilized. The parent(s)/guardian(s) will be contacted by telephone by staff.

Routine visits to the Health Center are free, except for lab tests and supplies which will be billed to the parents. Parents are responsible for all medical costs and will assume all financial obligations incurred by their children in health-related situations. MSMS assumes no responsibility for student medical expenses. Parents are encouraged to provide medical insurance for their child.

Children's Health Insurance Program (CHIP)

In case of financial hardship, parents may seek state assistance for medical care for their child. The Children's Health Insurance Program (CHIP) is a joint federal/state program that provides health insurance coverage to low-income uninsured children. Benefits under CHIP include all benefits under the State and School Employees' Health Insurance

Plan as well as vision and hearing screening, eyeglasses, hearing aids, immunizations, preventive dental care, and routine dental fillings. There are no exclusions for pre-existing conditions.

There are no premiums charged to eligible families and no cost sharing requirements (deductibles, co-payments, etc.) for preventive services, including immunization, well childcare, routine preventive and diagnostic dental services, routine dental fillings, routine eye examinations and eyeglasses, and hearing aids. There are no cost-sharing requirements for families below 150% of the federal poverty level.

Families with incomes above 150% of the federal poverty level are responsible for minimal co-payments.

Information and applications for the CHIP program are available upon request from county health departments.

MEDICATION POLICY

All students must have on file a *Residence Hall General Medication Use Permission Form* which authorizes MSMS, under the guidance of the MUW nurse practitioner, to administer over-the-counter medications or students to self-administer over the counter medications with written parental permission. **Any cough or cold medications containing dextromethorphan (e.g. Coricidin, Robitussin) must be kept in the residence hall office and may only be administered by MSMS personnel under the direction of a doctor.** Students must not transfer or share medications. Improper use of medications (prescription or non-prescription) will be treated as a disciplinary procedure Level III violation under the school alcohol and drug policy. All medications must be kept in the proper, original, container with clear directions and a label in evidence.

Prescription Medication

All prescription medications are to be registered with the Residence Hall Director and will be kept in the residence hall office and administered by MSMS personnel unless otherwise approved. All prescription medicines must be accompanied by a completed *MSMS Prescription Medication Form* which will be kept on file in the residence hall office. Regardless of parent or physician statements, no prescription medication may be taken to a student's room and/or self-administered unless approved by the Hall Directors at the advice of a local pharmacist. It is the student's responsibility to come by the Residence Hall Office to register any medication prescribed during the school year. Failure to do so will result in disciplinary action. It is also the student's responsibility to come to the residence hall office to take medication daily or as prescribed. Repeated failures to take prescription medication may also result in disciplinary action.

All prescription medication must be in an appropriate container labeled with the drug name, dosage, frequency of administration, date of issue, and prescribing physician (and accompanied by a completed *MSMS Prescription Medication form* which is kept on file in the residence hall office).

Medications classified as controlled substances (scheduled drugs 1-5), non-controlled anti-psychotic medication, and any other medication as advised by local pharmacists **will not** be permitted in student rooms, even if both the parent/guardian and prescribing provider give consent.

MSMS and its employees and agents assume no liability as a result of any injury sustained by a student from the self-administration of asthma inhalers or other prescription medication as approved by the parent and physician.

MEDICAL INFORMATION

All medical information is treated as confidential and in a caring manner. MSMS requires five (5) pieces of medical information to be on file prior to admittance:

- A record of immunization. A copy of this can be obtained at the student's local school and sent to MSMS. (Ordinarily this is included in the student's cumulative folder sent to MSMS).
- The MSMS Health Information/Medical Treatment Form. This form is very important because it authorizes a doctor or hospital to provide treatment for both non-emergency and emergency situations.
- The MSMS Physical Exam Form, documenting completion of a physical examination (must be repeated annually).
- The Residence Hall General Medication Use Permission Form.
- Documentation that the student is TB free as evidenced by one of the following tests. (must be repeated annually. No student may move into the residence hall until these test results are on file):
 - TB Skin Test
 - Acid Fast Smear
 - First Morning Sputum
 - Tuberculosis Blood Test

It is essential that parents immediately notify the residence hall of changes in medications, guardianship, insurance, address, telephone numbers and employment. Photocopies (front and back) of all medical and prescription cards should be attached to medical forms.

Note - Students who want to be treated at the Columbus Air Force Base Medical Clinic will need a legal document giving power of attorney to the school. Please check with the legal department at the local military base or call Columbus Air Force Base for details, and have the medical records transferred to Columbus. Parents are asked not to request MSMS personnel to make special trips to the CAFB for prescriptions which can be filled locally.

MENTAL HEALTH EVALUATION

Students diagnosed with mood or anxiety disorders must submit a letter from a licensed psychologist, psychiatrist, or professional counselor (LPC) stating that, in their professional opinion, the student can handle the academic and residential pressures of the MSMS environment. The professional should outline any treatment protocol (e.g., weekly counseling, medication, crisis plan, etc.) that should be continued during the student's enrollment at MSMS.

If a student exhibits destructive behaviors including, but not limited to, threats, injury to self or others, suicidal gestures, excessive alcohol or medication overdose, etc., MSMS shall have the right to require that the parent/guardian pick up the student immediately due to safety concerns. Safety of the student, other students, and all faculty and staff is of the utmost importance. The student must submit to a formal mental health evaluation by a licensed psychologist, psychiatrist, or professional counselor (LPC), conducted at the expense of the parent/guardian, before continued enrollment will be

considered. The student and parent/guardian will also be required to sign an information release form allowing MSMS counselors to consult with the outside mental health professional evaluating the student. The student will not be allowed to return to the MSMS campus until the evaluation is completed, and the psychologist, psychiatrist, or professional counselor has submitted statement written statement verifying that the student: (1) is not a danger to self or others and (2) can handle the academic and residential pressures of the MSMS environment. The statement must also include a recommended treatment plan for the student. In addition to providing the letter, the student must continue to comply with the recommendation of the mental health professional to remain at MSMS.

If the situation does not carry a disciplinary sanction of suspension, the student's absence will be excused as a medical absence. Prior to returning to the MSMS campus, the student and parent/guardian must meet with school officials to arrange for the student to comply strictly with the recommendations of the mental health professional and to meet

regularly with his/her academic and/or residential life counselor. The minimum condition would be for the student to have weekly counseling sessions with an outside mental health professional. These sessions would be at the parent/guardian's expense, and transportation would have to be arranged for the student by the parent/guardian. In addition, the student and parent/guardian would be required to sign an information release form allowing MSMS counselors to consult with the outside mental health professional treating the student. The initial follow-up appointment must be scheduled prior to the student returning to campus and should occur before the end of the second week the student is back in school. The student or parent/guardian must provide evidence of the appointment during the meeting with school officials and additional copies of the appointment.

LIBRARY

All students must be enrolled in a dual enrollment course to use the MUW library. The MUW library can be utilized by MSMS students as a place of study, a source of books to be borrowed, and a point of access for databases. The student ID card is also used as a library card. Students are responsible for all charges incurred from lost or damaged books, magazines, and equipment.

The library hours are:

Monday – Thursday	7:30 a.m. - 10:00 p.m.
Friday	7:30 a.m. - 6:00 p.m.
Saturday	9:30 a.m. - 5:00 p.m.
Sunday	2:00 p.m. - 10:00 p.m.
<i>(Modified hours are in effect when MUW classes are not in session)</i>	

MONEY AND BANKING

Students should not keep large sums of cash with them or in their rooms. They may want to invest in a lock box in which to keep extra cash, checks, bank/credit cards or other valuable items they may need only from time to time. Several banks are within a 15-minute walk of campus that will allow students

to open a checking or savings account.

MSMS does not assume any responsibility for monitoring a student's financial practices or for cash kept in student rooms. Students are expected to handle this matter in accordance with their parents' wishes and using their own good judgment.

POSTAL SERVICES

A post office is housed in the MUW Student Union and may be utilized by MSMS students. Students will be able to rent a mailbox directly from the MUW Post Office on Move-In Day. Students may mail domestic packages at the counter of the Campus Post Office with assistance from a postal worker, or they may mail letters by placing them in the chute on the wall on the West side of the Campus Post Office. Students will need to provide the required postage or have money to purchase required postage for domestic mail at the counter.

Mail or packages sent via the USPS should be addressed as follows:

(Name of Student)
1100 College Street
MSMS # (Student's Box Number)
Columbus, MS 39701

Packages sent via common carriers UPS, FedEx, or DHL should be addressed as follows:

(Name of Student)
MSMS
1204 II & C Lane
Columbus, MS 39701

If students receive packages at the Campus Post Office, a slip will be placed their box to notify them. The students take the slips to the counter where they will state their names and box numbers to receive the packages.

Packages sent via common carriers UPS, FedEx, or DHL will be delivered to the Mary Wilson House instead of the Campus Post Office. MSMS staff will send students email notification instructing them to come to the Mary Wilson House to pick up and sign for the packages.

RELIGIOUS SERVICES

The school recognizes the desire of parents to have their children attend religious services. Students may decide to participate in religious activities of their choice. Many religious organizations are within walking distance of the school. The school does not provide transportation but will assist students in making those arrangements. Students are allowed, with parental permission, to attend daytime Saturday and Sunday religious activities. To attend religious services the student must sign out and notify residence life staff that night prior if leaving before 8:30 a.m. Sunday night and mid-week services that do not conflict with required study hours are permitted with parent permission. Students whose privilege plans allow them to opt out of study hours one or more nights per week may use that option to attend evening services that conflict with required study hours. All others require prior

approval from the Director for Academic Affairs.

SAFETY AND SECURITY

Safety and security are everyone's concern and responsibility. MSMS is keenly aware of providing information and guidance to students in this regard, and students are expected to develop an attitude of "community watch" and to report all concerns. MSMS is committed to providing the safest environment for all students and employees. To assist

with this effort, security cameras are placed at strategic locations in and outside MSMS buildings. In addition, the MUW Police Department is on duty 24 hours a day and responds to calls for assistance. These officers are the legal authority on campus and have the same authority that a city police officer has. MSMS students are expected to show respect and cooperate with officials at all times.

Students are reminded of the following safety precautions:

In Rooms/Residence Hall

- Always keep the room door locked.
- Never leave large sums of money in the room.
- Identify personal belongings, including clothing.
- Do not lend the room key to anyone.
- Keep entrances to rooms clear of obstructions.
- Take home valuable items during long breaks.
- Do not prop open doors that are supposed to be closed or have been locked for the evening.

In the event of fire, or any other emergency which requires evacuation from the building, each student should know the evacuation routes out of the building. An explanation and drills will occur during the first week of school and periodically thereafter.

On Campus

- Do not leave a purse or other personal items unattended.
- Do not walk alone at night (on or off campus).
- Stay in lighted areas.
- Walk on public walkways which are well lit.
- Keep vehicles locked, and do not leave valuables in them.
- Be aware of the activity around them when they are outdoors.
- Report suspicious people on campus to the staff.
- Do not prop open doors that are supposed to be closed or have been locked.

While walking

We encourage students to enjoy walking, but we also stress the importance of being cautious. Remember there is safety in numbers. Students are expected to exercise good judgment in matters related to walking.

Some specific guidelines to keep in mind:

- Walk in groups, especially at night.
- If walking alone from one campus building to another at night, students may ask the residence hall staff for assistance. Campus security will also escort students to their destinations if requested. Please call 662-241-7777 for assistance.

TRAVEL ARRANGEMENTS

The students and their parents are responsible for arranging transportation to and from school on extended weekends and vacations. Students should make travel arrangements prior to the day of departure, since the school cannot assume responsibility for the student past 4:00 p.m. on the day of departure unless the Hall Director has approved an extension. Students living in the same geographic area might consider carpooling, as well as their parents discussing this option among themselves. The Director for Student Affairs will supply information to parents who are exploring this option. On the day of return, the residence halls open at 1:00 p.m. All students must have returned by 6:30 p.m., prior to the beginning of study hours on the day before classes resume unless their privilege plan allows them to opt out of study hours that evening. Those students must return by 10:00 p.m. regardless of the time of their first class the next

day. If an emergency arises, parents must contact the Residence Hall Director to request a later arrival; and if that late arrival conflicts with study hours, parents must also email the Director for Academic Affairs.

WELLNESS

The links among nutrition, physical activity, and learning are well-documented. MSMS is committed to providing a school environment that enhances learning and the development of lifelong wellness practices. To ensure that all MSMS students can develop the knowledge and skills necessary to make nutritious food choices and enjoyable physical activity a valuable part of daily life, they are required to participate in a wellness component as a requirement for graduation. The wellness program requirements include a combination of wellness seminars and physical activity. Wellness grades will have an impact on eligibility for privilege plans, and failure to maintain a satisfactory "S" grade in wellness will be a consideration when extending invitations to return. Please see the details below regarding the criteria and what is allowed or not allowed for Wellness.

The criteria for wellness will be as follows:

For an Outstanding (O):

- 12 points + 1 seminar
- 11 points + 2 seminars
- 10 points + 3 seminars

For a Satisfactory (S):

- 11-10 points + 1 seminar
- 9 points + 2 seminars
- 8 points + 3 seminars

Any combination of physical hours (points) and seminars below these guidelines will cause the student to receive an Unsatisfactory (U) grade for the quarter.

Students may earn points from a myriad of activities. Please see handout at the beginning of the year for the full list of things students may or may not do to earn points. Additionally, students who experience injuries during the year that may prevent them from completing wellness requirements must speak with their Wellness Coordinator prior to grades being submitted for the current quarter.

USE OF MUW RECREATIONAL FACILITIES

MSMS students are responsible for knowing and abiding by MUW Campus Recreation policies and procedures. Failure to abide by policies and procedures or follow direction from Campus Recreation staff may result in access privileges being revoked. Participation in Campus Recreation activities and use of facilities is voluntary. Students using the facility assume all risks associated with participation and use of MUW facilities. MUW is not liable for any injury (including death), disability, property damage or property theft that may occur during a student's use of facilities. Parents who allow students to use MUW Campus Recreation facilities release and discharge MUW and its directors, officers, employees, representatives and agents from all liability, whether caused by negligence or otherwise, that results from their child's participation or use of MUW facilities.

Students are allowed to utilize the Stark Recreation Center during the times indicated below. Please note that the times are dependent on the privilege plan of students.

- Monday – Thursday: 6:00 a.m. – 8:00 a.m.; 2:00 p.m. – 10:00 p.m. (closes at 8:00 p.m. on Fridays)
- Saturday: 10:00 a.m. – 6:00 p.m.
- Sunday: 1:00 p.m. – 10:00 p.m.

WORK SERVICE

The school is a community of people sharing common ideas and goals, and students contributing to the betterment of the school enhance this community spirit. The time each week a student contributes to the school community benefits everyone. Residential hall work service should be completed within the hours of 9:00 a.m.-10:00 p.m. on Monday-Friday except for study hours (unless a student is excused from study hours by his/her privilege plan) and consists of custodial and non-custodial tasks. The work

is important to the overall upkeep and functioning of the school, and the quality of the work done by the students exemplifies their pride in their school. The school considers work service an obligation accepted by the students as a condition of maintaining their status with the school. Students must fulfill this obligation each week and can make alternate arrangements when on a field trip, sick, or on extended weekends by rescheduling work with their supervisors. Students who miss work service because of a school or extracurricular event can make up the work service they missed on Saturday or Sunday between 9:00 a.m. and 10:00 p.m. except for study hours on Sunday (unless a student is excused from study hours by his/her privilege plan.) Students are responsible for contacting teachers, their mental/research supervisors, and work service supervisor prior to a field trip absence. Students must fulfill this obligation personally, punctually and adequately. Failure to do so will result in disciplinary action.

A work service grade will be assigned and reported on quarterly grade reports. Work service grades can be entered each week and are required to be entered at least four (4) times in a nine-week grading period. Work service supervisors will provide students with feedback on performance as needed. This grade is not used in calculating GPA; however, it is taken into consideration when assigning privileges and extending the invitation to return. **A student who fails to complete work service for a 9-week grading period will be ineligible for privileges for the next 9- week grading period.** A student who completes the school year with make-up hours due must complete that obligation before an invitation to return is extended or before a diploma is issued.

PART C: STUDENT ACTIVITIES

In addition to the activities related to wellness dimensions, there is a wide variety of activities ranging from dances and parties to intramural sports and trips off campus.

Most of the activities offered by MSMS are free of charge. When the number of participants is limited, students may be asked to sign up. Occasionally, students will be asked to pay the price of admission to special events. The fee may be forfeited if the student fails to go on the trip. Any student needing assistance paying for a ticket should talk with the Director for Student Affairs. Suggestions for activities from students are sought and encouraged through various committees or by simply passing on the suggestion to one of the staff. Some activities may require out-of-state travel.

Unexcused Absences

Because both human and fiscal resources are committed to planned activities, students who sign up to participate and miss the activity without receiving prior approval to be absent, will be charged with an unexcused absence. For instance, if you agree to go on an academic or non-academic field trip and decide the day before that you are not going, the absence will be unexcused if the sponsor does not approve the absence. If students miss the first 10 minutes of an activity, he/she will be reported as having an unexcused absence.

Whether the absence is academic or non-academic, the consequences are the same as indicated below.

1st Absence	Saturday School (4 hours), Parent Notified (Level II E #17)
2nd Absence	Weekend Residence Hall Restriction, Parent Notified (Level II E #17)
3rd Absence	In Hall Restriction (3 days), Probation, Parent Notified (Level II E #17)
4th Absence	In Hall Restriction (5 days), Probation, Parent Notified (Level II E #17)
5th Absence	Referral to the Director for Academic Affairs as a Level III which could lead to dismissal from school (Level III G #20)

Unexcused absences carry over from the first semester to second semester.

CLUBS AND ORGANIZATIONS

MSMS students are encouraged to investigate the numerous academic and non-academic clubs and organizations at MSMS and to determine those which match their individual interests and abilities. Additional information regarding clubs and organizations may be found in the General Policies section of this handbook.

INTERSCHOLASTIC ACTIVITIES / ATHLETICS

Intramurals

Intramural sports are offered based on student interest and available facilities. These include billiards, chess, flag football, Ultimate Frisbee, table tennis, and volleyball. Other events may be added as student interest indicates.

Varsity

The school provides opportunities to compete in activities sanctioned by the Mississippi High School Activities Association, Inc. Activities may vary with student interest, but currently include swimming, cross country, track and field, girls' and boys' soccer, tennis wrestling, powerlifting, and E-sports

Athletic and Club Eligibility

ACADEMIC - Nine Weeks Grades Since students may be asked to return to their home schools because of poor academic performance, the priority for MSMS faculty and staff is student success in the classroom. Student progress is, therefore, monitored consistently throughout the year. Whenever students experience academic difficulty that jeopardize their continued enrollment at MSMS, they may be considered academically ineligible to participate in athletics and club functions. When the Director for Academic Affairs determines that satisfactory progress has been made, the students will be allowed to return to participation in the activity. Specific expectations may vary depending on the situation and will be communicated to students in writing.

At the end of each nine weeks, students must earn a minimum GPA of 2.5 with no NC's and be on track for graduation from MSMS to remain eligible.

DISCIPLINE. Students who are completing disciplinary consequences or students committing school violations that result in referrals to administration may lose athletic competition privileges. Students who are completing disciplinary consequences or students who are ineligible for a 9-week grading period may continue to participate in practice if these practices do not interfere with tutorials, study time, or required study hours; however, the students will not be allowed to attend or participate in games or matches.

Marks of "Incomplete" will be addressed on an individual basis. The Director for Academic Affairs retains final authority regarding academic eligibility.

SWIMMING

An indoor pool at Stark Recreation Center is available for use by MSMS students throughout the school year. Ppool hours are posted. Swimming is allowed only when a lifeguard is present.

SCHOLARSHIP

CREATIVITY

COMMUNITY

SERVICE

**PRIVILEGE
PLANS**

Philosophy

Students vary widely in their development of abilities to exercise sound judgment, make good decisions, and generally act maturely. To recognize these differences, the school has developed a system of privileges that take into consideration grades, behavior, work service, wellness, attendance, and participation in school organizations. An assessment of these areas will occur every nine weeks, and privileges offered to students will be the result of their individual efforts. MSMS students will always fall within one of the plans beginning with their arrival as incoming Juniors.

General Guidelines

JUNIORS Incoming Juniors generally have had little experience with the demands placed on them. To assist them in developing self-discipline in their residential life and study habits, self-reliance in caring for themselves in a campus environment, and the advanced planning skills necessitated by a college-type schedule, we ask them to follow a guided structure until the end of the first 9-week grading period. During this time many on and off campus activities will be available.

Junior Plan (all incoming juniors)

CURFEW:	School nights: 10:25 p.m. Friday and Saturday: 10:55 p.m.
STUDY HOURS:	7:00 p.m. - 9:00 p.m. Sunday-Thursday. <i>room doors will be left open until after the 1st quarter grades are evaluated</i>
LIGHTS OUT & COMPUTERS OFF:	12:00 a.m. Sunday-Thursday
OVERNIGHT GUESTS:	None

CAR USE: Cars may only be used for trips home, and keys must be turned into the residence hall office immediately upon return. Students are allowed to walk off-campus within specific areas during daylight hours (6:30 p.m. before daylight savings time and 5:30 p.m. after daylight savings time or can be transported by school shuttle. Weekend shuttle trips are made to the mall, movies, and to Walmart.

SIGN-OUTS: Students are extended a 4-hour limit on weekends when signing out with siblings or parents of other MSMS students. The 4-hour limit does not apply to the student's own parents.

After the first nine-weeks grades are released, juniors will have the opportunity to move to the
*Standard Plan or the

*Extended Plan. The criteria to be assessed when 1st nine-weeks grades are released may be found under the eligibility criteria for each of the plans that follow. *Juniors cannot move to Premium plan until the 3rd nine- weeks.

SENIORS

- Seniors' 1st nine-week plan placement will be based on their performance during the last nine weeks of their junior year.
- Beginning with the second nine-week grading period, and every nine-week grading period thereafter, seniors may apply for placement on either the "O", Premium, or Extended Plan. Seniors who do not qualify for any of these plans will be placed on either the standard plan or an Individualized Assistance plan, based on the results of academic, residential, and work service performance during the previous nine-week period.

PROCEDURE

Students will be placed on one of the three (3) privilege plans after their initial nine-week period. Evaluations and distribution of privilege plans will be completed 1-2 weeks after the finalization of the most recent academic quarter (nine-weeks). Evaluation of each student's performance on specific criteria during the previous nine weeks determines plan placement.

- Students will be assigned a privilege plan each nine weeks.
- Academic measure is one criterion upon which the privilege plan system is based. The student's last nine- weeks percentage average from 100 to 0 is used for privilege plans.
- It is possible to end a nine-week grading period with one or more incomplete grades, thus making it impossible to determine the proper privilege plan. If at any time during the nine-week period a finalized grade is available, it will be used to reevaluate the student's placement in the proper privilege plan.
- Students who participate in an approved community service program and can document at least twelve (12) approved hours are allowed to add one point to the percentage average prior to averaging for a nine-week period. The final average is the final calculation that is to be submitted for review.
- Each student earning upper-level privileges will be issued a card indicating their privilege plan, the sign-out privileges they have earned, and the day(s) they selected to not have required study hours. Students are required to have their card with them during study hours and when signing out. Students who do not have required study hours and do not have their card with them during study hours will automatically be required to resume study hours.
- If students miss an assigned study hours night, they are required to make it up on one of the selected nights off or give up a general-purpose sign-out.

A Violation's Effect on the Privilege Plan

A student who commits a rule violation will be assigned the corresponding consequence regardless of the privilege plan in which they participate. The consequence of a violation supersedes any specifically earned privilege with which it conflicts. For example, a violation requiring a residence hall restriction must be served even though the students may have off-campus privileges in their plans. Once the restriction is served, the specific privilege of going off campus is resumed. If students with an "O," Premium, or Extended Privilege Plan receive a Level III violation or more than two Level II violations in a nine-weeks grading period, however, their privilege plans revert to the Standard Plan for the

remainder of the nine-week period. Students who have received a Level III violation are granted the ability to appeal for a higher privilege plan one calendar year after the violation was received if improvement has been displayed and has been evidenced to administration. Students are to contact the Director who gave the violation via email to appeal. The Executive Director has 10 academic days after the forms are submitted to finalize a decision. The new privilege plan will go into effect once the Executive Director has approved the appeal. The highest plan a student can attain on appeal is premium.

Violations Pertaining to Privilege Plans

It is a serious violation for any student to misrepresent or falsify information concerning eligibility on any privilege plan application (See Conveying False Information, Level II violation, in the Disciplinary Section of this Handbook.). A privilege plan may be revoked based upon a student being placed on probationary status.

EARNED PRIVILEGE PLANS

The four (4) earned privilege plans include:

- The "O" PLAN (available only to seniors)
- The Premium Plan
- The Extended Plan
- The Standard Plan

Descriptions of each plan, including eligibility criteria and privileges associated with the plan may be found on the following pages.

THE "O" PLAN

(Only offered to seniors)

ELIGIBILITY CRITERIA		PRIVILEGES	
GRADES	• QPA: 3.8 - 4.0 (no rounding) • No NCs and no C's • Outstanding ONLY in Wellness, Residential Living, and Work Service	STUDY HOURS	• 3 days off
DISCIPLINE	• No more than 1 Level I • No Level II or III • No Saturday School	SIGN OUT LIMIT (weekend)	• 7 hours
ATTENDANCE	• No unexcused absences • No more than 1 tardy during the nine-week period	CAR USE	• Monday – Thursday for general errands [4 hours; local; in by 10:00] • 5 general purpose sign-outs [4 hours; local; in by 10 p.m.] • 3 special event sign-outs [48 hours prior permission from the Hall Director]

THE "PREMIUM" PLAN

(Offered to juniors and seniors)

ELIGIBILITY CRITERIA		PRIVILEGES	
GRADES	• QPA: 3.0 – 3.79 (no rounding) • No NCs and no C's • 2 Outstanding and 1 Satisfactory in Wellness, Residential Life, and Work Service	STUDY HOURS	• 2 days off
DISCIPLINE	• No more than 2 Level I • No more than 1 Level II • No Level II Exceptions or Level III • No more than 2 hours Saturday School	SIGN OUT LIMIT (weekend)	• 6 hours
ATTENDANCE	• No unexcused absences • No more than 2 tardies during the nine-week period	CAR USE	• 2 times Monday – Thursday for general errands [4 hours; local; in by 10:00] • 4 general purpose sign-outs [4 hours; local; in by 10 p.m.] • 3 special event sign-outs [48 hours prior permission from the Hall Director]

THE "EXTENDED" PLAN

(Available to juniors and seniors)

ELIGIBILITY CRITERIA		PRIVILEGES	
GRADES	• QPA: 2.5 - 2.9 (no rounding) • No NCs • Satisfactory ratings in Wellness, Residential Living, and Work Service	STUDY HOURS	• 1 day off
DISCIPLINE	• No more than 3 Level I • No more than 1 Level II • No Level III • No more than 4 hours Saturday School	SIGN OUT LIMIT	• 5 hours
ATTENDANCE	• No more than 1 unexcused absence • No more than 3 tardies in the nine-week period	CAR USE	• 1 time Monday – Thursday for general errands [3 hours; local; in by 10:00] • 3 general purpose or special event sign-outs

THE "STANDARD" PLAN

(Offered to juniors and seniors)

ELIGIBILITY CRITERIA		PRIVILEGES	
GRADES	• QPA: Below 2.5 (no rounding) • Any Unsatisfactory in Wellness, Residential Living, and Work Service	STUDY HOURS	• Required
DISCIPLINE	• No more than 4 Level I • No more than 2 Level II • No Level III • No more than 6 hours Saturday School	SIGN OUT LIMIT	• 4 hours (weekend) • With permission (weekdays) *Students on Standard Plan must obtain sign-out permission from the Residence Hall Director, Director of Student Affairs or the Director for Academic Affairs to leave campus during the week.
ATTENDANCE	• No more than 2 unexcused absences • No more than 4 tardies in the nine-week period	CAR USE	• Only on weekends

SCHOLARSHIP

CREATIVITY

COMMUNITY

SERVICE

**DISCIPLINE &
SCHOOL
SAFETY**

PHILOSOPHY

To develop a strong sense of community, expectations are a necessary framework within which a sense of closeness, cooperation, sharing, enjoyment, and a feeling of belonging can emerge. All groups find comfort in establishing standards or rules which help guide the behavior of their members. MSMS recognizes the need for such rules and also understands the value of defining possible consequences in the event those rules are disregarded.

The willful or inadvertent disregard for school rules implies a need for learning proper conduct. Learning correct action or behavior is brought about through the use of natural, predetermined consequences. The consequence is intended to reasonably fit the seriousness of the violation and ultimately to change behavior. To this end, three levels of violations and corresponding consequences have been developed. Level I violations are minor infractions that are disruptive to the daily operation of academic and residential life. Level II violations are more serious infractions indicating a more substantial disregard for school procedures and demonstrating a lack of student self-control. Level III violations are the most serious infractions indicating total disregard for the welfare of self and others.

School officials will determine what constitutes unacceptable behavior and address violations of that behavior utilizing their discretion. Unanticipated, unacceptable incidents will arise and require follow-up action. **It is not the intention of the school to supplant each student's individual responsibility by itemizing every possible violation and defining its consequence. Hence, the absence of any specifically defined rule or regulation, procedure, or policy should not be viewed as an indication of acceptable behavior. Students should ask for clarification before making any assumption or conducting questionable behavior.** The offenses listed are examples typical of each level.

The rules in the disciplinary section were established to provide clear expectations. Both parents and students should spend time familiarizing themselves with these policies and expectations. Parents agree to work cooperatively with the residence life staff in maintaining the established behavioral standards. One example of cooperative efforts is for parents to support the discipline policies as written in Section V of the handbook rather than ask that exceptions be made. Consistent application of consequences to inappropriate behavior teaches responsibility and discipline in a positive manner.

RESPONSIBILITY FOR DISCIPLINE

In general, the Director for Academic Affairs handles all incidents of academic dishonesty and violations of the Disciplinary Code during organized academic activities, such as classes, labs, academic field trips, etc. that are referred to administration. The Coordinator for Technology handles incidents related to misuse of school-owned computer equipment, personal computers, and network violations that are referred to administration. The Director for Student Affairs normally oversees all other violations. All administrators take call on a rotating basis and handle any incident referred to them during on-call hours.

CONSEQUENCES

Student misconduct may result in restriction, probation, suspension, dismissal, or expulsion. The school reserves the right to pursue disciplinary action or legal action for student behavior while under the jurisdiction of MSMS, on or off campus, which is subversive to good order and discipline in the school, even if the behavior is not specified in this handbook. A student who continues to misbehave will be recommended for dismissal or expulsion. Parents are expected to support and cooperate with school efforts.

Parents of students who have repeated violations may consider returning the students to their home schools before dismissal is recommended. Once the recommendation for dismissal has been made, voluntary withdrawal is not an option. Students who have been dismissed from MSMS for disciplinary cause or who withdrew prior to a recommendation for dismissal will not be readmitted to or allowed to visit MSMS under any circumstances. Per Mississippi Code, students expelled from MSMS may be subject to not being re-admitted to their home schools.

MISSISSIPPI STATE CODES

STATE LAWS

Several laws have been passed by the State Legislature in an attempt to prevent school violence, motivate students to modify or extinguish delinquent behavior, and generally impact school safety. A copy of the entire law may be found in the volumes of the Mississippi Code Annotated of 1972, as amended. The following statutes are examples of some of the state laws that pertain to student conduct and school safety but are not meant to be an exhaustive list of all statutes applicable to student conduct on or off school property. Visit Mississippi Code Public Access for a complete list of statutes.

Miss. Code Ann. § 37-3-51	Notification of Department of Education of conviction of certificated person of certain felonies of sex offense
Miss. Code Ann. § 37-3-81	School Safety Center established by the Mississippi Department of Education
Miss. Code Ann. § 37-3-84	Confiscation of illegal firearms; reward
Miss. Code Ann. § 37-3-89	School discipline and classroom management courses; requirement; approval
Miss. Code Ann. § 37-3-93	School Crisis Management Program; quick response teams; toll-free telephone service for reporting school violence
Miss. Code Ann. § 37-7-323	Application and enforcement of general criminal laws of state
Miss. Code Ann. § 37-9-14	General duties and powers of superintendent of school district
Miss. Code Ann. § 37-9-17	Fingerprinting and criminal background checks for applicants
Miss. Code Ann. § 37-9-71	Suspension of pupils
Miss. Code Ann. § 37-11-5	Instruction in fire drills and emergency management
Miss. Code Ann. § 37-11-18	Automatic expulsion of student possessing controlled substance or weapon or committing violent act on school property
Miss. Code Ann. § 37-11-18.1	Expulsion of habitually disruptive students aged 13 years or older upon third occurrence of disruptive behavior within school year
Miss. Code Ann. § 37-11-19	Suspension or expulsion of student damaging school property; liability of parent or custodian
Miss. Code Ann. § 37-11-20	Intimidation, threatening or coercion of students for purpose of interfering with attendance of classes
Miss. Code Ann. § 37-11-21	Abuse of superintendent, principal, teacher, or bus driver
Miss. Code Ann. § 37-11-23	Disturbing public school sessions or meetings
Miss. Code Ann. § 37-11-29	Reporting of unlawful activity or violent act on educational property or during school related activity; authority of law enforcement officers; reporting of disposition of charges against student; liability of school personnel participating in reporting
Miss. Code Ann. § 37-11-35	Penalties for failure to file reports pursuant to Mississippi Code § 37-11-18 Miss. Code Ann. §§ 37-11-29 and 97-5-24
Miss. Code Ann. § 37-11-37	Public high school fraternity, sorority or secret society; definition
Miss. Code Ann. § 37-11-39	Public high school fraternity, sorority or secret society; illegality
Miss. Code Ann. § 37-11-41	Public high school fraternity, sorority or secret society; membership or participation in activities
Miss. Code Ann. § 37-11-43	Public high school fraternity, sorority or secret society; duties of boards of trustees
Miss. Code Ann. § 37-11-45	Public high school fraternity, sorority, secret society; solicitation for members
Miss. Code Ann. § 37-11-49	Wearing of approved eye protective devices required during participation in certain vocational, industrial arts, and chemical-physical laboratory courses of instruction
Miss. Code Ann. § 37-11-53	School district discipline plans; appearance by parents, guardians or custodians at discipline conferences; recovery from parents for damage or destruction of school property
Miss. Code Ann. § 37-11-55	Code of student conduct
Miss. Code Ann. § 37-11-57	Immunity of school personnel from liability for carrying out action in enforcing rules regarding control, discipline, suspension and expulsion of students

Miss. Code Ann. § 37-11-67	Bullying or harassing behavior prohibited in schools
Miss. Code Ann. § 37-11-69	Prohibition against bullying or harassing behavior
Miss. Code Ann. § 37-13-91	Compulsory school attendance requirements, generally; enforcement of law
Miss. Code Ann. § 37-15-3	Storage of cumulative folders; access to records; disposition of records upon transfer of student between schools; destruction of records
Miss. Code Ann. § 37-15-6	Central reporting system for information concerning expulsions from public schools; access to information
Miss. Code Ann. § 37-15-9	Requirements for enrollment of children in public schools
Miss. Code Ann. § 41-29-105	Definitions related to possession, transfer, etc. of controlled substances
Miss. Code Ann. § 41-29-113 - 121	Controlled substances, Schedules I-V
Miss. Code Ann. § 41-29-313	Precursor chemicals or drugs; presumption; unlawful manufacture of controlled substances; offenses; penalties
Miss. Code Ann. § 43-21-353	Reporting abuse or neglect
Miss. Code Ann. § 43-47-7	Reports of abuse neglect exploitation
Miss. Code Ann. § 63-11-30	Operation of vehicle while under the influence of alcohol, drugs, or controlled substances
Miss. Code Ann. § 67-1-5	Alcoholic beverages, definitions
Miss. Code Ann. § 67-1-81	Underage purchase, receipt, possession, sale of alcohol
Miss. Code Ann. § 71-7-1	Drug and Alcohol Testing
Miss. Code Ann. § 93-5-26	Right of non-custodial parents
Miss. Code Ann. § 97-3-54.1	Human trafficking
Miss. Code Ann. § 97-3-105	Hazing; punishment
Miss. Code Ann. § 97-5-1 et. seq.	Offenses affecting children
Miss. Code Ann. § 97-5-24	Sexual involvement of school employee with student, reporting requirement
Miss. Code Ann. § 97-29-3	Sex between teacher and pupil
Miss. Code Ann. § 97-29-45	Obscene electronic and telecommunications
Miss. Code Ann. § 97-31-27	Sale, possession of intoxicating beverages prohibited
Miss. Code Ann. § 97-31-47	Transportation of intoxicating liquors into or within the state
Miss. Code Ann. § 97-32-1	MS Juvenile Tobacco Access Prevention Act
Miss. Code Ann. § 97-32-3	Definition of tobacco products
Miss. Code Ann. § 97-32-5	Sale of tobacco to persons under 18 prohibited
Miss. Code Ann. § 97-32-9	Juvenile purchase, possession of tobacco on school property
Miss. Code Ann. § 97-32-13	Juvenile misrepresentation of age for the purchase of possession of tobacco products
Miss. Code Ann. § 97-32-27	Definition of adult, minor, educational property
Miss. Code Ann. § 97-35-13	Disruption of a public place
Miss. Code Ann. § 97-37-1	Deadly weapons; carrying while concealed; use or attempt to use
Miss. Code Ann. § 97-37-17	Weapon possession on educational property
23 U.S.C. § 158	National minimum drinking age

DISCIPLINE OF STUDENTS WITH IDEA AND SECTION 504 ELIGIBILITY

Special education students are responsible for adhering to the same rules of conduct as nondisabled students. The school complies with all provisions of the Individuals with Disabilities Education Act of 2004, the Section 504 of the Rehabilitation Act of 1973, Mississippi laws, and State Board Policy when implementing discipline procedures for students with disabilities.

EMERGENCY PROCEDURES**Fire Plan:****In Academic Buildings:**

- Using the diagrams at the door of each classroom, exit the building with your class. Meet your teacher either in the parking lot of Hogarth (if you exit the front of Hooper); the lawn of the Turner Building (if you exit the back of Hooper); behind Shack (if you are in Shack); the parking lot of PAC (if in PAC).
- Make sure you are accounted for when teacher takes roll by head count or calling of names.
- Remain in place until all clear.

In Residential Buildings:

- Using diagrams in hallways, exit building using stairs and not the elevators.
- Meet in designated space according to building (Hogarth Parking Lot for Goen, Gravel Parking Lot for Frazer)
- Make sure you are accounted for by Residence Life Staff.
- Remain in place until all clear.

Tornado Plan:

- At tornado signal, go to lowest floor of the building you are in. Move to designated areas in each building.
- Do not leave the building.
- Sit against the wall, away from windows, with arms over head for protection.
- Remain in place until all clear.

Earthquake Plan:

- Stay inside buildings, away from windows if possible.
- Take cover under sturdy structure such as a desk.
- Remain in place until all clear.

Flood Warning:

- Immediately move to higher ground.
- Wait for more instruction from administration.

MSMS CODE OF CONDUCT VIOLATIONS AND CONSEQUENCES

The following list of violations is not meant to be all-inclusive. Administration will assign activities not listed to the appropriate level as “unspecified.” When an incident occurs involving multiple violations of the same level, staff may count each violation separately or consider the incident as one violation at a higher level for the purpose of determining the consequence(s). Multiple violations at any level may result in administrative assignment of probation. *Any student found to have participated in, assisted with, or knowingly concealed a policy violation may be subject to the same consequences as the student who committed the violation.*

LEVEL ONE (GENERAL) – Level I General violations will be carried over to the second semester if the total number exceeds four (five or more). No Level I violations will be carried over to the following school year.

OFFENSE	CONSEQUENCE
Running in building/playing sports in building/HORSE PLAY (in or out of buildings) without injury or damage SWEARING (using profanities, vulgarities, or obscenities) LEAVING THE RESIDENCE HALL without permission when at least one class has been missed during the day or being out of the room when confined to bed rest FAILURE TO SEE STAFF within 24 hours to discuss rule violation LIGHTS ON after lights out time, or objects under door QUIET TIME DISRUPTIONS Not at ROOM CHECK; no prior arrangement made Disturbing others or making excessive NOISE FAILURE TO SIGN OUT/IN (accidental) for field trips, mentorships, going home on weekend, etc. Being on the TELEPHONE after lights out (public or personal phone) SIGNING IN LATE, other than at curfew, without authorization SITTING ON air units or the backs of couches or chairs, or having shoes on upholstered furniture ROOM INSPECTION - did not pass inspection (including extended weekend & holiday room checks) Failure to demonstrate proper CLEANLINESS as evidenced by no straightening or cleaning up after oneself or putting personal trash in a common or unauthorized area. DISRESPECT/NONCOMPLIANCE	FIRST OFFENSE: - Written warning SECOND OFFENSE: - Extra work service assignment (2 hours) THIRD OFFENSE: - Saturday School (4 hours) FOURTH OFFENSE: - Weekend residence hall restriction FIFTH OFFENSE - Referral to administration as level II SIXTH OFFENSE: - Parent conference required - Referral to administration as level II or III (at the discretion of the administrator)

*Serious or repeated infractions will be referred to an administrator as a Level II or Level III unspecified.

LEVEL ONE (EXCEPTIONS) – Level I Exception violations, except for tardies, will be carried over and accumulated for the entire year. No Level I violations will be carried over to the following school year.

OFFENSE	CONSEQUENCE
1. TARDINESS TO ACADEMIC CLASSES Beginning with the sixth day of the fall semester the consequences for tardiness in academic class will start.	FIRST OFFENSE: • Warning from Director for Academic Affairs • Parent notified SECOND OFFENSE: • 2 hours extra work service (satisfactory work completion determined by supervisor) • Parent notified THIRD OFFENSE: • Saturday school (2 hours) • Parent notified FOURTH OFFENSE: • Saturday School (4 hours) • Referral to administration as Level II • Parent conference required FIFTH OFFENSE: • In Hall Restriction (3 days) • Referral to administration as Level II • Probation • Parent conference required SIXTH OFFENSE: • Referral to administration as Level III • parent conference required
2. Level I TECHNOLOGY VIOLATIONS (Sending out mass emails or spam, using inappropriate language online, etc	FIRST OFFENSE: (non-malicious) • Written warning SUBSEQUENT OFFENSES: • 2 hours Saturday School and/or • Loss of personal computer privilege on campus

3. Violation of DRESS CODE	FIRST OFFENSE: • Must change immediately SECOND OFFENSE: • Must change immediately and • Weekend Restriction THIRD OFFENSE: • Must change immediately and • one-week in-hall restriction and • parent conference
4. PUBLIC DISPLAY OF AFFECTION (Acceptable: hand holding, brief friendly hug, kiss on the cheek, arm around shoulder or waist)*	FIRST OFFENSE: • Written Warning SECOND OFFENSE: • Weekend Restriction THIRD OFFENSE: • Referral to administration
6. VIOLATION OF STUDY HOURS (7:00 p.m.-9:00 p.m.)	FIRST OFFENSE: • Two (2) hours Saturday School; one (1) hour of weekend work service SECOND OFFENSE: • Four (4) hours Saturday School; two (2) hours of weekend work service THIRD OFFENSE: • Referral to administration as a Level II violation
7. Failure to complete work service on assigned day	FIRST OFFENSE: • Written warning • Parent notified SECOND OFFENSE: • 2 hours extra work service (satisfactory work completion determined by supervisor) • Parent notified THIRD OFFENSE: • Saturday school (4 hours) • Parent notified FOURTH OFFENSE: • Weekend Residence Hall Restriction • Parent conference required FIFTH OFFENSE: • In Hall Restriction (7 days) • Parent conference required SIXTH OFFENSE: • Referral to administration as Level III • Parent conference required

8. Failure to register a vehicle with the Office of Student Affairs	FIRST OFFENSE: • 2 hours extra work service SECOND OFFENSE: • 2 hours Saturday School THIRD OFFENSE: • Referral to administration as a Level II violation
6. UNSPECIFIED (for administrative use only)	See administrator for disciplinary action

**Serious or repeated infractions will be referred to an administrator as a Level II or Level III unspecified.*

The following list of violations is not meant to be all-inclusive. Administration will assign activities not listed to the appropriate level as “unspecified”. When an incident occurs involving multiple violations on the same level, staff may count each violation separately or consider the incident as one violation at a higher level for the purpose of determining the consequence(s). Multiple violations at any level may result in administrative assignment of probation.

LEVEL TWO (GENERAL) – Level II violations (general) will be carried over to the second semester if the total number exceeds one (two or more). No Level II violations will be carried over to the following school year.

OFFENSE	CONSEQUENCE
1. Being in ANOTHER STUDENT’S ROOM without his/her permission 2. DISRESPECT/NONCOMPLIANCE involving students, faculty, staff and/or administration 3. Possession of PORNOGRAPHIC MATERIAL or materials encouraging the use of illegal drugs or alcohol 4. Presence in unauthorized or OFF-LIMITS AREAS 5. Encouraging others to GAMBLE 6. Compromising HALL SECURITY by propping open exit doors, entering or exiting an alarmed door, etc.. 7. Not leaving the building during an EVACUATION DRILL 8. Possession or use of NON-APPROVED ITEMS without permission. 9. FAILING TO SIGN IN GUESTS or taking a guest of the opposite sex beyond the lobby without permission. 10. Failure to attend REQUIRED/ASSIGNED MEETINGS or assemblies 11. CELL PHONE OR OTHER ELECTRONIC LISTENING DEVICE used in classrooms without teacher’s approval or during special events. 12. Running in building/playing sports in building/ HORSE PLAY (in or out of buildings) resulting injury or damage	FIRST OFFENSE: • Weekend Residence Hall Restriction SECOND OFFENSE: • In-Hall Restriction for 7 days THIRD OFFENSE: • Referral to administration as a Level III

LEVEL TWO (EXCEPTIONS) – Level II Exception violations will be carried over and accumulated for the entire year. No Level II violations will be carried over to the following school year.

OFFENSE	CONSEQUENCE
1. Conveying FALSE INFORMATION intentionally through written or verbal communication	FIRST OFFENSE: - Two (2) weeks in-hall restriction SECOND OFFENSE: - Referral to administration as a Level III violation
2. Inappropriate CAFETERIA BEHAVIOR / manners – includes leaving a mess & throwing food	FIRST OFFENSE: - Extra work service in the dining room SECOND OFFENSE: - Weekend residence hall restriction THIRD OFFENSE: - Referral to administration as a Level III violation
3. Failure to do WORK SERVICE If a student neglects to satisfactorily complete work service for a week, the student will be assigned a NC and receive the assigned consequences. Work service grades can be entered each week and are required to be entered at least four (4) times in a nine-week grading period.	FIRST OFFENSE: - Two (2) hours of make-up work & two (2) hours of Saturday School SECOND OFFENSE: - Weekend hall restriction THIRD OFFENSE: - Referral to administration as a Level III violation
4. Acts of minor VANDALISM NOTE: When accidental damage to property occurs, the student will take responsibility for repairing the damage by making the repairs; paying for the repairs to be made; or working off the sum of the repairs with equivalent work service hours. (This will not be recorded as a violation only if it is voluntarily reported and is accidental.)	FIRST OFFENSE: - Pay for all damages and two (2) weeks in-hall restriction SECOND OFFENSE: - Referral to administration as a Level III violation

5. Disregard for the VEHICLE policy and procedures and trust A. VIOLATION BY DRIVER/STUDENT OWNER Note: When students lose the privilege of having a vehicle on campus, to the parents must take possession of the vehicle within 48 hours of notification.	FIRST OFFENSE: - The owner of the vehicle involved will take the vehicle home for 30 days and will serve 2 weekend residence hall restrictions. Parent Conference may be required. SECOND OFFENSE: - The owner of the vehicle involved will take the vehicle home and may not have a vehicle at school for the remainder of the school year. The student will serve 18 days of In-Hall restriction. Parent Conference. THIRD OFFENSE: - Referral to administration as a Level III violation and may involve an evaluation of the student's continued enrollment at MSMS.
6. Disregard for the VEHICLE policy and procedures and trust B. VIOLATION BY PASSENGER	FIRST OFFENSE: 2 weekend residence hall restrictions SECOND OFFENSE: 18 days of In-Hall Restriction THIRD OFFENSE: - Referral to administration as Level III violation
7. Disregard for the VEHICLE policy and procedures and trust C. Parking a VEHICLE in a non-designated space, on campus or off, without school permission. Failure to register vehicle. Note: When students lose the privilege of having a vehicle on campus, the parents must take possession of the vehicle within 48 hours of notification.	FIRST OFFENSE: - Loss of vehicle privileges for remainder of the school year. Parent Conference. SECOND OFFENSE: - Referral to administration as a Level III violation and may involve an evaluation of the student's continued enrollment at MSMS.

8. Disregard for CURFEW A. LATE LESS THAN FIFTEEN (15) MINUTES	FIRST OFFENSE: - Written warning (will not count against Privilege Plan) SECOND OFFENSE: - Weekend residence hall restriction: parents will be contacted THIRD OFFENSE: - In-hall restriction for 2 weeks FOURTH OFFENSE: - Referral to administration as a Level III violation (parent conference is required)
9. Disregard for CURFEW B. LATE FIFTEEN (15) MINUTES TO SIXTY (60) MINUTES	FIRST OFFENSE: - Weekend residence hall restriction SECOND OFFENSE: - Referral to administration as a Level III violation (parent conference is required)
10. OUT OF ROOM after lights out or allowing other students to stay in room after LIGHTS OUT	FIRST OFFENSE: - Written Warning (will not count against Privilege Plan) SECOND OFFENSE: - Weekend Residence Hall Restriction THIRD OFFENSE: - In-Hall Restriction for 7 days FOURTH OFFENSE: - Referral to administration as a Level III
11. LYING to a judicial court	ALL OFFENSES: To be determined by the judicial court & approved by the Director for Student Affairs
12. Intentional failure to SIGN IN OR OUT	FIRST OFFENSE: - In-Hall restriction for 14 days SECOND OFFENSE: - Referral to administration as a Level III violation
13. DEFIANCE of school personnel's authority	FIRST OFFENSE: 7 days of in-hall restriction SECOND OFFENSE: 2 weeks (14 days) in-hall restriction THIRD OFFENSE: - Referral to administration as a Level III violation
14. INDECENT EXPOSURE	Referral to administration

15. Level II COMPUTER violations	Two hours Saturday School and/or loss of personal computer privileges on campus
16. UNEXCUSED ABSENCE – When a student misses more than 30 minutes in a class and is not excused according to the lawful excused absences, he/she is reported as having an unexcused absence. If students miss the first 10 minutes of a mandatory activity, he/she will be reported as having an unexcused absence. In addition to mandatory activities, students must participate in activities they commit to unless they receive permission to miss in advance. NOTE: Beginning with the third full day of school, the consequences for absence from academic class will start.	FIRST ABSENCE: • Saturday School (4hrs) • Parent notified SECOND ABSENCE: • Weekend Residence Hall Restriction • Parent notified THIRD ABSENCE: • In Hall Restriction (3 Days) • Parent notified FOURTH ABSENCE: • In Hall Restriction (5 days) • Probation • Parent conference required FIFTH ABSENCE: • Referral to administration as a Level III which could lead to dismissal from school • Parent conference required
17. ACADEMIC DISHONESTY The sharing of individual homework assignment with other students by hard copy or electronic means	All violations will be referred to the Director for Academic Affairs. FIRST OFFENSE: • “0” on assignment and a minimum of 7 days In Hall Restriction, or suspension or recommendation for dismissal SECOND OFFENSE: • Referral to administration as a Level III
18. UNSPECIFIED (for administrative use only)	See the administrator for disciplinary action.

The following list of violations is not meant to be all-inclusive. Administration will assign activities not listed to the appropriate level as “unspecified”. When an incident occurs involving multiple violations of the same level, staff may count each violation separately or consider the incident as one violation at a higher level for the purpose of determining the consequences.

LEVEL THREE (GENERAL)

- All Level III violations will be referred to administration for action.
- All Level III violations will, at minimum, result in probation
- Level III violations may result in a recommendation to the Executive Director for dismissal
- Level III violations will be carried over to the next semester and to the following year.
- A student guilty of felonious conduct shall, in all cases, be recommended for expulsion.

OFFENSE	CONSEQUENCE
1. HARASSMENT* 2. Bullying* 3. Involvement in ARSON, including irresponsible use of matches and lighters 4. Tampering with safety equipment or ALARM SYSTEMS; setting off fire alarms; creating a fire or safety hazard; or major acts of VANDALISM 5. Possession, distribution, or use of WEAPONS, FIREWORKS, or EXPLOSIVES 6. Unauthorized possession, distribution, or irresponsible use of, prescription or non-prescription DRUGS 7. Involvement in STEALING or extortion (on or off campus) 8. ASSAULT on another person 9. Inflicting or threatening BODILY HARM to others* 10. Inciting or participating in a MAJOR DISTURBANCE* in which another person is assaulted or damage to property occurs 11. FALSIFYING A SIGN OUT by misrepresenting an off- campus destination (overnight), or for the purpose of going to a prohibited destination 12. Presence in a MOTEL ROOM without a parent or other authorized adult 13. GAMBLING* 14. SEXUAL HARASSMENT* 15. SEXUAL OR INTIMATE CONTACT 16. MISCONDUCT during school sponsored activities 17. IMPROPER ACTION toward another person causing physical or emotional harm 18. VIOLATION OF LAW* - municipal, state, or federal 19. UNAUTHORIZED POSSESSION of school property (keys, equipment, furnishings, etc.) 20. Late for CURFEW more than 1 hour 21. Any action which constitutes a THREAT to the safety of self, or others	FIRST OFFENSE: • Restriction, suspension, recommendation for dismissal or expulsion SECOND OFFENSE: • Suspension or recommendation for dismissal or expulsion THIRD OFFENSE: • Recommendation for dismissal or expulsion A student guilty of felonious conduct shall, in all cases, be recommended for expulsion.
22. REFERRALS of any Level I and Level II violation to administration	

*Includes violations by all electronic means. (Examples include, but are not limited to, email, texting, sexting, instant messaging, and actions on Internet-based or social networking apps or sites)

LEVEL THREE (EXCEPTIONS)

- All Level III violations will be referred to administration for action.
- All Level III violations will, at minimum, result in probation

- Level III violations may result in a recommendation to the Executive Director for dismissal or expulsion
- Level III violations will be carried over to the next semester and to the following year.
- A student guilty of felonious conduct shall, in all cases, be recommended for expulsion.

OFFENSE	CONSEQUENCE
1. Possession, purchase, distribution, or use of ALCOHOL and associated contraband	FIRST OFFENSE: • Suspension (10 school days) • Lesser consequences may be imposed for non-alcoholic prohibited items or empty alcohol containers. SECOND OFFENSE: • Recommendation for dismissal or expulsion
2. Possession, purchase, distribution, or use of illegal DRUGS AND/OR DRUG PARAPHERNALIA or ABUSE OF PRESCRIPTION OR NON-PRESCRIPTION DRUGS	FIRST OFFENSE: • Recommendation for dismissal or expulsion from school and referral to appropriate legal authorities
3. EXITING the Residence Halls AFTER CURFEW	FIRST OFFENSE: • Suspension or recommendation for dismissal SECOND OFFENSE: • Recommendation for dismissal or expulsion
4. Level III COMPUTER violation	Level III violations will be referred to the Coordinator for Technology for action which, depending on the circumstances, may include loss of all network privileges, loss of privilege of personal computer on campus, suspension, or recommendation for dismissal or expulsion.
5. ACADEMIC DISHONESTY A. Cheating or plagiarizing on an assignment, test, or paper B. Sharing test items with other students about an upcoming test verbally or in writing	All violations will be referred to the Director for Academic Affairs. FIRST OFFENSE: • "0" on assignment, paper, or test and a minimum of 14 days In-Hall Restriction, suspension, or recommendation for dismissal SECOND OFFENSE: • Recommendation for dismissal
5. ACADEMIC DISHONESTY C. Stealing and/or distributing a test, or unauthorized possession of a test.	FIRST OFFENSE: • Suspension or recommendation for dismissal SECOND OFFENSE: • Recommendation for dismissal

6. Possession, distribution, or use of TOBACCO products or paraphernalia	FIRST OFFENSE: - Suspension (5 school days followed by 5 days In-Hall Restriction upon return to campus) SECOND OFFENSE: - Recommendation for dismissal or expulsion
7. UNSPECIFIED (for administrative use only)	See administrator for disciplinary action.

Behavioral Contracts

A Behavioral Contract is a written agreement between the student and the Administrator(s)/Residence Hall Staff/Teacher(s). It outlines unacceptable behavior(s) and strategies to improve. It also outlines behavior expectations and consequences of not meeting those.

SUBSTANCE ABUSE POLICIES

Through educational services and other supportive services, MSMS strives to provide a substance-free (alcohol, drug, and tobacco-free) campus at all times. Additionally, MUW has banned smoking on its campus. All federal, state, and local laws drive the policies and procedures of MSMS regarding violations of substance abuse. The following minimum consequences regarding possession and use by MSMS students will be imposed with the sole intent of providing a healthier and safer school environment for our students. Substance abuse violations may result in disciplinary actions including but not limited to suspension and/or expulsion. Additional sanctions may be imposed by the sponsor/coach regarding participation in extra-curricular activities.

POSSESSION, PURCHASE, DISTRIBUTION, MANUFACTURE, OR USE OF ALCOHOL OR ASSOCIATED CONTRABAND

The Law & MSMS Expectations

The possession, purchase, and/or use of alcohol by minors violates Mississippi law. MSMS considers this a very serious matter and will make every effort to educate and encourage its students to refrain from the use of harmful substances. Students are not permitted to distribute, use, promote, buy, or be in possession of alcohol, non-alcoholic beer and wine, alcoholic mixers, or empty alcohol containers. Students are not permitted to enter establishments in which alcohol is the primary form of refreshment or entertainment, e.g., a bar, or in which the sale or distribution of alcohol is the primary business function, e.g., a liquor store. Students who engage in these activities will be disciplined appropriately by MSMS and, depending on the circumstances, may be subject to prosecution by civil authorities.

Definitions

- Possession** is defined as having a prohibited product as described above in one's room, vehicle, or possession. School officials will make every effort to determine who is responsible for possession, including shared responsibility by more than one person.

- **Distribution** is the buying, assisting in obtaining, or giving prohibited products described in the section above to any student enrolled at MSMS.
- **Use** is defined as the consumption/use of a prohibited alcohol product as described above determined by direct observation, a student emitting the odor of alcohol, or a positive reading on an alcohol breath test or drug test. In addition, other corroborating signs of usage will be reported, such as slurred speech, uncoordinated bodily movements, disorientation, incoherence, the proximity of alcohol containers, or other information obtained through discussion with the student or witnesses.

MSMS Action – Alcohol Violation

Students suspected of using, purchasing, possessing, or distributing prohibited alcohol products as described above will have an immediate discussion with a designated staff member.

If there is reason to believe the students have consumed alcohol, they deny it, they may be asked to take an alcohol breath or blood test administered by the MUW Police Department or a local health agency. Refusal to take the test may result in the students being charged with the violation. The decision to discipline will be based upon observations and other available information.

- Once determined that students used, purchased, possessed, or distributed a prohibited alcohol product as described above, parents will be notified, and a comprehensive parent conference will be required. Students may be placed on suspension for 10 school days. Expectations for students while on suspension will be communicated during the parent conference. Lesser consequences may be imposed for non-alcoholic prohibited items or empty alcohol containers.
- Upon returning to school from suspension, students will:
 - Report to the school counselor for further activity; a program of action will be determined. A signed release of information form will become part of any off-site counseling services.
 - Serve 10 consecutive school days (M-F) of In-Hall restriction.
 - Return home for the first two weekends for weekend home restriction.
 - Spend two weekend restrictions on campus after completing the weekend home restriction.
- A subsequent offense will result in a recommendation for dismissal.

Impaired Students

If Students who behave in such a way that an MSMS staff member believes substance use may be involved are subject to the following:

- The students' alcohol levels will be tested.
- Students refusing the test may be subject to disciplinary action, including suspension. In such an event, the students may still be subject to civil charges.
- An alcohol level above 0.0, will result in a referral to the Director for Student Affairs or his/her designee for disciplinary procedures to be initiated.

- If the behavior creates urgent concern, the students may be transported to an emergency care facility with the cost being born by the parents.
- Parents/Legal guardians will be immediately contacted.

It is unlawful for any person under the age of 21 to be in possession of, purchase for personal consumption, or provide alcohol for another minor. Violations of any alcoholic beverage control laws may result in criminal penalties and are subject to possible civil liability. A negative result to any test does not exonerate a student from all charges, as possession and distribution are separate issues.

POSSESSION, PURCHASE, MANUFACTURE, DISTRIBUTION OR USE/ABUSE OF DRUGS OR PARAPHERNALIA

The Law & MSMS Expectations

The administration, faculty, staff, and student body are responsible for ensuring a drug-free campus for the support of a strong academic and residential learning environment. Use of illegal drugs and/or abuse of prescription or non-prescription drugs present a threat to the health and safety of all members of the MSMS family. The Drug Free Workplace Act of 1988 requires all agencies receiving federal grants to certify that they will enforce drug-free policies. These policies provide for the implementation of statutory requirements in providing a drug-free workplace.

Students are responsible for complying with Mississippi law that makes it illegal to possess, sell, deliver, or manufacture any controlled substance. Violation of the law may result in prosecution and punishment by the civil authorities as well as disciplinary proceedings by MSMS.

MSMS Action – Drug/Paraphernalia Violation

Students are not permitted to distribute, use, promote, buy, or be in possession of legal or illegal drugs that are used to alter the state of mind in students. This includes any natural herbs, seeds, or plants. Drug paraphernalia, e.g., rolling papers, bongs, roach clips, pipes, electronic cigarettes, vaporizers, hypodermic needles, etc. is also prohibited. Additionally, abuse of prescription or non-prescription drugs is not tolerated by MSMS. Students found to be in violation of this policy will be subject to severe disciplinary responses that may include expulsion.

- Students suspected of using, purchasing, possessing, manufacturing, or distributing illegal drugs/paraphernalia or of abusing prescription or non-prescription drugs will be immediately referred to the Director for Student Affairs, Director for Academic Affairs, or their designees.
- Students may be required to submit to a search, which may include a drug test, when the school has reasonable grounds to suspect they are or have been under the influence of a drug/illegal substance. The definition of reasonable grounds varies from case to case but includes the following examples.
 - Direct observation of the students by teachers, school personnel, or peers
 - Students' behavior/conduct

- A claim that the student consumed, used, and/or is in possession of a banned substance or paraphernalia listed above

Generally, suspicious behavior or actions that are not normal/expected or are out of the ordinary for the individual qualify as reasonable grounds for suspecting that students or, or have been, under the influence of a drug.

Once determined that students used, purchased, possessed, manufactured, or distributed illegal drug/paraphernalia or abused a prescription or non-prescription drug, parents will be notified and a comprehensive parent conference will be required. Law enforcement will be notified to the extent required by law. Students will be placed on emergency suspension with recommendation for dismissal or expulsion, dependent upon the level of involvement. All felonious conduct shall be punishable by expulsion.

POSSESSION, PURCHASE, DISTRIBUTION, OR USE OF TOBACCO AND/OR TOBACCO PRODUCTS

The MSMS is always a tobacco-free environment for students and adults. Smoking or the possession of tobacco products is NOT permitted on campus or at school related activities. Students should be aware that a person under 18 years of age who purchases tobacco or accepts tobacco for personal use is in violation of state law. In addition, MSMS also prohibits the possession of smoking paraphernalia, e.g., rolling papers, lighters, matches, lighter fluid, electronic cigarettes, or vaporizers for any student. While under the patronage of MSMS the same drug-free policies exist for all MSMS administration, faculty, staff, and students. Students need not be observed smoking to be in violation; possession constitutes a violation and will be referred to administration for assignment of consequences.

MSMS Action – Tobacco Violation

- Once determined that students used, possessed, or distributed a prohibited tobacco product as described above, parents will be notified, and a comprehensive parent conference will be required. Students may be placed on suspension for five school days. Expectations for students while on suspension will be communicated during the parent conference.
- Upon returning to school from suspension, the students will report to the school counselor for further activity. A tobacco cessation program will be initiated and completed. Failure to successfully complete the tobacco cessation program may result in a recommendation for dismissal. A signed release of information form will become part of any off-site counseling services. Students will also serve five consecutive school days (M-F) of In-Hall Restriction
- A subsequent offense will result in a recommendation for dismissal.

BOMB THREATS

Threatening the use of a bomb or explosives of any kind shall be for student expulsion or immediate employee dismissal, with all bomb threats being reported to police and with action being sought under all pertinent laws.

END OF YEAR VIOLATIONS

At the discretion of the administration, a senior who commits a serious violation (Level II or III) during the weeks prior to the end of the school year, may be recommended for dismissal, suspension, expulsion, or may not be permitted to participate in the graduation ceremonies. Juniors who engage in similar behavior may not be invited to return for their senior year.

FAILURE TO ABIDE BY DISCIPLINARY ACTION

Students who fail to abide by the required disciplinary action assigned for a Level I or single Level II violation will be required to satisfactorily complete the consequence previously assigned and be given a Level II write-up for Disrespect. Students who commit major violations of restriction guidelines, violate car restrictions, or fail to abide by the consequences of incidents involving multiple Level II's or a Level III violation will be assigned a Level III violation and referred to administration.

NONCOMPLIANCE

The charge of noncompliance shall be made when students:

- Fail to heed an official summons or comply with reasonable directions or requests from an MSMS or MUW official acting in the performance of official duties
- Fail to schedule or appear for a disciplinary appointment with an MSMS or MUW staff member after being notified to do so
- Are uncooperative or use offensive language when interacting with a staff member
- Attempt to evade a staff member who is trying to get in touch with them
- Intentionally deceive, lie, and/or withhold relevant truths

WEAPONS

MSMS and state law strictly prohibit the possession and use of weapons and other dangerous items on school campuses. Weapons include, but are not limited to:

- Knives (butterfly, switchblade, box cutter/utility knife, pocketknife, Bowie knife, hunting knife, single blade folding knife, multi-blade folding knife, kitchen knife with sharp or serrated edges)
- Firearms/Guns (including paintball, pellet, BB, or a toy that could be mistaken for a firearm) and ammunition
- Throwing Stars
- Hatchets and axes
- Swords and other martial arts equipment
- Explosives (fireworks, firecrackers, dynamite)
- Tasers

The possession, threat of use, and use of weapons is strictly forbidden anywhere on campus or on any field trip or other off-campus school related activity. Students who violate this policy are subject to expulsion with all such violations being immediately reported to the appropriate law enforcement agency and remedy being sought under all pertinent laws.

DISCIPLINARY NOTIFICATION (NON-ACADEMIC) LEVEL I/LEVEL II WITHOUT ADMINISTRATIVE REFERRAL

Notification to Student

- Students will be notified that a Level I or II violation (non-academic) occurred by receiving a copy of the **Rule Violation Notification/Assignment of Consequence(s) Form**.
- Except where circumstances dictate otherwise (further investigation needed, availability of students or staff, referral to an administrator, etc.), notification will occur within twenty-four (24) hours of the staff becoming aware of the violation. Consequences, as previously defined, will be assigned based on the level of the violation and the frequency of the offense.
- A written warning will be noted and not need to be discussed with the reporting staff unless the student wishes to request a review of the write-up. However, in all other instances, the student must respond to the notice by discussing the situation with the reporting staff or, in his/her absence, with the hall director on duty, within twenty-four (24) hours. Following these discussions, the students must decide, within 48 hours, if they will request an Honor Court review or would like to meet with the Director for Student Affairs. This process is described in detail on the following page.

Determination of Consequences

When an incident occurs where there are multiple violations, staff may count each violation separately or consider the incident as one violation for the purpose of determining the consequence(s).

Accumulation of Violations to Determine Consequences

All violations will be accumulated for a semester. Level I Exception violations will be carried over and accumulated for the entire year. Level I General violations will be carried over to the second semester if the total number exceeds four (five or more). Students who have four or fewer Level I General violations, therefore, have the opportunity to wipe the slate clean and start the second semester free of past violations. Students who end the first semester with five or more Level I General violations will have their violations carried forward to the second semester.

Level II Exception violations will be carried over and accumulated for the entire year. Level II General violations will be carried over to the second semester if the total number exceeds one (two or more).

Level III violations will be carried over to the next semester and to the following year. No Level I or Level II violations will be carried over to the following year.

DISCIPLINARY REVIEW PROCESS

LEVEL I/LEVEL II (NON-ACADEMIC) WITHOUT ADMINISTRATIVE REFERRAL

Overview

The elements of fundamental fairness are afforded all MSMS students. For all offenses, students will be informed of the nature of the offense and are expected to discuss the circumstances surrounding the offense. By following the guidelines established in the section entitled "consequences," students are assured of equal treatment. The disciplinary review process outlined in this section allows for a system

of checks and balances to ensure both equal and fair treatment regarding the assignment of consequences for Level I and Level II violations (non-academic) which are not referred to an administrator or coordinator for action. Violations at all levels which are referred to an administrator are reported on the Disciplinary Report Form and are not subject to the disciplinary review process described below.

Rule Violation Notification/Assignment of Consequence(s) Forms

- Whenever students receive a **Rule Violation Notification/Assignment of Consequence(s) Form**, they must, within twenty-four (24) hours, meet and discuss the violation with the staff member reporting the violation or, in his/her absence, with the hall director on duty (optional for a warning). During these meetings, the students and staff member discuss the rule violation and the consequences involved. If the students feel they have been unjustly accused, they may request a review of the violation action. This request for review does not have to be made during the meeting with the staff member but must occur within 48 hours of receipt of the **Rule Violation Notification** form.
- To request a review the students must, within a forty-eight hours (48) period following receipt of the **Rule Violation Notification** form, complete the **Request for Review Form** and submit it through the hall director to the Director for Student Affairs who will convene the Honor Court. The written statement must state the basis for the requested review and explain any events or circumstances that would justify the disciplinary action being voided or the consequence assigned being changed.
- After reviewing the request, the Honor Court will issue a recommendation or, if the justices require additional information, recess until they can obtain the information and then issue a recommendation to the Director for Academic Affairs and Director for Student Affairs.
- The Directors will review the Honor Court's recommendation and decide if the consequences should stand as assigned or be reduced or if the violation should be voided.
- Unless extenuating circumstances prevent it, the student will be notified of the outcome and any associated consequence within 72 hours following review by the Honor Court.
- Students who request an Honor Court Review do not begin serving their consequences until the review is complete.

Honor Court

All matters of the Honor Court are confidential and must not be discussed outside the confines and proceedings of the court. Reviews of disciplinary actions involving residential Level I and II violations that do not necessitate the referral to an administrator or coordinator will be handled by the Honor Court. It will be the responsibility of this court to determine whether the violation under its jurisdiction actually took place and if the consequences are appropriate. The Honor Court will deliberate and make recommendations to the Director for Academic Affairs and Director for Student Affairs. The decision of the Directors is final.

Residential Incidents referred to an administrator for which suspension, dismissal, or expulsion may be imposed are not subject to Honor Court review, and the administrator shall impose appropriate consequences as outlined by the handbook and applicable law.

Composition of the Court

In the event that a hearing is requested before the Honor Court is in place, the Honor Court (6 members with equal gender representation) shall be appointed from the MSMS Emissaries.

The Honor Court will be made up of six (6) students, four (4) seniors, (2 males and 2 females) and two (2) juniors, (one male and one female). Additionally, two (2) seniors (1 male and 1 female), and two (2) junior, (one male and one female) will be elected to serve as alternates and fill empty positions when needed. The two (2) junior justices and two

(2) junior alternates will become the four (4) senior justices the next school year. The Director for Students Affairs shall serve as Honor Court Advisor.

Student representatives to the court shall be elected by the student body.

DISCIPLINARY CONSEQUENCES

RESTRICTIONS

Types of Restriction

Weekend residence hall restriction - (Friday, Saturday, and Sunday)

- Restriction begins at 4:45 p.m. Friday and ends at curfew Sunday.
- Students may have up to forty-five (45) minutes for each meal in the cafeteria.
- Students may be granted a one-(1) hour break given on Saturday and Sunday to go to the Stark center, library, or team practices (with a staff member).
- Students may leave campus only for emergencies or to attend church services.
- Students must inform staff of their whereabouts at all times by:
 - Leaving a note on their room door as to their location within the residence hall
 - Signing out when leaving the residence hall for a meal or the one hour break
 - Signing in at the residence hall office every two (2) hours
- At all other times students are to remain inside their residence halls (not to include porches)
- Students should be in their rooms with no visitors at 10:30 p.m.
- Students may not attend, or participate in, team games or matches.
- Students may have no outside guests.

In-Hall Restriction

- Students may attend classes, meals (45 minutes), work service, and go to the Health Center.
- Students must be inside the residence hall all other times (not to include porches).
- Student may leave campus only for emergencies or to attend church services.
- Students must inform staff of their whereabouts at all times by:
 - Leaving a note on their room door as to their location within the residence hall
 - Signing out when leaving the residence hall for a meal or the one hour break
 - Signing in at the residence hall office every one and one-half (1.5) hours

- All interrupted times must be made up, i.e., a weekend for a weekend, a week day for a week day.
- Students may go to the Stark Recreation Center or library one hour each evening (including weekends). Students must sign in and out of Stark with the supervisor on duty.
- Students may have no outside guests.
- Students may not attend or participate in team games or matches or club events.
- Students will report to their rooms at 10:30 p.m. with no visitors for the remainder of the night.

In-School Suspension

- Students will be reassigned to a designated room.
- Students may attend meals (45 minutes) and classes.
- Students may leave campus only for emergencies or to attend church services.
- Students must sign in or out of residence hall when returning or leaving the residence hall for meals and classes.
- Students may attend tutorials if prior permission is granted by the Director for Academic Affairs.
- Students must be in their residence hall rooms at all other times.
- Students may not have any visitors in their rooms; doors must be kept closed.
- Students shall participate in individual wellness activities but may not participate in team practices, games, or matches.
- A parent conference will be held.
- Students who fail to comply with the requirements of their In-School Suspension will be referred to the Director for Student Affairs for additional action which may include out-of-school suspension or a re-evaluation of their status as MSMS students.

Weekend Home Restriction

Students must return home and should be signed out by 6:00 p.m. on Friday and may not return until after 1:00 p.m. on Sunday. Students on weekend home restriction may not attend, or participate in, school activities. Parents should use this time to help their students focus on Section I of the handbook and to review and discuss the principles outlined in Section III of the Handbook.

Assignment of Restriction

Other than weekend restrictions, all restrictions will begin no later than two days from the date the assignment of consequences form was signed by the student. Except in cases of emergency (as determined by administrators), restriction days will be served consecutively.

Violations of Restriction Guidelines

Consequences for major violations of restriction guidelines are determined by the Director for Student Affairs.

DISCIPLINARY PROBATION

Probation is a period of time set by an administrator during which students are given a chance to improve behavior exhibited in prior violations of school policy. The MSMS administrator will provide written notification to students, parents, and teachers when students are placed on probation. This notification may include a contract including future plans and expectations for the students and the manner in which they must meet the prescribed requirements. The parents, students, faculty, administrator, and counselors will receive copies of signed contracts. Students who fail to correct behavioral problems during the probationary term will be evaluated for dismissal. Students placed on probation twice, even though not necessarily back-to-back, will retain probationary status until graduation or dismissal from the school.

SUSPENSION

General Suspension for Ten (10) Days or Less

Suspension is defined as the administrative removal of students from class attendance at MSMS for a specified period of time due to violation(s) of school policy or probation. All suspensions at MSMS are out-of-school; the students must remain at home for the number of days assigned. The Executive Director or his/her designee may suspend students from MSMS for a period of ten (10) school days or less when it is determined that their behavior is detrimental to the good order of the school and that suspension is an appropriate disciplinary action for a serious violation of school rules (or frequent violations of school rules).

The procedure for suspending students is as follows:

- An MSMS administrator will meet with the students to provide notice of the charge of violation of school discipline and evidence against them (informal due process hearing). The notice of the charge may be given orally. The students will be given the opportunity to respond to the charges. This will be the only hearing conducted.
- If the facts support the students' guilt, the administrator will determine the appropriate term of suspension.
- Upon notification of suspension, the students will be placed on room restriction until they leave the school to begin the suspension. The suspension may begin immediately. The MSMS administrator will inform the parent(s), either in person or by phone, of the suspension prior to the students leaving campus.
- Within five (5) school days of the informal hearing with the students, MSMS officials will send written notification to the students and parents specifying the reasons for the suspension.
- Suspended students may not attend school-sponsored functions on or off campus during the suspension, including weekends. Such exclusions include field trips, competitions, social events, etc.

- Students suspended from school are expected to keep up with course material to avoid getting too far behind. When students return from suspension, they will be allowed to make up work pertaining to major grades only, such as tests. To take advantage of this opportunity, they must make arrangements with their teachers within three (3) school days of their return to school. Failure to contact teachers and make specific arrangements will waive the right to make up the work. To avoid an unnecessary burden for teachers, they are not obligated to repeat classroom lectures or provide private tutoring to students for material missed while not in class.
- Upon completion of suspension, students returning to school must make an appointment with the school official who handled the suspension to discuss returning to school and any additional restrictions that may apply. Parents may also be requested to consult with the MSMS official.

Emergency Suspension

Emergency Suspension occurs when the Executive Director or designee summarily suspends students for not more than three (3) days to complete an investigation for serious student misconduct under circumstances where immediate removal of the students is necessary to restore order, protect persons on the school grounds, protect the student, or protect school property. The school official will meet with the students to provide notice violations of school policy and evidence against them and allow them to respond. Parents will be immediately notified of the suspension and the students will be immediately placed on room restriction and may not attend any classes. The students must leave school as soon as possible. Suspended students may not attend school-sponsored functions on or off campus during the suspension, including weekends. Such exclusions include field trips, competitions, social events, etc.

During the students' absence, a school official will complete the investigation. When possible, the administrator will complete the investigation by the end of the school day following the emergency suspension. The administrator will communicate findings to the students by phone and allow them to respond.

Further disciplinary action will be recommended or taken as needed. If additional suspension is necessary, the Executive Director or a designee may extend the suspension for a period not to exceed ten (10) days. A written notification of the reasons for the suspension will be sent to the students and their parents within five (5) school days. If no further suspension or dismissal is imposed, the students may make up all school work as previously defined under "Suspension" (#6 above) and must initiate contact with the school official upon their return as indicated above in section "7" under Suspension.

Dismissal for Cause

Dismissal is defined as the administrative removal of students from enrollment at the Mississippi School for Mathematics and Science due to violations of school policy or probation to enroll in another school of choice. Dismissal to the home school district (or another school of choice) may be considered when (1) students fail to make required minimum academic progress, to improve attendance, or to correct behavioral problems during probation, or (2) when students violate school policy.

When the Executive Director or a designee determines that students should be considered for dismissal for cause, the parents or guardians will be called to meet immediately with the Executive Director or designee. This meeting may be held by phone in extenuating circumstances. At the conference, the Executive Director or designee will notify the student and parents/guardians of the intent to dismiss based on violations of school policy or probation and give them a chance to respond. During the conference the student and parents/guardians will be advised of their option to request an informal meeting with the State Superintendent of Education or his/her designee as outlined below. Immediately following the conference, written notification of the intent to dismiss and the informal meeting option will be provided.

Based on the conference between the Executive Director or designee and the student and parents/guardians, the student may be suspended for a period of ten (10) school days or less until a final decision on dismissal is made. A request for the informal meeting with the State Superintendent or his/her designee must be made within two (2) school days following the conference. A failure to request the informal meeting within the two-day period will result in the decision by the Executive Director or designee being final. The request must be in writing and include the following information:

- An explanation of the students' performance, attendance, or behavior deficiencies.
- A possible remediation plan, and
- Reasons the student should remain at MSMS.

The date for the information meeting and rendering of final decision shall not exceed ten (10) school days from the date of the imposition of the suspension unless mutually agreed upon in writing by all parties or extenuating circumstances prevent the student from returning to school. Following consideration and evaluation of information provided in the student's or parents' responses, the State Superintendent or designee will make a final decision regarding dismissal of the student to the home school district (or another school of choice). Since attendance at the Mississippi School for Mathematics and Science is a privilege, not a right, the decision of the State Superintendent shall be final. The State Superintendent or designee will notify the parents and MSMS in writing of the decision.

If the decision of the State Superintendent or designee is to dismiss the student from MSMS, the student's belongings must be removed from the campus within five (5) working days of the final decision of dismissal. A student who has been dismissed from school is banned from campus and may not participate in school-related functions or activities on or off campus unless permitted by the Executive Director in advance.

Expulsion

Expulsion is administrative removal of students from enrollment at the Mississippi School for Mathematics and Science due to violations of law and/or policy (e.g., felonious acts or habitually disruptive behavior). Expulsion from The Mississippi School of Mathematics and Science may result in denial of admission to another school.

Such expulsion shall take place subject to the constitutional rights of due process described below and required by Miss. Code Ann. 37-9-71, which shall include the students' right to a due process hearing. When the Executive Director or a designee determines that students should be recommended for expulsion, the parents or guardians will be immediately called to meet with the Executive Director or

designee. If extenuating circumstances exist, a conference can be held by phone or videoconference.

During the conference, the Executive Director or designee will notify the student and parents/guardians orally or in writing of the intent to expel based on violations of school policy and/or law or probation and give them a chance to respond. Based on that meeting, the students may be suspended for ten (10) school days pending an expulsion. In that case, the parent/guardian must immediately remove the student from campus (if not already off campus), and the Executive Director or designee will submit a recommendation for expulsion to the State Superintendent who will appoint a hearing officer.

The student and parents/guardians will be advised of their rights to a due process hearing and provided information on how to request said hearing. If the hearing is not requested within two (2) school days, the recommendation for expulsion will stand.

If the hearing is requested, the State Superintendent or designee shall set the date, time, and place for a hearing. The date for the hearing shall not exceed fifteen (15) school days from the date of the imposition of the suspension unless mutually agreed upon in writing by all parties. In the notice, the State Superintendent or designee shall advise the student and the parents/guardians in writing of the following rights to:

- Be informed of the charges against them,
- Present evidence,
- Cross-examine witnesses represented by the school,
- Call witnesses in their own behalf, and
- Be represented by legal counsel at their own expense.

The Mississippi School for Mathematics and Science will have legal representation throughout the expulsion proceedings. A tape recorder or stenographer will record the hearing. Failure of the student or parent to appear at the hearing will result in the forfeiture of all procedural rights to contest the expulsion. The State Superintendent or designee will prepare findings, conclusions, and a final decision in writing and hand deliver or mail them to the Executive Director of MSMS and the student's parents within ten (10) calendar days of the hearing. The students or parents may request a transcription of the hearing at their own expense. The student may be expelled upon decision of the State Superintendent in his/her capacity as Executive Secretary to the Mississippi State Board of Education.

Following expulsion from the Mississippi School for Mathematics and Science, MSMS will notify the student's school of residence that the student is no longer enrolled. Upon request, educational records will be provided to the school where the student enrolls. A student who has been expelled from MSMS may not apply for enrollment at a later date, is prohibited from campus, and may not participate in school-related functions or activities on or off campus unless permitted by the Executive Director in advance. Even though the duration of an imposed expulsion may be less than a year, students who have been expelled from MSMS have forfeited their privileges to attend the school and must seek

enrollment in their home school districts or another school of choice. Expulsions will be reported to youth court and local law enforcement personnel in accordance with state law.

Appeal to the State Superintendent

Upon receipt of a final decision from the State Superintendent or designee, the student's parents/guardians have five (5) working days to request in writing to the State Board of Education an appeal regarding an expulsion. The appeal must include a written statement by the student explaining the reasons for appeal. If no such request is received within five (5) working days of notification, the right to an appeal is waived, and the discipline may be imposed forthwith by the Executive Director.

Only the Mississippi State Board of Education can decide an appeal regarding expulsion. The hearing officer will certify the complete record to the Mississippi State Board of Education. The Mississippi State Board of Education will consider the matter at a special-called meeting or its regularly scheduled meeting at the discretion of the Board Chair. The Mississippi State Board of Education will review the final decision and the record of the hearing and will consider oral arguments only from the Executive Director or legal counsel and from the student, his or her parents/guardians or legal counsel. No new evidence or presentation of witness testimony will be considered. The Mississippi State Board of Education will render a written decision within a reasonable period of time. The decision of the Mississippi State Board of Education is final.

Note: Students with disabilities against whom the actions described in this section are contemplated will also be granted the protections afforded to them under applicable federal laws and regulations.
